Succeeding Kelsey Jones-Casey

Alfonso is a multi-modal commuter who rides his bicycle year-round for transportation and recreation. He attributes his overall physical and mental health to bike riding, and along with the cost savings he has experienced by bicycling for transportation, has morphed into an advocate in hopes that other Seattleites may too experience the many benefits cycling has to offer. As a frequent cyclist, he is familiar with many areas of the city and has a firsthand knowledge of the highlights and shortcomings of Seattle's bicycle infrastructure.
