ORDINANCE 112590

AN ORDINANCE relating to underground utility districts; amending Seattle Municipal Code Section 21.68.080 to extend the boundaries of the First Hill underground utility district to include the area between Boren Avenue and East Union Street on the south, Broadway and Broadway East on the east, East Roy Street and Belmont Avenue East on the north and the Interstate 5 Freeway right-of-way line on the west.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Seattle Municipal Code Section 21.68.080 is hereby amended to read as follows:

21.68.080. Area described. Everyone engaged in the distribution of electric energy by overhead wires and appurtenances or using or maintaining wires and appurtenances for telephone, telegraph, CATV or other electric service shall at their own expense remove and place underground all wires and appurtenances used for the purposes stated in this section in the streets, alleys, and other public places within the boundaries of the district described in this section and at the direction, under the supervision of, and in accordance with plans and specifications approved by the Board of Public Works, said district being bounded and described as follows:

Starting at the intersection of the center line of Pike Street and the east margin of Boren Avenue;
thence south along the east margin of Boren Avenue to the north margin of Columbia Street;
thence west along the north margin of Columbia Street to the east margin of 7th-8th Alley;
thence south along the east margin of 7th-8th Alley to the south margin of Cherry Street;
thence west along the south margin of Cherry Street to the east boundary of the Freeway;
thence north along the east boundary of the Freeway to the center line of Pike Street;
thence east along the center line of Pike Street to the point of beginning;

The Honorable Douglas Jewett
City Attorney
City of Seattle

Dear Mr. Jewett:

The Mayor is proposing to the City Council that the enclosed legislation be adopted.

REQUESTING DEPARTMENT: City Light

SUBJECT: An ordinance relating to geographic areas in which underground installation and maintenance of electric distribution, telephone, telegraph, cable TV, and other wires and related facilities is required. Amending Section 2 of Ordinance 96796 to include the area from East Union to East Roy Street and Broadway to Interstate 5 freeway.

Pursuant to the City Council's S.O.P. 100-014, the Executive Department is forwarding this request for legislation directly to your office for review and drafting.

After reviewing this request and drafting appropriate legislation:

(X) File the legislation with the City Clerk for formal introduction to the City Council as an Executive Request.

( ) Do not file with City Council but return the proposed legislation to OMB for our review. Return to _____.

Sincerely,

Charles Royer
Mayor

Honorable Members:

Amending Underground Wiring Ordinance (P.M. #250429-1&2 et al)

The City Light Department hereby requests enactment of the necessary legislation to amend Ordinance 96796 in order to extend the underground wiring area previously established by this ordinance.

Ordinance 96796 requires that all electric wires used for supplying electricity, telephone, telegraph, CATV, or other communication purposes be underground within certain described boundaries. These areas are described in Section 2 of said ordinance.

In the extended boundary encompassing an area bounded by East Union, East Roy, Broadway and the Interstate 5 freeway there is little or no wire space or room left on the poles. Limited transformer or primary terminal installation changes on these poles would require line extensions with view impact or in some cases the poles are otherwise not usable.

We recommend amendment of the previous description in ordinance 96796 to read as follows:

> Continuing at the end of the previous description the new wording would be as follows:
>
> > AND, starting at the intersection of the west margin of Broadway and the north margin of East Union Street; thence north along the west margin of Broadway to the south margin of East Roy Street; thence west along the south margin of East Roy Street to the west margin of Belmont Avenue East; thence northerly along the west

margin of Belmont Avenue East to the east margin of the State Freeway right-of-way; thence south along the Freeway right-of-way to the center line of Pike Street; thence easterly along the center line of Pike Street to the east margin of Boren Avenue; thence southerly along the east margin of Boren Avenue to the north margin of East Union Street; thence easterly along the north margin of East Union Street to the point of beginning.

If there are any questions, please contact Roger Neill of City Light Property Management at extension 3394.

Yours truly,

Randall W. Hardy
Superintendent
