**Budget Action description:**

This green sheet recommends passage of C.B. 117940 – the Seattle Public Utilities (SPU) drainage and wastewater bond refunding ordinance.

Ordinance 121938 authorizes the City to refund (refinance) drainage and wastewater bonds when interest rate savings can be captured. C.B. 117940 amends the ordinance to conform to the City’s other bond ordinances, which are being revised to address recent state statutory changes.
