BRADLEY D. TONG, P.E.

Principal, Shiels Obletz Johnsen, Inc.

PROFESSIONAL PRACTICE

A shareholder of a boutique Project Management consultancy, Mr. Tong oversees development of complex real estate and building projects. He has succesfully managed a broad range of project types - commercial, retail, residential, transportation, educational/institutional, civic, sports/entertainment, parks and cultural programs for both public and private clients. He has earned a solid reputation for executing highly challenging development projects with the disciplined approach to meet budget & schedule goals and broader policy objectives. His practice involves managing site/project feasibility & market analysis; planning; organizational structure development; project scheduling, budgeting, financing, tracking & compliance; program, design and construction management; and negotiating, managing and enforcing all contracts associated with development. He specializes in transit-oriented mixed use developments, civic and public places, and transit system development.

Mr. Tong most often serves as Owner's Representative and Project Manager, organizing and directing these complex projects and systems. Their scales range from $5M to $1B in project value.

EDUCATION: B.S.C.E., University of Washington, 1985 (structures & urban planning)
REGISTRATION: P.E. Civil Engineer, State of Washington, 1990
