How to pay

You can use the card on the bus, light rail, ferry, and commuter rail anywhere in King, Pierce, or Snohomish Counties. (Note: Fares may exceed $1.25. Add cash to your card accordingly)

If you live more than 2 miles away

You will receive a free ORCA Card with a pass worth any $1.25 (youth) fare. Tap it on the scanner when you get on the bus.

Don't damage or loose your card. Your first replacement will cost $5, your second will cost $25

If you live less than 2 miles away

Seattle Public Schools will not pay for your commute. To purchase a youth Orca Card and fill it with cash/a pass, go in person to a retail outlet during office hours. (The closest locations to Ballard High are the Westlake Tunnel Station, and the Lynwood Transit Center)

Live north of Ballard?

Routes 15, 18, and 28 have extra express bus service during rush hour. Feel free to use this service. Fares are the same, and routes only divert from local service south of the school.
