**Statement of Legislative Intent:**

The Council requests the Department of Parks and Recreation (DPR) to prepare a report that outlines the next steps for improvements at the Lake City Community Center. The report should include:

1. Any proposed changes in the use of the Lake City Community Center that are recommended by Community Center Strategic Plan scheduled for completion in 2015.
2. Alternatives (including a preferred alternative) for rehabilitation or rebuilding of the Lake City Community Center including an alternative for construction of a new facility.
3. Costs and financing options for the preferred alternative, including the option of using Limited Tax General Obligation Bonds to finance the project.
4. A schedule for implementing the preferred alternative.

It is anticipated that capital funds for the preferred alternative will be included in the proposed 2016 budget and 2016-2021 Capital Improvement Program.
