**AN ORDINANCE** authorizing the levy of regular property taxes by The City of Seattle for collection in 2014, representing a decrease below the regular property taxes levied for collection in 2013; and ratifying and confirming certain prior acts.

WHEREAS, to increase regular property taxes, RCW 84.55.120, as approved by the voters of the State of Washington in "Referendum 47" on November 4, 1997, requires the City to enact a separate ordinance indicating the change in taxes from the previous year in terms of percentage and total amount; and

WHEREAS, pursuant to RCW 84.55.120, after proper notice was given, the City Council held public hearings on October 3, 2013 and October 24, 2013, to consider The City of Seattle's 2014 budget and the regular property tax levy to support it; and

WHEREAS, notice of the City Council's consideration of this ordinance has been provided in the usual manner for other proposed City ordinances; NOW, THEREFORE,

**BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

**Section 1.** Regular property taxes for collection in 2014 are authorized in the amount reflected in the Ordinance introduced as Council Bill 117958. These regular property tax levies for collection in

1 2013 and 2014 include regular property tax "levy lid lifts" previously approved by the voters of  
2 The City of Seattle.

3 **Section 2.** Any act pursuant to the authority of this ordinance taken after the passage of

**Legislation Title:** AN ORDINANCE authorizing the levy of regular property taxes by The City of Seattle for collection in 2014, representing a decrease below the regular property taxes levied for collection in 2013; and ratifying and confirming certain prior acts.

**Summary of the Legislation:**

This legislation, commonly known as the “Short Property Tax Ordinance” reflects changes in the regular property taxes in terms of dollars and percentages. It is a companion to the ordinance authorizing Seattle’s property tax levies, commonly known as the “Long Property Tax Ordinance.”

**Background:**

Since the approval of Referendum 47 in November 1997, state law has required that taxing jurisdictions adopt, by a majority of their legislative body, a separate ordinance authorizing regular property tax increases, other than increases due to certain excluded assessed property values identified below. The ordinances must show the authorized increase in terms of both dollars and percentages. Due to the exclusion of increases due to new construction, construction of wind turbine facilities classified as personal property, improvements to property, the value of state-assessed property, and refund adjustments to the levy amount, the actual year-over-year change in the City’s regular levy will differ from the calculated change in this legislation. Seattle’s Long Property Tax legislation, which is the authorizing legislation for the City’s property tax levy, provides a more detailed description of Seattle’s actual property tax levy and revenues.

For the City’s levy of taxes for collection in 2014, the attached Bill proposes a 1 percent increase in the regular non-voted property tax levy, the Bridging the Gap Transportation levy lid lift, the Families & Education levy lid lift and the Library levy lid lift. It further proposes a levy amount reduced from original plan for the final year of the Pike Place Market levy lid lift. Altogether, this year’s levy represents a decrease of \$1,594,730 (-0.43 percent) below 2013. As noted above, this does not include the “refund fund levy,” or additional taxes resulting from new construction, construction of wind turbine facilities classified as personal property, improvements to property, or an increase in the value of state-assessed property.

**X** **This legislation has financial implications.** Please see the Fiscal Note to the 2014 Long Property Tax Ordinance, which authorizes the actual property tax levies.

Honorable Sally Clark  
President  
Seattle City Council  
City Hall, 2<sup>nd</sup> Floor

Dear Council President Clark:

I am transmitting the attached proposed Council Bill for consideration with the 2014 Proposed Budget. This Bill shows the dollar amount and percentage change in regular property taxes over last year's actual levy, and is a companion to the legislation required to levy regular property taxes.

For the City's levy of taxes for collection in 2014, the attached Bill proposes a 1 percent increase in the regular non-voted property tax levy, the Bridging the Gap Transportation levy lid lift, the Families & Education levy lid lift and the Library levy lid lift. It further proposes a levy amount reduced from original plan for the final year of the Pike Place Market levy lid lift. Altogether, this year's levy represents a decrease of \$1,594,730 (-0.43 percent) below 2013. This does not include the "refund fund levy," or additional taxes resulting from new construction, construction of wind turbine facilities classified as personal property, improvements to property, or an increase in the value of state-assessed property.

Thank you for your consideration of this legislation. Should you have questions, please contact Dave Hennes at 684-0537.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael McGinn", written over a horizontal line.

Michael McGinn
