Budget Action description:

This green sheet recommends passage of C.B. 117950, which would add fees to the Department of Planning and Development's (DPD's) fee ordinance for the Rental Registration and Inspection Ordinance Program. Fees are designed for cost recovery in implementing the program and would not increase General Subfund revenue.

Passage of the bill would result in approximately \$882,000 and \$3,387,000 in additional revenue to the Planning and Development Operating Fund in 2014 and 2015, respectively.
