**Legislation Title:**

AN ORDINANCE authorizing, in 2014, acceptance of funding from non-City sources; authorizing the heads of the Executive Department and the Seattle Fire Department, to accept specified grants and private funding and to execute, deliver, and perform corresponding agreements.

**Summary of the Legislation:**

This Council Bill proposes the acceptance of 3 grants and/or private funds from various agencies and organizations.

**Background:**

During the course of a year, City departments receive grant awards or opportunities for other funding resources that are not anticipated in the Adopted Budget. The City Budget Office formally accepts these funds by compiling departmental grants acceptances and similar agreements into four separate ordinances in the first, second, third and fourth quarter of the year. The attached ordinance contains grant-related requests received during the third quarter of 2014.

<b>Item</b>	<b>Title/Description</b>	<b>Amount/FTE</b>
	<b>Section 1 – Acceptance</b>	
1.1	NEA Our Town Grant for \$50,000 (Executive/Office of Arts and Culture, Arts Account (00140))	\$50,000
	This item accepts funding in the amount of \$50,000 in the Arts Account BCL from the National Endowment for the Arts. This NEA Our Town grant will support the creation of the Cultural Space Toolkit, a series of Creative Placemaking efforts to support cultural districts in Seattle. The toolkit will provide visioning and implementation strategies to guide neighborhood wayfinding, pop-up space activations, neighborhood cultural plans, and other efforts to benefit artists and arts organizations. This is a matching grant, and the match with City funding is already included in the department's adopted budget (Cultural Facilities funding program). The grant period is September 2014 through December 2015.	
1.2	Grant Funding for the Bio Watch Project (Seattle Fire Department, General Subfund (00100))	\$540,700
	This item accepts funding in the amount of \$540,700 in the Grants and Reimbursables BCL (F6000) from the Department of Homeland Security and Federal Emergency Management Administration. This is a continuation grant for the Bio Watch project which has thirteen air collection sites and is tasked with performing daily air monitoring for the early detection of bio-toxins that would otherwise not be detected until the outbreak of symptoms following the natural incubation period of the toxin. The period of performance for this grant is one year starting on July 1, 2014, and requires no local match. Without this grant, the Fire Department would not be able to perform these monitoring services. No positions are supported by this grant.	
1.3	Reimbursement for Oso Response (Seattle Fire Department, General Subfund (00100))	\$786,255
	This item accepts funding in the amount of \$786,255 in the Grants and Reimbursables BCL (F6000) to reflect reimbursement from Pierce County for the deployment of 35 Seattle firefighters for 21 days to the Oso landslide emergency earlier this year. This reimbursement has been received from the Pierce County Department of Emergency Management, which operates the regional Urban Search and Rescue Team (USAR). The Seattle firefighters deployed to Oso are members of the regional USAR team. This reimbursement reflects the majority of SFD's expenses for the Oso landslide response, with two other reimbursements still pending.
