Budget Action description:

This green sheet would add \$200,000 in 2013 and \$204,600 in 2014 from the GSF to the Human Services Department (HSD) for the Rapid Rehousing Program. These additional funds would be targeted to assist homeless families with children. HSD would distribute these funds to providers who operate this program. This funding will allow at least 35 additional families to be served by this program in 2013 and 2014.

The Rapid Rehousing Program moves families off of the streets or at risk of homelessness into permanent housing. Program funds can be used for housing search and placement costs; case management services; and short and medium term financial assistance (rental application fees, rental assistance, security and utility

deposits, utility payments, and moving costs). Program services are integrated with Family Housing Connections, the Countywide coordinated intake, assessment, and referral system for homeless families.

This additional funding is consistent with the goals of the region's 10 year Plan to End Homelessness and the City's Communities Supporting Safe & Stable Housing Investment Plan.
