City Clerk's Office
Seattle City Hall
PO Box 94728
Seattle, WA 98124-4728

To Whom It May Concern:
Enclosed are documents appointing Nancy Sugg to the Governing Council of the Pacific Hospital Preservation & Development Authority to replace Dan Lessler who resigned effective December 31, 2013. Ms. Sugg will serve a three-year term (January 2014 – December 2016).

Attached is the information you have requested:

- Ms. Sugg's résumé
- City Council Notice of Appointment form
- Updated PHPDA Governing Council Roster

This is the first appointment for Nancy Sugg on the Pacific Hospital PDA Governing Council. She is an Associate Professor in the Department of Medicine at Harborview and is the Medical Director for the Healthcare for the Homeless Downtown Nursing Team, the 2nd Ave Clinic, the 3rd Ave Health Center, and the Pioneer Square Clinic at Harborview. She is the former Medical Director at the Urban Rest Stop Health Center and served as a Physician in Khmer and Ban Thad Vietnamese Refugee Camps. She currently serves as a board member on the Ethics Committee and the Ambulatory Care Advisory Committee at Harborview and on the board for the Summer Medical and Dental Education Program Office of Multicultural Affairs. She has received numerous awards, including the Foster McGaw Prize for Excellence in Community Service, the UW Medicine Service Excellence Award, and the Washington State 2010 Internist of the Year Award from the American College of Physicians. She graduated from the University of Maryland School of Medicine, served as a Chief Resident at University of Washington, and earned her Master's in Public Health from the University of Washington.

I am asking that you send this nomination to the Seattle City Council.

Sincerely,

Jeff Natter

Jeff Natter,
PHPDA Executive Director

Grants:

Grant Service Projects:

Healthcare for the Homeless: $349,000, grant from Public Health to provide nursing care in 4 major shelters in downtown Seattle, provides a site for training of medical students and medical residents from UWMC. Authored grant. 0.2 FTE support for administration and supervision of program.

Robert Clewis Center: $77,515, grant from Public Health to provide acute and primary care on at the downtown needle exchange.

SAMHSA Grant: The Primary and Behavioral Health Care Integration (PBHCI) program: $1.9 Million over 4 years starting 10/2010; PI: Dr. James Hopfenbeck, Downtown Emergency Service Center; Primary Care Medical Director: Dr. Nancy Sugg 0.1 FTE to develop and direct the primary medical care component of grant. Participated in grant authorship, development of outcomes tools, training, supervision and coordination of primary care providers.

Contract Service Projects:

1811 Eastlake Project: $50,000, contracted by Downtown Emergency Service Center to provide onsite nursing and weekly primary care at 1811 Eastlake Facility for chronic alcoholics in a Housing First project. Project recently published cost analysis "Health care and Public Service Use and Costs Before and After Provision of Housing for Chronically Homeless Persons with Severe Alcohol Problems" JAMA. Apr 2009, 301 (13): 1349-1357, showing significant cost savings. The project also substantially decreased Harborview Emergency Department usage by high utilizers.

Third Ave Center: $247,853, contracted by Public Health to provide acute and primary care and mental health care to homeless patients with focus on homeless women staying at Angeline's Shelter. It is a site for training UWMC medical residents in homeless healthcare.
