

CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL 118059

1
2
3
4 AN ORDINANCE granting ProLogis, L.P. permission to maintain and operate an existing truck
5 loading access area in Colorado Avenue South, north of Diagonal Avenue South, abutting
6 4200 East Marginal Way South; for a ten-year term, renewable for two successive ten-
7 year terms; specifying the conditions under which this permit is granted; and providing
8 for the acceptance of the permit and conditions.

9
10 WHEREAS, ProLogis, L.P. has applied for permission to maintain and operate an existing truck
11 loading access area in Colorado Avenue South, north of Diagonal Avenue South, abutting
12 4200 East Marginal Way South; and

13
14 WHEREAS, ProLogis, L.P. operates a distribution facility that supports customers transporting
15 freight from the Port of Seattle and the truck loading access area accommodates large
16 trucks and trailers that use the eastern truck court; and

17
18 WHEREAS, the Colorado Avenue South was constructed around 1986 as part of the
19 redevelopment of the ProLogis, L.P. property at 4200 East Marginal Way South, and was
20 specifically designed to accommodate the operations of the distribution facility including
21 the ways that trucks maneuver, back-in, and access the loading bays; and

22
23 WHEREAS, by Resolution 31480, the City granted conceptual approval for the maintenance and
24 operation of the existing truck loading access area; and

25
26 WHEREAS, the adoption of this ordinance is the culmination of the approval process for the
27 existing truck loading access area to legally occupy a portion of the public right-of-way
28 or other public place, NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

21 Section 1. **Permission.** Subject to the terms and conditions of this ordinance, the City of
22 Seattle ("City") grants permission (also referred to in this ordinance as a permit) to ProLogis,
23 L.P., and its successors and assigns as approved by the Director of the Seattle Department of
24 Transportation ("Director") according to Section 13 of this ordinance (the party named above
25 and each such approved successor and assign is referred to as "Permittee"), to maintain and

1 operate an existing truck loading access area in Colorado Avenue South, north of Diagonal
2 Avenue South, abutting 4200 East Marginal Way South, adjacent in whole or in part to the
3 property legally described as:

21 Section 2. **Term.** The permission granted to Permittee is for a term of ten years starting
22 on the effective date of this ordinance and ending at 11:59 p.m. on the last day of the tenth year.
23 Upon written application made by the Permittee at least 180 days before expiration of the term,
24 the Director or the City Council may renew the permit twice, each time for a successive ten-year
25 term, subject to the right of the City to require the discontinuation of the truck loading access
26 area or to revise by ordinance any of the terms and conditions of the permission granted by this
27 ordinance. The total term of the permission, including renewals, shall not exceed 30 years. The
28 Permittee shall submit any application for a new permission no later than 180 days prior to the
expiration of the then-existing term.

 Section 3. **Protection of utilities.** The permission granted is subject to the Permittee
bearing the expense of any protection, support, or relocation of existing utilities deemed
necessary by the owners of the utilities, and the Permittee being responsible for any damage to

1 the utilities due to the maintenance and operation of the truck loading access area and for any
2 consequential damages that may result from any damage to utilities or interruption in service
3 caused by any of the foregoing.

4 **Section 4. Removal for public use or for cause.** The permission granted is subject to use
5 of the street right-of-way or other public place (collectively, public place) by the City and the
6 public for travel, utility purposes, and other public uses or benefits. The City expressly reserves
7 the right to deny renewal, or terminate the permission at any time prior to expiration of the initial
8 term or any renewal term, and require the Permittee to discontinue the use of the truck loading
9 access area, or any part thereof or installation on the public place, at the Permittee's sole cost and
10 expense in the event that:
11

12 (a) The City Council determines by ordinance that the space occupied by the truck
13 loading access area is necessary for any public use or benefit or that the truck loading access area
14 interferes with any public use or benefit; or
15

16 (b) The Director determines the truck loading access area has been abandoned; or

17 (c) The Director determines any term or condition of this ordinance has been
18 violated, and the violation has not been corrected by the Permittee by the compliance date after a
19 written request by the City to correct the violation (unless a notice to correct is not required due
20 to an immediate threat to the health or safety of the public).
21

22 A City Council determination that the space is needed for, or the truck loading access area
23 interferes with, a public use or benefit is conclusive and final without any right of the Permittee
24 to resort to the courts to adjudicate the matter.
25

26 **Section 5. Permittee's obligation to remove and restore.** If the permission granted is
27 terminated by the City, then by the date stated in an ordinance or order requiring discontinuation
28

1 of the truck loading access area, the Permittee shall, at its own expense, discontinue use of the
2 truck loading access area and all of the Permittee's equipment and property from the public place
3 and replace and restore all portions of the public place that may have been disturbed for any part
4 of the truck loading access area in as good condition for public use as existed prior to
5 constructing the truck loading access area and in at least as good condition in all respects as the
6 abutting portions of the public place as required by SDOT right-of-way restoration standards.
7

8 Failure to discontinue use of the truck loading access area as required by this section is a
9 violation of Chapter 15.90 of the Seattle Municipal Code (SMC) or successor provision;
10 however, applicability of Chapter 15.90 does not eliminate any remedies available to the City
11 under this ordinance or any other authority. If the Permittee does not timely fulfill its obligations
12 under this section, the City may in its sole discretion restore the public place at the Permittee's
13 expense, and collect such expense in any manner provided by law.
14

15 Upon the Permittee's completion of restoration in accordance with this section, or upon
16 the City's completion of restoration and the Permittee's payment to the City for the City's
17 restoration costs, the Director shall then issue a certification that the Permittee has fulfilled its
18 restoration obligations under this ordinance. Upon prior notice to the Permittee and entry of
19 written findings that it is in the public interest, the Director may, in the Director's sole discretion,
20 conditionally or absolutely excuse the Permittee from compliance with all or any of the
21 Permittee's obligations under this section.
22

23 **Section 6. Repair or reconstruction.** The truck loading access area shall remain the
24 exclusive responsibility of the Permittee and the Permittee shall maintain the truck loading
25 access area in good and safe condition for the protection of the public. The Permittee shall not
26 repair or construct anything in the truck loading access area except in strict accordance with
27

1 plans and specifications approved by the Director. The Director may, in the Director's judgment,
2 order the truck loading access area repaired at the Permittee's cost and expense because of: the
3 deterioration or unsafe condition of the truck loading access area; the installation, construction,
4 reconstruction, maintenance, operation, or repair of any municipally-owned public utilities; or
5 for any other cause.

6 **Section 7. Failure to correct unsafe condition.** After written notice to the Permittee and
7 failure of the Permittee to correct an unsafe condition within the time stated in the notice, the
8 Director may order the truck loading access area be closed at the Permittee's expense if the
9 Director deems that the truck loading access area has become unsafe or creates a risk of injury to
10 the public. If there is an immediate threat to the health or safety of the public, a notice to correct
11 is not required.

12 **Section 8. Continuing obligations.** Notwithstanding termination or expiration of the
13 permission granted, or closure of the truck loading access area, the Permittee shall remain bound
14 by all of its obligations under this ordinance until the Director has issued a certification that the
15 Permittee has fulfilled its restoration obligations under Section 5 of this ordinance.

16 Notwithstanding the issuance of that certification, the Permittee shall continue to be bound by
17 the obligations in Section 9 of this ordinance and shall remain liable for any unpaid fees assessed
18 under Section 15 of this ordinance.

19 **Section 9. Release, hold harmless, indemnification, and duty to defend.** The
20 Permittee, by accepting the terms of this ordinance, releases the City, its officials, officers,
21 employees, and agents from any and all claims, actions, suits, liability, loss, costs, expense,
22 attorneys' fees, or damages of every kind and description arising out of or by reason of the truck
23
24
25
26
27
28

1 loading access area or this ordinance, including but not limited to claims resulting from injury,
2 damage, or loss to the Permittee or the Permittee's property.

3 The Permittee agrees to at all times defend, indemnify, and hold harmless the City, its
4 officials, officers, employees, and agents from and against all claims, actions, suits, liability,
5 loss, costs, expense, attorneys' fees, or damages of every kind and description, excepting only
6 damages that may result from the sole negligence of the City, that may accrue to, be asserted by,
7 or be suffered by any person or property including, without limitation, damage, death or injury to
8 members of the public or to the Permittee's officers, agents, employees, contractors, invitees,
9 tenants, tenants' invitees, licensees, or successors and assigns, arising out of or by reason of:
10

11 (a) The existence, condition, modification, maintenance, operation, or use of the truck
12 loading access area or any portion thereof, or the use, occupation, or restoration of the public
13 place or any portion thereof by the Permittee or any other person or entity;

14 (b) Anything that has been done or may at any time be done by the Permittee by reason of
15 this ordinance; or
16

17 (c) The Permittee failing or refusing to strictly comply with every provision of this
18 ordinance; or arising out of or by reason of the truck loading access area or this ordinance in any
19 other way.
20

21 If any suit, action, or claim of the nature described above is filed, instituted, or begun
22 against the City, the Permittee shall upon notice from the City defend the City, with counsel
23 acceptable to the City, at the sole cost and expense of the Permittee, and if a judgment is
24 rendered against the City in any suit or action, the Permittee shall fully satisfy the judgment
25 within 90 days after the action or suit has been finally determined, if determined adversely to the
26 City. If it is determined by a court of competent jurisdiction that Revised Code of Washington
27

1 (RCW) 4.24.115 applies to this ordinance, then in the event claims or damages are caused by or
2 result from the concurrent negligence of the City, its agents, contractors, or employees, and the
3 Permittee, its agents, contractors, or employees, this indemnity provision shall be valid and
4 enforceable only to the extent of the negligence of the Permittee or the Permittee's agents,
5 contractors, or employees.

6
7 Section 10. **Insurance.** For as long as the Permittee exercises any permission granted by
8 this ordinance and until the Director has issued a certification that the Permittee has fulfilled its
9 restoration obligations under Section 5 of this ordinance, the Permittee shall obtain and maintain
10 in full force and effect, at its own expense, insurance and/or self-insurance that protects the
11 Permittee and the City from claims and risks of loss from perils that can be insured against under
12 commercial general liability (CGL) insurance policies in conjunction with:

13
14 (a) Modification, operation, maintenance, use, or existence, of the truck loading
15 access area or any portion thereof, as well as restoration of any disturbed areas of the public
16 place in connection with restoration of the truck loading access area;

17 (b) The Permittee's activity upon or the use or occupation of the public place
18 described in Section 1 of this ordinance; and

19 (c) Claims and risks in connection with activities performed by the Permittee by
20 virtue of the permission granted by this ordinance.

21
22 Minimum insurance requirements are CGL insurance written on an occurrence form at least as
23 broad as the Insurance Services Office (ISO) CG 00 01. The City requires insurance coverage to
24 be placed with an insurer admitted and licensed to conduct business in Washington State or with
25 a surplus lines carrier pursuant to RCW Chapter 48.15. If coverage is placed with any other
26

1 insurer or is partially or wholly self-insured, such insurer(s) or self-insurance is subject to
2 approval by the City's Risk Manager.

3 Minimum limits of liability shall be \$2,000,000 per Occurrence; \$4,000,000 General
4 Aggregate; \$2,000,000 Products/Completed Operations Aggregate, including Premises
5 Operations; Personal/Advertising Injury; Contractual Liability. Coverage shall include the "City
6 of Seattle, its officers, officials, employees and agents" as additional insureds for primary and
7 non-contributory limits of liability subject to a Separation of Insureds clause.
8

9 Within 60 days after the effective date of this ordinance, the Permittee shall provide to
10 the City, or cause to be provided, certification of insurance coverage including an actual copy of
11 the blanket or designated additional insured policy provision per the ISO CG 20 12 endorsement
12 or equivalent. The insurance coverage certification shall be delivered or sent to the Director or to
13 the Department of Transportation (SDOT) at an address as the Director may specify in writing
14 from time to time. The Permittee shall provide a certified complete copy of the insurance policy
15 to the City promptly upon request.
16

17 If the Permittee is self-insured, a letter of certification from the Corporate Risk Manager
18 may be submitted in lieu of the insurance coverage certification required by this ordinance, if
19 approved in writing by the City's Risk Manager. The letter of certification must provide all
20 information required by the City's Risk Manager and document, to the satisfaction of the City's
21 Risk Manager, that self-insurance equivalent to the insurance requirements of this ordinance is in
22 force. After a self-insurance certification is approved, the City may from time to time
23 subsequently require updated or additional information. The approved self-insured Permittee
24 must provide 30 days' prior notice of any cancellation or material adverse financial condition of
25
26
27
28

1 its self-insurance program. The City may at any time revoke approval of self-insurance and
2 require the Permittee to obtain and maintain insurance as specified in this ordinance.

3 In the event that the Permittee assigns or transfers the permission granted by this
4 ordinance, the Permittee shall maintain in effect the insurance required under this section until
5 the Director has approved the assignment or transfer pursuant to Section 13 of this ordinance.
6

7 **Section 11. Contractor insurance.** The Permittee shall contractually require that any
8 and all of its contractors performing work on any premises contemplated by this permit name the
9 “City of Seattle, its officers, officials, employees and agents” as additional insureds for primary
10 and non-contributory limits of liability on all CGL, Automobile and Pollution liability insurance
11 and/or self-insurance. The Permittee shall also include in all contract documents with its
12 contractors a third-party beneficiary provision extending to the City construction indemnities and
13 warranties granted to the Permittee.
14

15 **Section 12. Adjustment of insurance requirements.** The Director may adjust minimum
16 liability insurance levels requirements during the term of this permission. If the Director
17 determines that an adjustment is necessary to fully protect the interests of the City, the Director
18 shall notify the Permittee of the new requirements in writing. The Permittee shall, within 60 days
19 of the date of the notice, provide proof of the adjusted insurance levels to the Director.
20

21 **Section 13. Consent for and conditions of assignment or transfer.** The permission
22 granted by this ordinance shall not be assignable or transferable by operation of law; nor shall the
23 Permittee transfer, assign, mortgage, pledge or encumber the same without the Director’s
24 consent, which the Director shall not unreasonably refuse. The Director may approve assignment
25 or transfer of the permission granted by this ordinance to a successor entity only if the successor
26 or assignee has accepted in writing all of the terms and conditions of the permission granted by
27
28

1 this ordinance; has provided, at the time of the acceptance, the certification of insurance
2 coverage required under this ordinance; and has paid any fees due under Section 15 of this
3 ordinance. Upon the Director's approval of an assignment or transfer, the rights and obligations
4 conferred on the Permittee by this ordinance shall be conferred on the successors and assigns.
5 Any person or entity seeking approval for an assignment or transfer of the permission granted by
6 this ordinance shall provide the Director with a description of the current and anticipated use of
7 the truck loading access area.
8

9 Section 14. **Inspection fees.** The Permittee shall, as provided by SMC Chapter 15.76 or
10 successor provision, pay the City the amounts charged by the City to inspect the truck loading
11 access area during times deemed necessary by the City. An inspection or approval of the truck
12 loading access area by the City shall not be construed as a representation, warranty, or assurance to
13 the Permittee or any other person as to the safety, soundness, or condition of the truck loading
14 access area. Any failure by the City to require correction of any defect or condition shall not in any
15 way limit the responsibility or liability of the Permittee.
16

17 Section 15. **Annual fee.** Beginning on the effective date of this ordinance, and annually
18 thereafter, the Permittee shall promptly pay to the City, upon statements or invoices issued by the
19 Director, an annual fee of \$36,364.61, or as adjusted annually thereafter, for the privileges
20 granted by this ordinance.
21

22 Adjustments to the annual fee shall be made in accordance with a term permit fee
23 schedule adopted by the City Council and may be made every year. In the absence of a schedule,
24 the Director may only increase or decrease the previous year's fee to reflect any inflationary
25 changes so as to charge the fee in constant dollar terms. This adjustment will be calculated by
26 adjusting the previous year's fee by the percentage change between the two most recent year-end
27

1 values available for the Consumer Price Index for the Seattle-Tacoma-Bremerton Area, All
2 Urban Consumers, All Products, Not Seasonally Adjusted. All payments shall be made to the
3 City Finance Director for credit to the Transportation Operating Fund.

4 **Section 16. Compliance with other laws.** Permittee shall maintain and operate the truck
5 loading access area in compliance with all applicable federal, state, County and City laws and
6 regulations. Without limitation, in all matters pertaining to the truck loading access area, the
7 Permittee shall comply with the City's laws prohibiting discrimination in employment and
8 contracting including Seattle's Fair Employment Practices Ordinance, Chapter 14.04, and Fair
9 Contracting Practices code, Chapter 14.10 (or successor provisions).

10 **Section 17. Acceptance of terms and conditions.** The Permittee shall deliver to the
11 Director its written signed acceptance of the terms of this ordinance within 60 days after the
12 effective date of this ordinance. The Director shall file the written acceptance with the City
13 Clerk. If no such acceptance is received within that 60-day period, the privileges conferred by
14 this ordinance shall be deemed declined or abandoned and the permission granted deemed lapsed
15 and forfeited and the Permittee shall, at its own expense, restore the truck loading access area
16 and all of the Permittee's equipment and property and restore all portions of the public place as
17 provided in Section 5 of this ordinance.

18 **Section 18. Obligations run with the Property.**

19 The obligations and conditions imposed on the Permittee by and through this ordinance
20 are covenants that run with the land and bind subsequent owners of the property adjacent to the
21 truck loading access are and legally described in Section 1 of this ordinance (the "Property"),
22 regardless of whether the Director has approved assignment or transfer of the permission granted
23 by this Permission to such subsequent owners. At the request of the Director, Permittee shall
24

1 provide to the Director a current title report showing the identity of all owners of the Property
2 and all encumbrances on the Property. The Permittee shall, within 60 days of the effective date
3 of this ordinance, and prior to conveying any interest in the Property, deliver to the Director upon
4 a form to be supplied by the Director, a covenant agreement imposing the obligations and
5 conditions set forth in this ordinance, signed and acknowledged by the Permittee and any other
6 owners of the Property and recorded with the King County Recorder's Office. The Director shall
7 file the recorded covenant agreement with the City Clerk. The covenant agreement shall
8 reference this ordinance by its ordinance number. At the request of the Director, Permittee shall
9 cause encumbrances on the Property to be subordinated to the covenant agreement.
10

11 Section 19. **Section titles.** Section titles are for convenient reference only and do not
12 modify or limit the text of a section.

Legislation Title: AN ORDINANCE granting ProLogis, L.P. permission to maintain and operate an existing truck loading access area in Colorado Avenue South, north of Diagonal Avenue South, abutting 4200 East Marginal Way South; for a ten-year term, renewable for two successive ten-year terms; specifying the conditions under which this permit is granted; and providing for the acceptance of the permit and conditions.

Summary of the Legislation:

This legislation grants ProLogis, L.P. permission to maintain and operate an existing truck loading access area in Colorado Avenue South, north of Diagonal Avenue, abutting 4200 East Marginal Way South. The purpose of the truck loading access area is to maintain access for trucks and trailers to the ProLogis, L.P. eastern truck court. An area map is attached for reference.

This permit is for a ten-year term, renewable for two successive ten-year terms. The legislation has an insurance provision as recommended by the City's Risk Manager, specifies the conditions under which authorization is granted, and provides for acceptance of the permit and conditions.

The ordinance requires ProLogis, L.P. to pay the City an annual fee of \$36,364.61 commencing on the effective date of this ordinance, and annually thereafter. Adjustments to the annual fee may be made every year and if so made shall be calculated in accordance with a term permit fee schedule adopted by the City Council by Ordinance 123485. An Street Use Annual Fee Assessment is attached for reference.

Background:

ProLogis, L.P. operates a distribution facility at 4200 East Marginal Way that supports customers transporting freight from the Port of Seattle.

In 1986, this portion of Colorado Avenue South was reconstructed as a requirement of the redevelopment of the property that ProLogis, L.P. currently owns and operates. This portion of Colorado Avenue South was specifically designed to accommodate the operations of this facility, including the way that trucks maneuver, back-in, and access the loading bays on east side of the building. Colorado Avenue South currently operates the way in which it should to accommodate the facility.

By Resolution 31480, the City granted conceptual approval for the existing truck loading access area.

Other Implications:

a) **Does the legislation have indirect financial implications, or long-term implications?**
No.

b) **What is the financial cost of not implementing the legislation?**

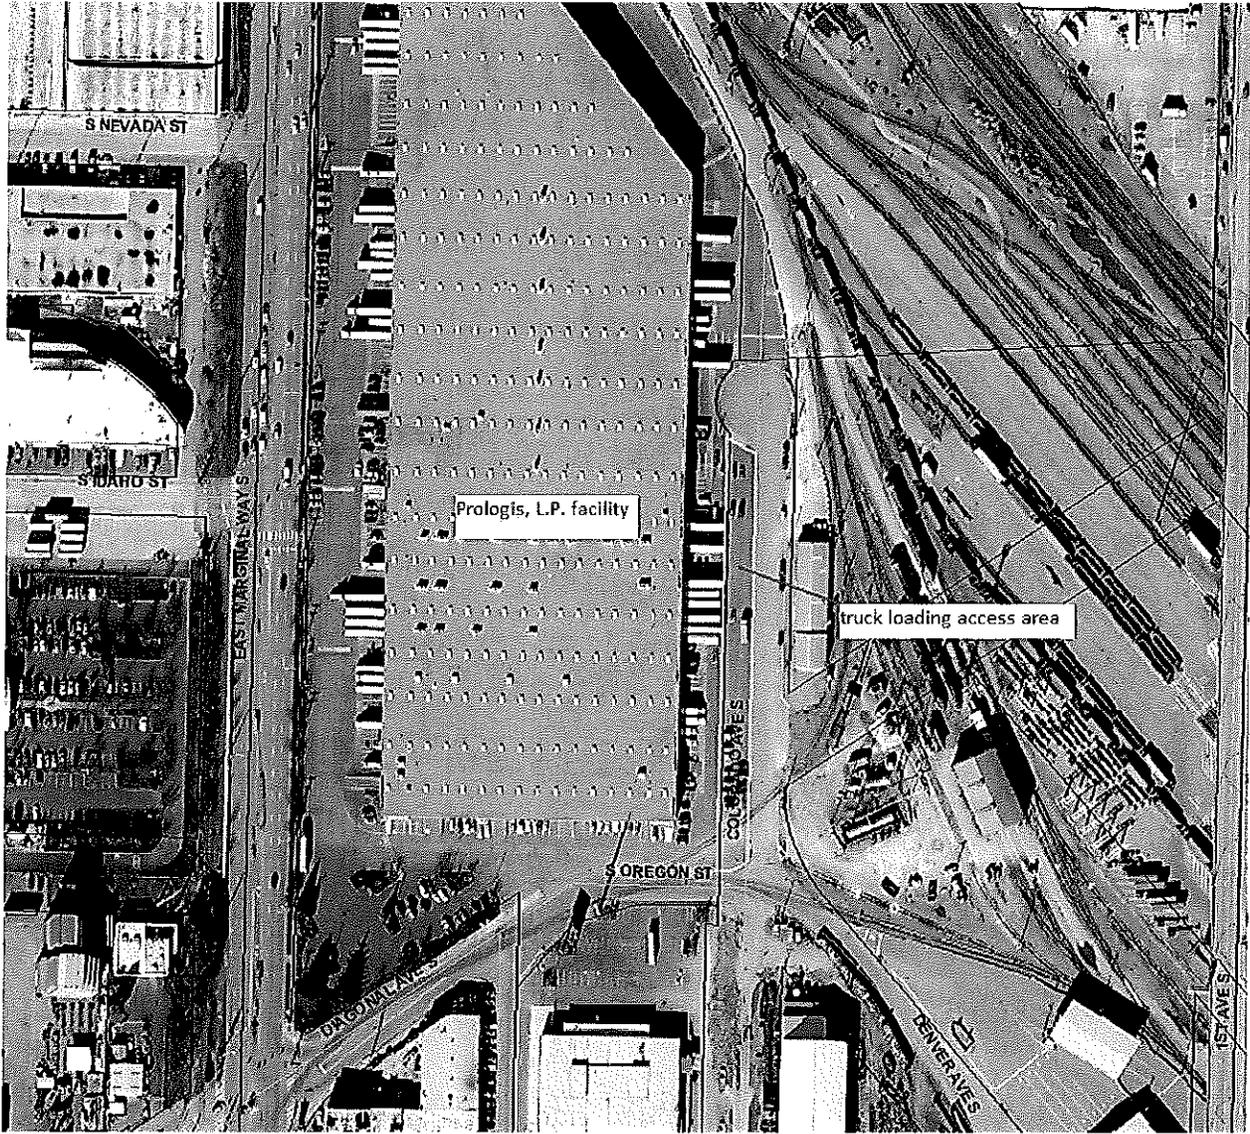

If the legislation is not enacted by the City Council, the City of Seattle will not receive the annual fee of \$36,364.61. As previously stated, the City of Seattle has the option to adjust the fee amount on an annual basis.

- c) **Does this legislation affect any departments besides the originating department?**
No.
- d) **What are the possible alternatives to the legislation that could achieve the same or similar objectives?**
ProLogis, L.P. could continue to operate their existing truck loading access area without a term permit ordinance. ProLogis, L.P may be subject to the risk of having to remove this use from the public place upon shorter notice than the term permit ordinance would require.
- e) **Is a public hearing required for this legislation?**
No.
- f) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**
No.
- g) **Does this legislation affect a piece of property?**
Yes, the abutting ProLogis, L.P. property at 4200 East Marginal Way South.

Honorable Tim Burgess
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Burgess:

I am pleased to transmit the attached proposed Council Bill that will grant ProLogis, L.P. permission to maintain and operate an existing truck loading access area in Colorado Avenue South, north of Diagonal Avenue South, abutting 4200 East Marginal Way South.

ProLogis, L.P. operates a distribution facility that supports customers transporting freight from the Port of Seattle. The purpose of the ProLogis, L.P. truck loading access area is to accommodate large trucks and trailers that use the ProLogis, L.P. eastern truck court. In 1986, this portion of Colorado Avenue South was reconstructed as part of the redevelopment of the site to accommodate the operations of the facility, specifically the way that trucks maneuver, back-in, and access the east side of the building. Colorado Avenue South currently operates the way in which it should to accommodate the facility.

Thank you for your consideration of this Council Bill. Should you have any questions, please contact Angela Steel at 684-5967.

Sincerely,

Edward B. Murray
Mayor of Seattle
