Budget Action description:

This green sheet recommends passage of C.B. 117631, Seattle Center’s 2013-2014 facility fees ordinance. The legislation would expand the range of fees Seattle Center could charge for the use of certain facilities on the campus, add authority for the Director to charge higher use fees on holidays or dates on which Seattle Center hosts major events, and allow Seattle Center to apply use fees and surcharges to more event types and facilities. The 2013-2014 Proposed Budget for Seattle Center assumes passage of C.B. 117631.
