

**Amendment #1 to Proposed Version 4 of Council Bill (CB) 117781**

Sponsor: Bagshaw

***Limit the size of urban farms to 10,000 square feet within Industrial Commercial (IC), Industrial Buffer (IB), and Industrial General 2 (IG2) zones within Manufacturing and Industrial Centers.***

The proposed substitute version of the marijuana legislation would allow urban farms, including those growing marijuana, to be 10,000 square feet in size in the IC and IB zones, and double that size (20,000 square feet) in IG2 zones in the Greater Duwamish and Ballard-Interbay Manufacturing and Industrial Centers (MICs). The MICs and industrial zones are shown on the attached map. Given the uncertainty about the state regulations for recreational marijuana, and the difficulty of determining the demand for space for marijuana grow operations, it is premature to allow marijuana grow operations to be this large in IG2 zones.

This amendment would return to the 10,000 square foot size limit proposed for IG2 zones in the original version of the legislation. This size limit would prevent large grow operations from driving up property values and rents for existing maritime and manufacturing businesses. It would also minimize competition for space between industrial uses and marijuana grow operations, by restricting grow operations from competing for scarce large buildings. The size limit for IG2 zones could be increased in the future if it becomes evident that it is causing major problems for the siting of marijuana grow operations.

The proposed amendments are shown below double underlined or ~~double crossed out~~.

**23.50.012 Permitted and Prohibited Uses**

A. All uses are permitted outright, prohibited or permitted as a conditional use, according to Table A for 23.50.012 and this Section 23.50.012.

B. All permitted uses are allowed as either a principal use or an accessory use, unless otherwise indicated in Table A for 23.50.012.

\* \* \*

<b>Table A For 23.50.012 Uses in Industrial Zones</b>					
USES	PERMITTED AND PROHIBITED USES BY ZONE				
	IB	IC	IG1 and IG2 (general)	IG1 in the Duwamish M/I Center	IG2 in the Duwamish M/I Center
<b>A. AGRICULTURAL USES</b>					
A.1. Animal Husbandry	X	X	X	X	X
A.2. Aquaculture	P	P	P	P	P
A.3. Community Garden	P(14)	P(14)	P(14)	P(14)	P(14)
A.4. Horticulture	X	X	X	X	X
A.5. Urban Farm	P(14)	P(14)	P(14)	P(14)	P(14)
