

**City of Seattle  
Notice of Appointment**

FILED  
CITY OF SEATTLE  
2013 JUN -7 PM 2:20  
CITY CLERK

<b>Name:</b> Chisula Chambers		<input checked="" type="checkbox"/> <b>Executive Appointment</b> <input type="checkbox"/> <b>Legislative Appointment</b> <input type="checkbox"/> <b>Agency Appointment</b> <input type="checkbox"/> <b>PDA Council</b> <input type="checkbox"/> <b>PDA Constituency</b>
<b>Residential Neighborhood:</b> SE	<b>Zip Code:</b> 98118	<b>Contact Phone No.:</b> N/A
<b>Appointed to:</b> Bridging the Gap Levy Oversight Committee		<b>Date of Appointment:</b> June 4, 2013
<b>Authority (Ord., Res.):</b> Ord. 122232		<b>Term of Office:</b> <b>From:</b> Confirmation <b>To:</b> December 31, 2015
<p><b>Background:</b></p> <p><b>Chisula Chambers</b> is a Licensed Practical Nurse (LPN) with a Masters in Public Health and is currently studying to become an MD. She has seven years of clinical skills and over 20 years of community and customer service experience; and she has been recognized for her outstanding care and contribution in the clinical setting by receiving several "Clinical Excellence" awards and the first "Employee of the Month" for nursing staff in the Family Practice Clinic.</p> <p>Chisula is passionate about equity and global and community health initiatives and has a diverse volunteer background that demonstrates this passion. She has recently traveled to Lima, Peru to engage in a community health rotation, where she completed a preceptorship in the local rural community health clinics, and experienced complete cultural and language immersion. She also spent time serving the people of Haiti and learning about their strength in the face of disaster.</p> <p>Her local community involvement includes interning and volunteering with Komen to assist with identifying disparities in breast health, assisting and writing for the Community Health Profile 2011, and updating community resources for asset mapping for the 4<sup>th</sup> edition of <i>Finding Your Way To Wellness</i>. More directly relating to the Bridging the Gap Levy, her personal experience as a beginning cyclist led her to help found the Rainier Valley Greenways Project.</p> <p>Chisula brings a solid understanding of equity and the factors that influence health, including those in the built environment. Her clinical, interpersonal and documentary skills will be a great addition to the Levy Oversight Committee.</p>		
<b>Authorizing Signature:</b> 		<b>Name and Title of Officer Making Appointment:</b> Mayor Mike McGinn

2013  
CITY  
CLERK

## Chisula Chambers, MPH

---

### CAREER FOCUS: COMMUNITY & HEALTHCARE PROFESSIONAL

Seven (7) years of clinical skills, over 20 years of community and customer service experience. Educational and service missions to Haiti, Peru, Vicenza and Dominican Republic. Military Veteran, Army-trained Licensed Practical Nurse and Emergency Medical Technician. Self-starter; able to provide quality perspective with a foundation in the nursing processes and critical thinking. Reliable and dependable, always reaching above and beyond the standard, encouraging strong teamwork and ethics. Skills are supplemented with discipline and respect for others. Recognized for my outstanding care and contribution in the clinical setting by receiving several "Clinical Excellence" awards and the first "Employee of the Month" for nursing staff in the Family Practice Clinic for creating a system to screen, document and provide immunizations to patient's considered high risk for pneumonia. Currently working to bridge resources and networking with people of the community, University of Washington, and globally.

#### Key Strengths:

- Emergency/Acute Experience
- Family Practice Experience
- Long-term care experience
- (Patient) Advocate
- Customer Service
- Student Leadership
- Problem-solving skills
- Multi-tasking
- Reliable

---

### EDUCATION & TRAINING

**Medical Degree (MD) Student**, University of Washington School of Medicine (UWSOM), Class of **2016**

Major: Medicine

Pathway: Global Health

- **Co-President**, UW Chapter of the Student National Medical Association (SNMA) – 2011-2013
- **Region I Parliamentarian** for SNMA – 2012-2013
  - SNMA is the nation's oldest and largest independent, student-run organization focused on the needs and concerns of medical students who come from underrepresented and underserved backgrounds. We are committed to increasing the pipeline of students from the high school level and to being a resource for those who need support and advice. We organize and sponsor local programs that directly serve minority students and allies of minority students. We collaborate with other graduate, medical, and undergraduate registered student organizations for recruitment and retention programming in order to assure the pipeline to medicine is supported. We reach back to our community to provide support and service and while providing our classmates with educational opportunities to join us.
- **President** of University of Washington Students of Physicians for Social Responsibility (SPSR)
  - PSR is a national organization that focuses on the environment, personal health, anti-nuclear weapons, advocacy and social justice concerns. For 2011-2012 UW SPSR's major accomplishments included:
    - Hosting a forum with national experts regarding the overuse of antibiotics in food and how this is affecting health.
    - Passing a resolution against the proposed Bellingham Coal Terminal at the Graduate and Professional Student Senate level.

- **Curriculum Renewal Committee – Diversity.** Student voice towards developing recommendations for curriculum approaches to foster cultural awareness, cultural responsiveness, and understanding of the community role in health.
- **Member** of Alliance for Equal Representation in Medicine (AFERM)
  - A coalition of students at the UWSOM dedicated to improving diversity in medical education with the ultimate purpose of providing culturally competent and representative future physicians for all patients and communities.

**Masters of Public Health (MPH),** Walden University, 11/2010

Major: Public Health, Concentration: Community Health and Education

- Completed Community Servicing Learning with *Susan G. Komen for the Cure – Puget Sound Affiliate*, Seattle, WA 06/2010 – 11/2010
- Examining the Health disparities and social determinants of health related to breast cancer awareness and early detection while supporting several organizational events to educate and raise awareness
- Assisted in the collection, entering, and analysis of data used to prepare a community profile report of Washington state.
- Created an inventory of breast cancer resources and programs to create an asset map geographically in relation to the 16 counties.
- Examined and focused on identifying the disparities in breast cancer resources and early detection
- Supported the mission and vision of the organization by increasing breast health awareness through participation in several campaigns and additional volunteerism above and beyond the duties of the internship

**Licensed Practical Nurse,** William Beaumont Army Medical Center, 2006

- Honor Graduate      •Clinical Excellence Awards
- Completed all civilian coursework and military training

**Bachelor of Science,** Howard University, GPA: 3.7/4.0, 2002

Major: Psychology, Minor: Human Development

- Published, “*Ethnic Identity and Academic Achievement among Adolescents of African Descent*”
- Magna Cum Laude
- College of Arts & Sciences Honors Society
- Ronald E. McNair Post baccalaureate Program Fellow
- NIMH Career Opportunities in Research Education and Training (COR) Honors Undergraduate Research Training Grant Fellow

Sixth Regional Diaspora Caucus, Youth Leadership and Young Adults  
Seattle Greenways Project

- Helped start the Rainier Valley Greenways to make the South Seattle community safer for walking and biking

One Night Count, Seattle King County Coalition on Homelessness

Latino Health Fair, 2012

Adventures in Missions, Carrefour, Haiti, December 2011

Susan G. Komen for the Cure, Seattle, WA 06/2010 – 11/2010

- Assisted in the collection, entering, and analysis of data used to prepare a community profile report of Washington state.
- Created an inventory of breast cancer resources and programs to create an asset map geographically in relation to the 16 counties. Needs assessment.
- Examined and focused on identifying the disparities in breast cancer resources and early detection
- Supported the mission and vision of the organization by increasing breast health awareness through participation in several campaigns and additional volunteerism above and beyond the duties of the internship
