Background:

Phillip Duggan has been extremely involved in his North Seattle neighborhood, where he currently serves as the Pinehurst Community Council President, North District Council Co-Chair, and 46th District Democrats Executive Board member. Broadening this passion for strong communities, Phillip completed the Department of Neighborhoods' People's Academy for Community Engagement program in 2012 and began attending CTTAB meetings as a guest. His technology-specific interests have directed him to diverse communities, and many of his efforts are driven by his understanding of how technology can build community and connect neighbors.

Serving with CTTAB and participating in the Get Engaged program well-combines Phillip's civic and technological interests and both groups will benefit from his dedication and experience.
