Subchapter III Campaign Disclosure

2.04.150 Intent of chapter—Interpretation—Construction.

- A. It is the public policy of the City:
1. That political campaign contributions and expenditures be fully disclosed to the public and that secrecy in the sources and application of such contributions be avoided;
 2. That the people have the right to expect from their elected representatives the utmost of integrity, honesty, and fairness in their dealings;
 3. That the people shall be assured that the private financial dealings of their public officials, and of candidates for those offices, present no conflict of interest between the public trust and private interest;
 4. That our representative form of government is founded on a belief that those entrusted with the offices of government have nothing to fear from full public disclosure of their financial and business holdings, provided those officials deal honestly and fairly with the people;
 5. That public confidence in municipal government is essential and must be promoted by all possible means;
 6. That public confidence in municipal government can best be sustained by assuring the people of the impartiality and honesty of the officials in all public transactions and decisions;
 7. That it is desirable to have legislation at the municipal level complementary to the concept of disclosure established in Initiative 276 (RCW Chapter 42.17);
 8. That small contributions by individual contributors are to be encouraged, and that not requiring the reporting of small contributions may tend to encourage such contributions;
 9. That the public's right to know of the financing of political campaigns far outweighs any right that this matter remain secret and private; and
 10. That, mindful of the right of individuals to privacy and of the desirability of the effi-

cient administration of government, full access to information concerning the conduct of municipal government must be assured as a fundamental and necessary precondition to the sound governance of a free society.

B. The provisions of this chapter shall be liberally construed to promote complete disclosure of all information respecting the financing of political campaigns so as to assure continuing public confidence of fairness of elections, and so as to assure that the public interest will be fully protected. In promoting such complete disclosure, however, this chapter shall be enforced so as to ensure that the information disclosed will not be misused for arbitrary and capricious purposes and to ensure that all persons reporting under this chapter will be protected from harassment and unfounded allegations based on information they have freely disclosed.

C. Further, it is the intent of the Council that this chapter be interpreted and applied consistent with the de minimus maxim, that inadvertent minor violations of this chapter may be corrected and cured without full hearing in a manner consistent with the spirit and intent of this chapter.

Subchapter IV Campaign Contributions Limited**2.04.350 Findings of fact—Limitations to be imposed.**

A. The City finds that, in the interest of the public health, safety and welfare, the municipal election process and municipal government should be protected from undue influence by individuals and groups making large contributions to the election campaigns of candidates for Mayor, City Council and City Attorney.

B. The City finds that, in the interest of the public health, safety and welfare, the municipal election process and municipal government should be protected from even the appearance of undue influence by individuals or groups contributing to candidates for Mayor, City Council and City Attorney.

C. The City therefore finds that limitations on contributions of money, services and materials by individuals or groups to municipal election campaigns should be imposed by law to protect the public health, safety and welfare. These limitations, however, should be reasonable, so as not to discourage personal expression.

(Ord. 116368 § 20, 1992; Ord. 110909 § 2(part), 1982; Ord. 107772 § 1(part), 1979; Ord. 106653 § 13-A, 1977.)

Subchapter V Voluntary Expenditure Limitations

Cases: An earlier ordinance establishing the City campaign matching fund program was upheld by a plurality opinion in *Seattle v. State*, 100 Wn.2d 232, 668 P.2d 1266 (1983).

2.04.400 Findings of fact—Program for public matching funds.

The City finds it is in the public interest to encourage the widest participation of the public in the electoral process, to reduce the dependence of candidates on large contributions, and to increase public knowledge of the candidates and of election issues. The City finds that voluntary campaign expenditure limitations coupled with provisions of public funds for campaign purposes are necessary to further these public interests at a reasonable cost to the City and that such a program should be established. (Ord. 112005 § 2(part), 1984.)

2.04.410 Campaign contract.

A. Effective with elections for City officers in 1987, a candidate for Mayor, City Council or City Attorney may sign a contract with the City agreeing to abide by limitations on candidates' contributions, limitations on campaign expenditures, and limitations on the use of all contributions as specified in this chapter in exchange for public matching funds.

B. The campaign contract must be signed by the individual candidate either within thirty (30) days after the individual becomes a candidate as defined in RCW 42.17.020, or at the time of filing for said office, whichever is earlier. (Ord. 116368 § 23, 1992; Ord. 112005 § 2(part), 1984.)

2.04.420 Candidates' contribution limitations.

A candidate who signs a campaign contract shall make no contribution to his/her own campaign or political committee which in the aggregate exceeds three percent (3%) of the applicable expenditure limit in any campaign year. (Ord. 112005 § 2(part), 1984.)

2.04.430 Expenditure limitations.

A. A candidate who signs a campaign contract in accordance with Section 2.04.410, shall not, during the campaign year, make expenditures exceeding the aggregate amount of Two Hundred Fifty Thousand Dollars (\$250,000.00) for the office of Mayor or One Hundred Ten Thousand Dollars (\$110,000.00) for the offices of City Councilmember or City Attorney. Provided, that no more than seventy-five percent (75%) of the applicable expenditure limitation shall be expended through the day of the primary election.

B. Independent expenditures, as defined in this chapter, shall not be included in the computation of a candidate's expenditures. (Ord. 116368 § 24, 1992; Ord. 115017 § 1, 1990; Ord. 112005 § 2(part), 1984.)

2.04.440 Eligibility for public matching funds.

A. To be eligible to receive public matching funds, a candidate for Mayor, City Council or City Attorney must meet the requirements of the City Charter¹ and during the campaign year:

1. For the office of Mayor receive three hundred (300) contributions of Ten Dollars (\$10.00) or more;

2. For the offices of City Council or City Attorney receive two hundred (200) contributions of Ten Dollars (\$10.00) or more.

B. For the purposes of establishing eligibility under this section, only those contributions received from residents of the City shall be counted toward the requirement.

C. Candidates must submit evidence of meeting the eligibility requirements of this section to the Office of Election Administration for verification. Upon verification of eligibility, a candidate who has signed a campaign contract shall be eligible to receive public matching funds; provided that no such funds shall be disbursed to any qualified candidate prior to January 1st of the campaign year in which the election is held; and provided further, that any candidate who received public matching funds and later fails to file for

2.04.375 ELECTIONS

public office or withdraws his/her candidacy after filing, shall return to the appropriate City account an amount equal to the public funds disbursed to that candidate.

(Ord. 116368 § 25, 1992; Ord. 112005 § 2(part), 1984.)

1.Editor's Note: The Charter is included at the beginning of this Code.

Cases: Seattle campaign financing ordinance held valid against contention that it authorized a public gift or subsidy in violation of Article 8, Section 7 of the Washington State Constitution or allowed use of public office or agency facilities for campaigns in violation of RCW 42.17.130 and the Seattle Charter. *City of Seattle v. State*, 100 Wn.2d 232, 668 P.2d 1266 (1983).

2.04.450 Public matching funds—Specifications.

A. Effective with elections for City offices in 1987 a candidate who has met the eligibility requirements for public matching funds and who has signed a campaign contract shall be entitled to receive One Dollar (\$1.00) in public matching funds for every One Dollar (\$1.00) from any individual during the year preceding the date of the applicable general election to a maximum public match of Fifty Dollars (\$50.00) per individual contributor. Neither loans nor the transfers of anything of value other than money to the candidate or his/her political committee shall be matched with public funds.

B. A candidate who signs a campaign contract is eligible to receive public matching funds until it is determined that such candidate has no opponent at the close of the filing period or after the primary election as provided by law. For purposes of this section, a write-in candidate shall not be considered an opponent.

C. If following the election wherein the candidate is elected or defeated, the candidate has unexpended campaign funds, one-half ($\frac{1}{2}$) of such surplus shall be returned to the appropriate City account within ten (10) days of certification of the election.

D. A candidate who has signed a campaign contract may void his/her contract within fifteen (15) days after the close of filing; provided, an opponent of that candidate does not enter into a campaign contract pursuant to this chapter and provided further, that the candidate returns all public funds received pursuant to this chapter. (Ord. 112005 § 2(part), 1984.)

(Seattle 3-95)

2.04.460 Payment of matching funds.

A. There is hereby established in the City Treasury a campaign matching fund account into which shall be deposited whatever sums the City may receive or allocate from time to time or during the annual budget process for campaign matching purposes.

B. Candidates entitled to public matching funds shall be paid upon the voucher of the Administrator.

(Ord. 112005 § 2(part), 1984.)

2.04.470 Permitted uses of public matching funds.

Public matching funds may be expended only for the receiving candidate's direct campaign purposes such as, but not limited to, purchasing campaign literature or media space or time, mailings, renting campaign headquarters, or paying for campaign headquarters telephones. A candidate who signs a campaign contract may use neither contributions nor matching funds for indirect campaign purposes such as, but not limited to, providing a candidate's personal support, or for donation to another's campaign. Permissibility of an expenditure of public matching funds shall be determined by the Office of Election Administration.

(Ord. 112005 § 2(part), 1984.)

Cases: Seattle campaign financing ordinance held valid against contention that it authorized a public gift or subsidy in violation of Article 8, Section 7 of the Washington State Constitution or allowed use of public office or agency facilities for campaigns in violation of RCW 42.17.130 and the Seattle Charter. *City of Seattle v. State*, 100 Wn.2d 232, 668 P.2d 1266 (1983).

B. Contributions to public office funds shall not be transferred to a political committee nor used to promote or oppose a candidate or ballot issue.

C. No person shall make a public office fund contribution to a candidate for City office who is not an Elected Official before that candidate is elected to City office or to a person appointed to fill a vacancy in a City elected office who is not an Elected Official before the person is appointed to City office. No candidate for City office who is not an Elected Official shall accept a public office fund contribution before that candidate is elected to City office and no person appointed to fill a vacancy in a City elected office who is not an Elected Official shall accept a public office fund contribution before the person is appointed to fill the vacancy in the City elected office.

E. No City Elected Official shall accept or receive a public office fund contribution of more than Two Hundred Fifty Dollars (\$250.00) from any person in any calendar year, provided that this limitation shall not apply to the Elected Official's contributions of his or her own resources to his or her own office fund.

A. Upon determining pursuant to Sections 2.04.070 through 2.04.090 that a violation has occurred, the Commission may issue an order requiring the party to take particular action in order to comply with the law, and in addition, or alternatively, may impose sanctions not to exceed One Thousand Dollars (\$1,000.00) for each violation; however, the Commission may impose a penalty of One Thousand Dollars (\$1,000.00), order the return of a contribution illegally made, and impose a penalty of two (2) times the amount of a contribution illegally made or accepted, whichever is greater, by a person or entity who violates Section 2.04.370. The Commission may, in lieu of imposing sanctions, forward the determination of violation to the Seattle City Attorney or the King County Prosecutor for prosecution. If the court finds that the violation of any provision of this chapter by any candidate or political committee probably affected the outcome of any election, the result of the election may be held void and a special election held within sixty (60) days of such finding. Any action to void an election shall be commenced within one (1) year of the date of the election in question. It is intended that this remedy be imposed freely in all appropriate cases to protect the right of the electorate to an informed and knowledgeable vote.

B. Whether or not there is an administrative determination as provided in subsection A, the violation or failure to comply with the provisions of Sections 2.04.160 through 2.04.290 (regarding campaign reporting), Section 2.04.370 (regarding contribution limitations) or Section 2.04.310 of this chapter (regarding political signs) shall constitute an infraction, not subject to the Seattle Criminal Code, for which a monetary fine, not to

2.04.480 ELECTIONS

exceed Five Thousand Dollars (\$5,000.00), may be assessed by a court, however, a person or entity who violates Section 2.04.370 may be subject to a civil fine of Five Thousand Dollars (\$5,000.00) or be required to return the illegal contribution and pay a penalty of two (2) times the amount of the contribution illegally made or accepted, whichever is greater. Violation of the ordinance and existence of an infraction may be proven by a preponderance of the evidence and need not be proven beyond a reasonable doubt. An action seeking to establish the fact of an infraction and imposition of a monetary fine under this section may be commenced by the City Attorney at a request of a majority of the Commission.

C. Any candidate who fails to comply with the requirements of Chapter 2.04 of the Seattle Municipal Code or conditions of his/her campaign contract shall be ineligible to receive further such funds until in compliance. Any candidate who exceeds the expenditure limitation for which he/she has contracted shall immediately return to the appropriate City account Three Dollars (\$3.00) for every One Dollar (\$1.00) he/she has overspent in that election to a maximum amount equal to the total sum of public funds he/she has received.

In any action brought under this chapter, the court may award to the City or to the County all costs of investigation and trial, including a reason-

able attorney's fee to be fixed by the court.
