EXPERIENCE

Community Attributes, Seattle, WA - November 2013 to Present
Principal, Urban Design and Planning

Martin is an urban design, senior business development and planning practice leader with nearly 25 years of professional experience. A decisive and innovative problem solver with progressive marketing and business development experience in civic, corporate, commercial, science/education and health care markets. Martin's role begins in the initial project visioning, bringing an urban designer's perspective of framework thinking and systems integration through schematic design and project delivery. Key qualifications include:

- Urban Design Principal
- Planning and Urban Design Market Leader
- Leading urban planning, land planning, urban design, campus planning, institution and corporate master planning projects
- Leading projects utilizing multidiscipline teams
- Leading international planning and urban design competitions

NBBJ, Seattle, WA - March 1994 to November 2013
Principal, Urban Design and Planning

OTAK, Kirkland, WA - October 1993 to March 1994
