**Budget Action description:**

This green sheet would increase the GSF appropriation for the City Attorney's Office (CAO, officially the Law Department) by \$435,000 in 2015 and \$435,000 in 2016 in order to fund salary increases for senior level Assistant City Attorneys (ACAs) in the Civil Division.

## **Background**

In 2013, the CAO submitted a Budget Issue Paper to the City Budget Office requesting \$860,375 GSF in 2014 to pay for salary increases for ACAs in the Civil Division. This was identified in a Department of Personnel (now Department of Human Resources or DHR) study as the amount necessary to bring those ACAs currently paid less than the market median salary up to that level. This request was not funded in the Mayor's 2014 Proposed Budget; however, the Council did appropriate \$425,000 for ACA salary increases in its 2014 Adopted Budget. Last spring, the CAO submitted a Budget Issue Paper requesting an additional \$1,100,000 GSF for 2015 and \$1,122,000 for 2016 to for further pay increases for Civil Division ACAs. This request was not funded in the Mayor's 2015-2016 Proposed Budget. If approved, this green sheet would add less than the \$1,100,000 requested by the CAO earlier in the year for Civil Division salary increases, but would complete the fulfilment of the CAO's original 2013 request for \$860,375 (before inflation is considered).
