APRIL 28, 2014

TODAY'S AGENDA

- Purpose of right-of-way legislation
- Property owner outreach & feedback
- Acquisitions & easements
- Schedule

CORE PROJECTS

LEGEND

 Core Project Boundary

PURPOSE OF RIGHT-OF-WAY LEGISLATION

- Authorize the City to acquire and accept property rights, within a predefined geographic area, needed to construct the waterfront
- Can include permanent or temporary acquisition/easements
- Acquisition may be achieved by negotiation, or condemnation if necessary

OVERVIEW OF PROPERTIES

142 properties

- Including 13 condo buildings = 900+ property owners

100+ temporary construction easements

- Access for contractors during construction

7 permanent acquisitions

- 2 full and 5 partial

5 overwater easements

- From Department of Natural Resources

Number of easements/acquisitions could change as design evolves and legislation provides flexibility

STANDARD RCW REQUIREMENTS

Standard legislation

- Required for all capital projects needing to obtain property rights
- Previous Examples: Elliott Bay Seawall, Mercer Corridor, Spokane Street Viaduct Replacement

Notice requirements (RCW 8.25.290)

- Property owner notification of the legislation, what it includes, and date of Full Council vote
- Notification provided via certified mail, and publication in the Seattle Times and Daily Journal of Commerce

PROPERTY OWNER OUTREACH

Phone calls to representatives for 142 properties, and project partners (4/8)

Notices to 900+ property owners/taxpayers of record via certified mail (4/21)

Briefings and informational materials for all interested parties (*ongoing*)

Legal notices in Seattle Times and Daily Journal of Commerce (5/5)

Follow-up communication with property owners/taxpayers of record (*ongoing*)

PROPERTY OWNER FEEDBACK

What we're hearing:

- People are nervous about terms like “condemnation” and “eminent domain” used in the letter/legislation
- What is the over-all project/construction timeline?
- What will be built near my property?
- What type of construction will happen near my property?
- How will access to properties be maintained during construction?

ANTICIPATED ACQUISITIONS & EASEMENTS

100+ temporary construction easements

- Ingress and egress for contractors during construction of Waterfront improvements
- Work needed to match adjacent improvements with existing conditions on private property
- Following construction, the City will restore private property to its previous condition, when applicable

ANTICIPATED ACQUISITIONS & EASEMENTS

7 permanent acquisitions (2 full and 5 partial)

- Needed to build:
 - Elliott Way, Pine Street, and Overlook Walk
 - Parking garage access at Fix/Madore properties
 - Sidewalk, ADA ramps, and roadway improvements

5 overwater easements

- Needed to build:
 - Union Street Pier, Pier 62/63 improvements, and potential pool barge
