**Legislation Title:**

AN ORDINANCE relating to the financing of the South Lake Union Streetcar project; amending Ordinance 122603, last amended by Ordinance 123748, to extend the term of an interfund loan.

**Summary of the Legislation:**

This legislation extends the end date of the \$5.945M Interfund Loan for the South Lake Union Streetcar capital project from December 31, 2014 to December 31, 2016.

**Background:**

Ordinance 122603 authorized a loan of up to \$5.945M from the Consolidated (Residual) Cash Pool to the Transportation Master Fund with a repayment date of December 31, 2009. Ordinance 123164 extended the loan until December 31, 2012, and was subsequently extended by Ordinance 123748 to December 31, 2014. The loan is to be repaid by proceeds from the sale of surplus property adjacent to the Streetcar Maintenance Facility and Yard at 318 Fairview Avenue North. SDOT is in the design phase of the Center City Connector streetcar project and may have an increased need for streetcar maintenance and storage capacity. The sale of the property is on hold until the issue is resolved. For this reason, the length of the Interfund loan needs to be extended.

Though not expressly addressed in the legislation, the loan extension will result in additional interest expense; however, some of the expenses are offset by revenue from leasing the property to the construction management team on Mercer East and, more recently, from leasing the property to Seattle City Light. The actual and forecast interest expenses for each year of the loan are shown in the table on the following page.

**Other Implications:**

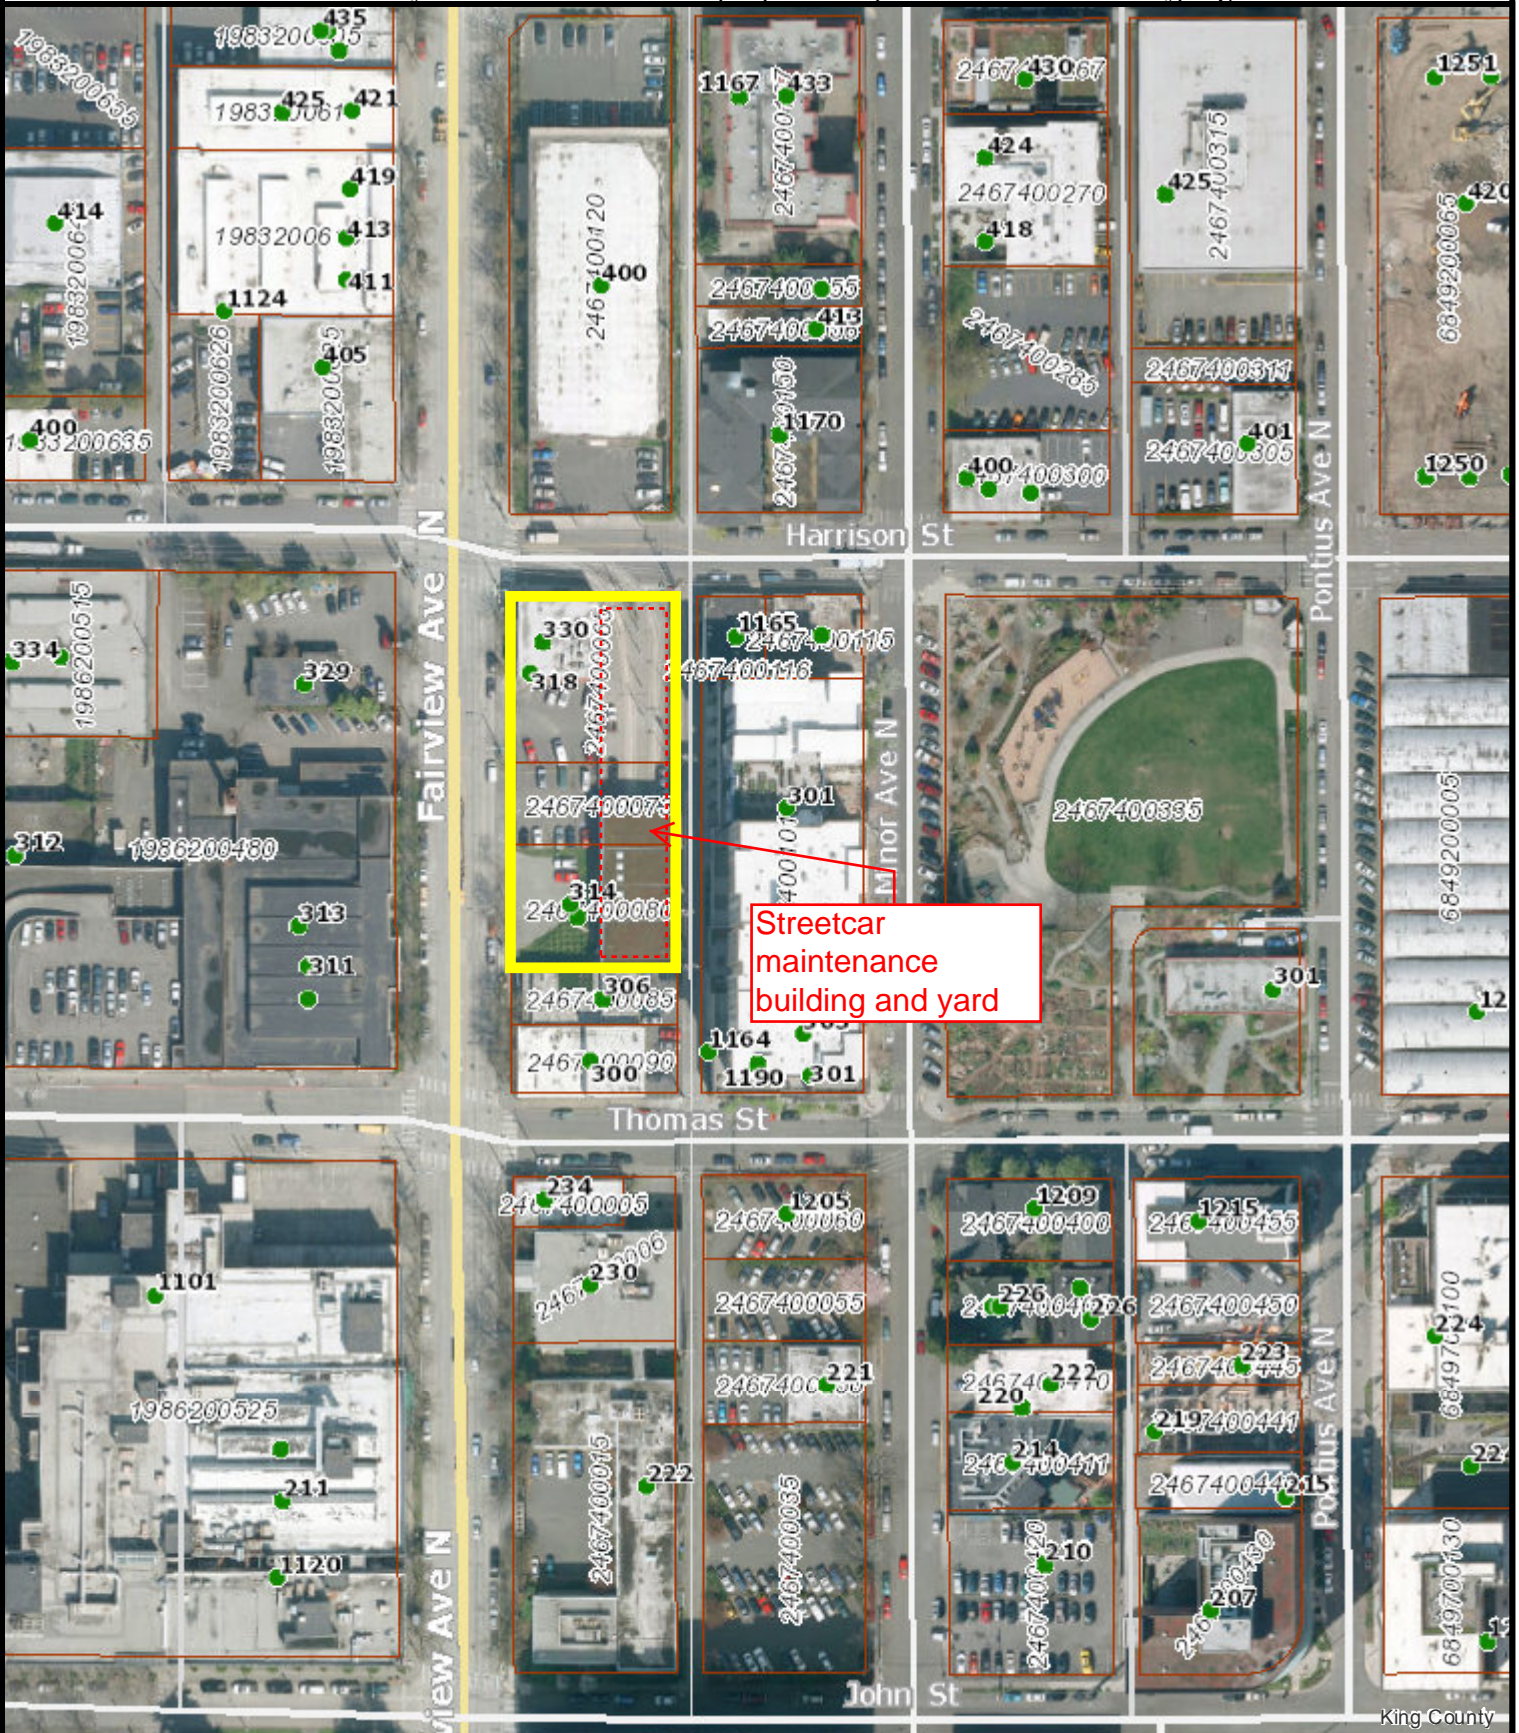

- a) **Does the legislation have indirect financial implications, or long-term implications?**  
 The South Lake Union property is being leased to Seattle City Light (SCL) to house their construction management team that is working on a construction project in the area. The revenues from their lease payments will be deposited into the Streetcar Subfund to partially offset the interest accrued.
- b) **What is the financial cost of not implementing the legislation?**  
 We would have to sell the property now and risk having to re-purchase it in the future if the additional streetcar facility is needed.
- c) **Does this legislation affect any departments besides the originating department?**  
 Department of Finance and Administrative Services will administer the loan.
- d) **What are the possible alternatives to the legislation that could achieve the same or similar objectives?**  
 Sell the property now and risk having to re-purchase it in the future if the additional streetcar facility is needed.
- e) **Is a public hearing required for this legislation?**  
 No.
- f) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**  
 No.
- g) **Does this legislation affect a piece of property?**  
 Yes, surplus property adjacent to the Streetcar Maintenance Facility and Yard at 318 Fairview Avenue North.
- h) **Other Issues:**
