CITY CLERK

Revised 5/11

Allan Wakeling

Thorough understanding of the construction industry from implementing construction practices in the field to business decisions made at the executive level.

Work Experience

Howard S Wright
General Superintendent
1981 – present

Began my career as an apprentice carpenter and worked my way up through the field on a variety of project types, including commercial, retain, civil, hospitality and medical.

Manage multiple project teams from preconstruction through final inspections. This includes reviewing schedules, safety, constructability and staffing.

- Offer insight from a field perspective on how codes can affect construction.
- Examine problems with a critical eye from different perspectives in order to arrive at the best possible solution for the parties involved.
- Provide valuable insight through real-time communication in the field.

Education/Training

- Helix High School Diploma, Southern California
- Four-year union Carpenter Apprenticeship Program
- Associated General Contractors Superintendent Training Program
- OSHA 10 and OSHA 30 trained
- Associated General Contractors Storm Water Management Training Program
- Washington State Department of Transportation Construction Site and Sediment Control Certified.

Volunteer Experience

1995 – 2002 Volunteer Firefighter, Pierce County Fire District 16

Construction Codes Advisory Board

December 2013
