New appointment

Background:

Claire Brannan

Claire Brannan graduated from the University of Washington with a Bachelors degree in Honors Psychology. Claire worked as a social worker in a long-term care facility, completing quarterly assessments and providing care coordination.

Following her time as a social worker, Claire owned and operated two Dementia Specialty Adult Family Homes in Seattle that provided 24-hour care to elderly suffering from both mental and physical disabilities. During the over six years running her AFH's, Claire learned a great deal about geriatric healthcare, long term care issues and community resources in our area.

Claire has remained focused on improving long term care through education and consulting by opening her own business, Mobile Classes and Consulting, over five years ago. Claire teaches a variety of classes to caregivers to help them improve their caregiving skills, as well as, classes for seniors to help them better understand common issues facing our aging population. She also assists long term care facilities with various consulting projects to improve their care and provides consulting services to families caring for aging parents.

As an Advisory Council member Claire has provided invaluable support to the communication committee. She agreed to act as Assistant Chair and created the first draft of a brochure targeted to the Beacon Hill neighborhood whose resident have the highest health disparities and poverty levels in King County
