CITY CLERK

Background:

Mayoral re-appointment to the Urban Forestry Commission Position #8 (Development community or utility representative).

Mr. Reibman is a LEED certified architect member of the American Institute of Architects with over 17 years experience in all phases of architectural practice. His extensive experience includes all phases of architectural practice with emphasis on complex entitlement processes. Large scale infill development projects exemplify Mr. Reibman's ability to coordinate between public and private interests and achieve positive outcomes.

Mr. Reibman currently is a senior associate with Weber Thompson, an architectural firm specializing in urban infill, mixed-use projects.

Mr. Reibman's experience working with public and private interests has been an asset to the Urban Forestry Commission. He has served a three-year term and is being re-appointed for three more years.

Authorizing Signature:	**Name and Title of Officer Making Appointment:** *Michael McGinn, Mayor*

COUNCIL CLERK

JEFF REIBMAN AIA, LEED AP
Senior Associate

WEBER THOMPSON

PROFESSIONAL EXPERIENCE

A Senior Associate with Weber Thompson, Jeff has a total of 17 years experience in all phases of architectural practice. Throughout those years Jeff has focused on residential and senior residential projects for a variety of development clients throughout the Puget sound region. Jeff's project experience is notable for its emphasis on complex entitlement processes. Large scale infill development projects such as Aljoya Thornton Place exemplify Jeff's ability to coordinate between public and private interests and achieve positive outcomes.

Jeff is active in professional and community service, serving as a mentor to young staff through the licensing process as well as the lager profession and community. He is engaged with city planning and land use policy through volunteer work with the Congress of Residential Architects and with Great City. Jeff has advocated for public private development partnerships through an educational seminar with the American Institute of Architects and through an article in the Puget Sound Business Journal.
