PREAMBLE

THIS AGREEMENT is between the City of Seattle (hereinafter called the "City") and the Washington State Council of County and City Employees, Local 21-PA, AFSCME, AFL-CIO (hereinafter called the "Union") for the purpose of setting forth the mutual understanding of the parties as to wages, hours, and other conditions of employment of those employees for whom the City has recognized the Union as the collective bargaining representative.

Whenever words denoting gender are used in this Agreement, they are intended to apply equally to either gender.

NONDISCRIMINATION STATEMENT

The City and the Association agree that neither Party will unlawfully discriminate against any employee because of race, color, age, sex, marital or military status, sexual orientation, political ideology or affiliation, creed, religion, ancestry, national origin, participation or lack of participation in Union activities, or the presence of any sensory, mental, or physical disability, unless based on a bona fide occupational qualification to the extent allowed by applicable law.

ARTICLE 1 RECOGNITION AND BARGAINING UNIT

- 1.1 The City hereby recognizes the Union as the exclusive collective bargaining representative for collective bargaining purposes of all full-time and regular part-time Assistant City Prosecutors of the City of Seattle in the Criminal Division, and all full-time and regular part-time Assistant City Attorneys in the Precinct Liaison Division excluding supervisors, confidential employees, and all other employees in both Divisions.
- 1.2 The terms "employee," "Assistant City Prosecutor," "Precinct Liaison Attorney," and "Union member" shall only include paid Assistant City Prosecutors in the Criminal Division and Assistant City Attorneys in the Precinct Liaison Division and shall not be defined to include volunteers.
- 1.3 The Parties recognize that providing opportunities for law students and attorneys to serve as interns, externs, and volunteers is a valuable service, both to the legal community and to the City. The Law Department therefore retains the right to use interns, externs, and volunteers to the extent it deems appropriate.

ARTICLE 2 RIGHTS OF MANAGEMENT

- 2.1 **Retained Rights:** The management of the Law Department and its employees are vested by the City Charter exclusively in the City Attorney. Except where limited by an express provision of this Agreement, the City Attorney has the sole right to manage and direct all

operations of the Law Department and to control its budget in an effective manner. A nonexclusive listing of examples of such rights includes the rights:

- a. To appoint, hire, assign, transfer, promote, discipline, or discharge employees;
- b. To determine the methods and personnel necessary for providing services of the Law Department, including the creation and execution of policy; changes in the exercise of prosecutorial discretion; increase or diminution or change of operations and the introduction of any new, improved, or automated methods or equipment;
- c. To set standards of work performance and to evaluate work performance;
- d. To determine work schedules and the location of work assignments and offices;
- e. To contract for any and all services on the basis of: 1) the need for specialized expertise, 2) cost savings to the City, or 3) workload(s) above the capacity of the work force. Before contracting for bargaining unit work, the Department will normally provide thirty (30) calendar days' notice to the Union, which shall include a description of the services to be performed and an explanation of the reason(s) for the action.
- f. To temporarily assign employees to a specific job or position outside the bargaining unit or out of class;
- g. To assign attorneys from other Law Department units to perform work in the Criminal Division or the Precinct Liaison Division on an emergency or temporary basis not to exceed six (6) months unless a longer period of time is mutually agreed upon, without incurring any obligation of the City or of the assigned employee to the Union subject to Article 1; and
- h. To take actions necessary in emergencies to assure the proper functioning of the Law Department.

2.2 **Notice and Opportunity to Bargain:** The City Attorney or designee will notify the Union of changes to wages, hours, or working conditions prior to implementation. The Union may agree to the changes or may give notice to the City Attorney or designee of its intent to negotiate the changes or their effect prior to implementation. The Union will give such notice within thirty (30) calendar days of receiving notice of the changes from the City Attorney or designee. The City Attorney or designee may assume that the changes are acceptable to the Union if no demand for bargaining is made within that time. If a demand to bargain is made within that timeframe, the parties will commence negotiations in a timely manner.

ARTICLE 3
UNION SECURITY

- 3.1 The Union has the right to encourage all employees in the bargaining unit to become and remain members in good standing of the Union, and the Union accepts its responsibility to fairly represent all employees in the bargaining unit regardless of membership status.
- 3.2 The City shall deduct from the paycheck of each employee who has so authorized it the regular dues uniformly required of members of the Union, or an agency fee. The amounts deducted shall be transmitted to the Union on behalf of the employees involved on the payday following each pay period. Authorization by the employee shall be on a form approved by the parties and may be revoked by the employee upon request.
- 3.3 On or before the date of employment within the bargaining unit the City shall, on a standard written form, inform each individual so employed of his or her inclusion within the bargaining unit.
- 3.4 Within thirty (30) calendar days of the first day of employment for each individual so employed the City shall, on a standard written form, notify the Union of the following information: name, address, job classification, job location, and date of hire into the bargaining unit.
- 3.5 All employees covered by this Agreement who voluntarily are, or who voluntarily become, members of the Union in good standing on or after the date of signing of this Agreement or the date of commencement of employment with the City, whichever is the later date, shall, subject to the requirement of applicable law, remain members of the Union during the term of this Agreement.
- 3.6 It is recognized that proper negotiations and administration of negotiated agreements entail expense which is appropriately shared by all employees within the bargaining unit. To this end, each employee within the bargaining unit will be required, as a condition of employment, to pay to the Union the regular monthly dues uniformly required of members, or shall pay an amount determined by the Union in compliance with the requirements of applicable law to the Union as an agency fee. This obligation (as a condition of employment) shall commence thirty (30) calendar days following the employee's date of hire or thirty (30) calendar days following the effective date of this Agreement, whichever is later.
- 3.7 Employees covered by this Agreement who have a religious objection to Union membership that satisfies the religious exemption criteria set forth in applicable law shall pay an amount equivalent to regular Union dues and/or agency fees to a nonreligious charity or to another charitable organization mutually agreed upon by the employee affected and the Union. The employee shall furnish written proof that such payment has been made. If the employee and the Union do not reach agreement on such matter, the Public Employment Relations Commission shall designate the charitable organization.

- 3.8 Failure by an employee to abide by the afore-referenced provisions shall constitute reason for discharge of such employee; provided, however, it shall be the responsibility of the Union to notify the City in writing when it is seeking discharge of an employee for noncompliance with Sections 3.5 and 3.6 of this Article. When an employee fails to fulfill the Union security obligations set forth within this Article, the Union shall forward a "Request for Discharge Letter" to the City Attorney with copies to the affected employee and the City Director of Labor Relations. Accompanying the Discharge Letter shall be a copy of the letter to the employee from the Union explaining the employee's obligation under Article 3.
- 3.9 The "Request for Discharge Letter" shall specifically request the discharge of the employee for failure to abide by Sections 3.5 and 3.6 of Article 3, but provide the employee and the City with thirty (30) calendar day's written notification of the Union's intent to require discharge, during which time the employee may make restitution in the amount which is overdue. Upon receipt of the Union's request, the City Attorney shall give notice in writing to the employee, with a copy to the Union and the City Director of Labor Relations, that the employee faces discharge upon the request of the Union at the end of the thirty (30) calendar day period noted in the Union's "Request for Discharge Letter" and that the employee has an opportunity before the end of said thirty (30) calendar day period to present to the City Attorney any information relevant to why the City Attorney should not act upon the Union's written request for the employee's discharge.
- 3.10 In the event the employee has not yet fulfilled the obligation set forth within the aforementioned Sections of this Article within the thirty (30) calendar day period noted in the Request for Discharge Letter, the Union shall thereafter reaffirm in writing to the City Attorney, with copies to the affected employee and the City Director of Labor Relations, its original written request for discharge of such employee. Unless sufficient legal explanation or reason is presented by the employee why discharge is not appropriate or unless the Union rescinds its request for the discharge, the City Attorney's Office shall, as soon as possible thereafter, effectuate the discharge of such employee. If the employee has fulfilled the Union security obligation within the thirty-(30) calendar day period, the Union shall so notify the City Attorney in writing, with a copy to the City Director of Labor Relations and the affected employee. If the Union has reaffirmed its request for discharge, the City Attorney shall notify the Union in writing, with a copy to the City Director of Labor Relations and the affected employee, that the City has effectuated the discharge and the specific date such discharge was effectuated, or that the department has not discharged the Employee, setting forth the reason why it has not done so.
- 3.11 The Union will administer the provisions of this Article with regard to membership of employees in accord with its obligations under the law. Any disputes brought by an employee solely concerning the amount of dues or fees and/or the responsibility of the

Union to the employees covered by this Agreement shall not be subject to the grievance and arbitration procedures set forth in this Agreement.

- 3.12 The Union agrees to indemnify and save harmless the City from any and all liability arising from disputes concerning this Article provided this indemnity and/or save harmless shall not apply to any negligence or wrongful act of the City in administering its obligations under this Article.

ARTICLE 4 LABOR-MANAGEMENT COMMITTEE

The Union and the City Attorney agree to hold labor-management meetings as necessary. A meeting may be called upon request of either party to discuss contract or non-contract issues affecting employees covered by this Agreement. The purpose of labor-management meetings is to deal with matters of general concern to both the Union and management.

ARTICLE 5 PERFORMANCE EVALUATIONS, PERFORMANCE MANAGEMENT, AND REPRESENTATION

- 5.1 The City Attorney or designee may provide performance expectations to employees orally or in writing at any time.
- 5.2 **Performance Evaluations:** The Law department is committed to assisting employees in meeting performance expectations and will provide employees feedback regarding their performance through formal performance reviews, informal discussions, and letters of expectation as needed. The performance of every employee will be evaluated annually near the end of the calendar year using the criteria generally applied to Assistant City Prosecutors and Precinct Liaison Attorneys and on a standard evaluation form used by the Law Department for attorneys.
- 5.3 Employees who in the judgment of the City Attorney have failed to comply with established expectations may be suspended or discharged from employment. If an employee is required to attend a meeting the employee reasonably believes could lead to suspension or discharge from employment, the employee shall have the right to be accompanied by a representative of the Union. If an employee desires representation for such a meeting, the employee must notify the City Attorney or designee. The employee will be allowed a reasonable period of time to secure representation.
- 5.4 Prior to such meeting, the employee will be provided sufficient information to reasonably determine the nature of the meeting and the issue(s). Employees shall be advised as to the outcome of such a meeting within a reasonable period of time.

- 5.5 No employee shall be suspended or discharged from employment without first being provided written notice of the reason(s), including the information upon which the action is being contemplated, and an opportunity to meet with the City Attorney prior to a final determination in order to provide any information the employee wishes to provide regarding the action being contemplated. The employee may submit any information the employee deems relevant. If requested by the employee, such information will be placed in the employee's personnel file.
- 5.6 The City and the Union agree that it is in their mutual interests to maintain the confidentiality of such proceedings to the extent that circumstances may reasonably allow, and to complete such proceedings as expeditiously as circumstances allow.
- 5.7 The right to representation shall not extend to discussions with an employee in the normal course of business, such as giving instructions, assigning or evaluating work, informal discussions, delivery of paperwork, staff, or work unit meetings, or other routine communications with an employee.
- 5.8 Nothing in this Agreement is intended to limit or modify an employee's status as an at-will employee of the Law Department.

ARTICLE 6
WAGES, PAYROLL DEDUCTION, AND TRAVEL EXPENSES

- 6.1 **Salary Upon Hire:** The City Attorney or designee shall have sole discretion to place newly hired employees at a Step within the Step Progression Pay Program or at a level of the Senior Pay Band commensurate with the new employee's knowledge, skills, years of experience and assigned duties and responsibilities.
- 6.2 **Step Progression Pay Program Salary Range and Steps:** The salary range and steps within the Step Progression Pay Program are set forth in Appendix A.1.
- 6.3 **Advancement within the Step Progression Pay Program:** Employees will automatically advance to the next Step of the Step Progression Pay Program up to Step 6 upon completion of twelve (12) months of actual service at their current Step, provided the employee's most recent annual performance appraisal reflects "meets expectations" or higher level performance in a majority of rating categories.
- a. Actual service shall be defined as one month's service for each month of full-time regular employment, including paid absences. The City Attorney or designee shall have discretion to credit unpaid absences due to sickness or injury at the rate of thirty (30) calendar days per year. Unpaid absences due to other causes may be credited at the rate of fifteen (15) calendar days per year at the discretion of the City Attorney or designee.

- b. Salary increases based on actual service shall become effective on the first day following completion of the time of actual service.
- 6.4 **Initial Implementation of the Step Progression Pay Program:** In moving employees to the Step Progression Pay Program, employees shall be placed at the Step that most closely reflects the employee's actual service with the City as defined in 6.3.a based on the City Attorney or designee's determination of the employee's imputed Step placement as of the date of hire, and that does not result in a reduction in salary or exceed Step 6.
- 6.5 **Senior Pay Band:** The pay range of the Senior Pay Band is set forth in Appendix A.2.
- 6.6 **Assignment to and Advancement within the Senior Pay Band:** The City Attorney or designee shall have sole discretion to increase the salary of individual employees to the Senior Pay Band or within the Senior Pay Band based on the assignment of increased and/or specialized duties and/or responsibilities, recruitment and/or retention, desirable expertise and/or experience, and/or the need for market adjustments determined necessary to address such needs. Increased and/or specialized duties and/or responsibilities shall be defined as duties and/or responsibilities that exceed those typically expected of or assigned to a journey-level employee, such as lead duties and/or responsibilities or training and/or mentoring of new employees.
- 6.7 **Initial Implementation of the Senior Pay Band:** Employees whose salary is within the Senior Pay Band as of the effective date of this initial Agreement shall be incumbency rated at that level. For purposes of this Article, "incumbency rated" shall mean a rate of pay that at all times shall be no less than the current salary of an employee so classified as of the date of this initial Agreement. Subsequent to the effective date of this initial Agreement, the City Attorney or designee shall designate employees who meet the criteria provided in 6.6. Thereafter, such employees may receive an increase subject to the provisions of 6.8. Employees whose salary increases to the Senior Pay band after the effective date of this initial Agreement shall be subject to the provisions of 6.8.
- 6.8 **Movement from the Senior Pay Band to the Step Progression Pay Program:** Except as provided in 6.7, if it is determined by the City Attorney or designee that a salary rate within the Senior Pay Band is no longer warranted for the reasons specified in 6.6, the salary of employees within the Senior Pay Band may be reduced to Step 6 of the Step Progression Pay Program if or when the conditions specified in 6.6 no longer exist or apply, such as the employee is no longer assigned increased and/or specialized duties or responsibilities.
- 6.9 **Payroll Deduction of Public Transportation and Parking Costs:** The City shall continue to provide payroll deduction for the payment of an employee's share of costs for public transportation and/or parking in a City-owned facility so that such costs may be paid pre-tax consistent with applicable City and IRS rules and regulations.

- 6.10 **Travel Expenses:** When traveling outside the City at the direction of the City Attorney or designee, employees shall be reimbursed for:
- a. Actual expenses incurred for registration fees for conventions, seminars, or similar events.
 - b. Actual expenses incurred or the standard mileage rate set by the Personnel Director, if reimbursement for mileage does not exceed the round-trip coach-class airfare of a common carrier.
 - c. Actual expenses incurred for meals when travel outside the City is not a routine or normal part of the employee's job and the reimbursement does not exceed the amount established by the City's Finance Director.
 - d. Actual expenses for automobile rental or other local transportation.
 - e. Actual necessary expenses for lodging, if costs do not exceed the amount set by the City's Finance Director.
 - f. Other reasonably necessary expenses related to the City business being performed, including, but not limited to, writing materials, reading materials, and telecommunications.
- 6.11 **Retirement and Deferred Compensation Program:** Employees are eligible to become members of the Seattle City Employees Retirement System as provided in SMC 4.36.100, and may participate in the City of Seattle's Deferred Compensation Plan as provided in SMC 4.38.010 and applicable City and IRS rules and regulations.

ARTICLE 7
HOURS OF WORK, OCCASIONAL ABSENCES,
WEEKEND AND HOLIDAY WORK, AND INCLEMENT WEATHER

- 7.1 As attorneys, Assistant City Prosecutors and Precinct Liaison Attorneys are exempt from the federal Fair Labor Standards Act (FLSA) and the Washington Minimum Wage Act. It is anticipated that employees will frequently find it necessary to work in excess of forty (40) hours per week. Employees shall fulfill their professional responsibilities with no expectation of overtime compensation, and are allowed discretion in structuring their workday to ensure that they can fulfill those responsibilities.
- 7.2 **Occasional Absences of Less than Four Hours:**
- a. Employees are not required to use paid leave for occasional absences of four (4) hours or less during a workday, and shall be paid their regular salary despite such absence.

- b. Employees must notify their supervisor in advance of such absences, and must schedule such absence to cause the least impact on the department and the employee's ability to produce his or her expected work outcomes.
- c. In order to meet the needs of the department, employee work outcomes, or where such absences are no longer deemed occasional, employees may be denied permission for such absence or required to reschedule the absence at the discretion of his/her supervisor.

7.3 Weekend and Holiday Courtroom Work:

- a. The Chief of the Criminal Division or designee will normally seek volunteers to work weekend and holiday Courtroom calendars at least thirty (30) calendar days in advance of the need for weekend or holiday work. If there are insufficient volunteers by two weeks before the date on which work must be done, the Chief or designee will assign employees for such work.
- b. Except for employees assigned to work weekend or holiday Courtroom calendars as a part of their regular work schedule, any employee who works a weekend or holiday Courtroom calendar and who has not otherwise adjusted their work hours in that pay period shall receive four (4) hours of compensatory time for four (4) hours or less of work or eight (8) hours of compensatory time for more than four (4) hours of work performed on duties directly related to that specific weekend or holiday Courtroom calendar.
- c. Compensatory time may be accumulated to a maximum of forty (40) hours and in no event shall an employee's total accumulation of compensatory time exceed forty (40) hours.
- d. Compensatory time must be used by no later than one calendar year from the date it is earned. Compensatory time not used within one calendar year of the date it is earned shall be extinguished and considered to have never existed.
- e. Where an employee who has reached the maximum accumulation of compensatory time is required or volunteers to work a weekend or holiday Courtroom calendar, that employee shall receive no additional compensatory time, or shall only be eligible to receive the difference between the employee's current balance and the forty (40) hour maximum.
- f. Compensatory time earned for working weekend or holiday Courtroom calendars is not compensation for additional hours worked. Article 7.3 provides a method for employees to document such time worked so that employees may request time off later in exchange for having worked a weekend day or a holiday, and for the department to track such time earned and used. Such compensatory time earned shall have no cash or monetary value and shall not be cashed out under any circumstance.

- g. Employees must use the City's Employee Self-Serve timekeeping system and the appropriate codes within the system to report compensatory time earned and used.
 - h. Absences for which an employee intends to request compensatory time shall be subject to the department's normal requesting and approval requirements consistent with all categories of leave.
 - i. Compensatory time must be used before vacation leave except where to do so would cause the loss of vacation leave. Compensatory time may be used in lieu of sick leave at the discretion of the City Attorney or designee. Employees may be required to provide certification from a health care provider that an absence for which compensatory time in lieu of sick leave is requested was due to a health related reason.
- 7.4 **Inclement Weather:** The discretion employees are allowed to structure their workdays in order to fulfill their professional responsibilities includes during inclement weather. Employees should use their own good judgment in the event of heavy snowfall or ice conditions. Except for sick leave, employees may request paid leave due to inclement weather.

ARTICLE 8

- 14.2 The City Attorney or designee shall normally provide written notice to employees who are to be reduced at least eight (8) weeks prior to the effective date of the reduction. If the employee is eligible for rehire, he/she will be told in writing. It will be the employee's responsibility to contact the department regarding future hiring needs. - 15.2 Every effort will be made to settle grievances at the lowest possible level of supervision with the understanding that grievances will be filed at the Step in which there is authority to adjudicate, provided the Chief of the Criminal Division or the supervisor of the Precinct Liaison Division and the City Attorney are notified. The City will not impede, restrain, interfere with, coerce, discriminate, or take actions of reprisal against a Union member who seeks adjudication of a grievance.
- 15.3 Grievances processed through Step 2 of the grievance procedure will be heard during normal City work hours unless stipulated otherwise by the parties. Employees involved in such grievance meetings during their normal City work hours will be allowed to do so without suffering a loss in pay, and shall have the right to have a Union Representative present at any meeting. Excluding legal counsel and the grievant, no more than one (1) Union representative may attend the grievance meeting except with the agreement of the City's representative convening the meeting.
- 15.4 Any time limits stipulated in the grievance procedure may be extended for stated periods of time by the appropriate parties by mutual agreement in writing. Failure by an Employee and/or the Union to comply with any time limitation of the procedure in this Article will constitute withdrawal of the grievance. Failure by the City to comply with any time limitation of the procedure in this Article will allow the employee and/or the Union to proceed to the next Step without waiting for the City to reply at the previous Step, except that individual employees may not process a grievance beyond Step 2 as such decision is reserved exclusively for the Union.

- 15.5 Employees may submit a grievance in accordance with this Article and have such grievance adjusted without the intervention of the Union provided such adjustment is consistent with the terms and conditions of this Agreement and the Union has been given reasonable opportunity to be present at any meeting called for the resolution of the grievance. Nothing in this section shall be construed so as to grant individual employees the right to proceed to arbitration.
- 15.6 The following outline of procedure is written as for a grievance of the Union against the City, but it is understood the steps are similar for a grievance of the City against the Union.

Step 1: The grievance shall be submitted in writing by the aggrieved employee and/or the Union within twenty (20) business days of the alleged contract violation to the Chief of the Criminal Division or the supervisor of the Precinct Liaison Division with a copy to the City Attorney. The employee and/or the Union representative will identify in the written grievance the section(s) of the Agreement allegedly violated, the nature of the alleged violation, and the remedy sought. The parties agree to make every effort to settle a grievance at this stage promptly. The Chief or supervisor may consult with such other persons as is necessary to resolve or respond to the grievance, and may arrange for a grievance meeting with the employee and/or Union representative. The Chief of the Criminal Division or the supervisor of the Precinct Liaison Division will answer the grievance in writing within ten (10) business days of receipt of the grievance or of a grievance meeting.

Step 2: If the grievance is not resolved as provided in Step 1 above or if the grievance is initially submitted at Step 2 per Section 15.2, the grievance shall be reduced to written form, which shall include the same information specified in Step 1 above. The grievance shall be forwarded within ten (10) business days after receipt of the Step 1 answer or if the grievance is initially submitted at Step 2, it shall be submitted within twenty (20) business days of the alleged contract violation. Said grievance shall be submitted by the employee and/or the Union to the City Director of Labor Relations with a copy to the City Attorney. The Director of Labor Relations or his/her designee shall investigate the grievance and, if deemed appropriate, may convene a meeting between the appropriate parties. He/she shall thereafter make a confidential recommendation to the City Attorney who will in turn give the employee and/or the Union an answer in writing within twenty (20) working days after receipt of the grievance or the meeting between the parties.

Step 3: If the grievance is not settled at Step 2, either of the signatory parties to this Agreement may submit the grievance to binding arbitration.

Within twenty (20) business days of the Union's receipt of the City's Step 2 response or the expiration of the City's time frame for responding at Step 2, the Union may file a Demand for Arbitration with the City's Director of Labor Relations with a copy to the

City Attorney. Demands for Arbitration will be accompanied by the following information:

- a. Identification of sections of the Agreement allegedly violated.
- b. Nature of the alleged violation.
- c. Remedy sought.

After the Demand for Arbitration is filed, the City and the Union will meet to select, by mutual agreement, an arbitrator to hear the parties' dispute. In the event the parties are unable to agree upon an arbitrator, then the arbitrator shall be selected by alternately striking names from a list of five (5) arbitrators supplied by the Federal Mediation and Conciliation Service or the Public Employee Relations Commission.

In connection with any arbitration proceeding held pursuant to this Agreement, it is understood as follows:

- a. The arbitrator will have no power to render a decision that will add to, subtract from, alter, change, or modify the terms of this Agreement; and his/her power shall be limited to the interpretation or application of the express terms of this Agreement; and all other matters will be excluded from arbitration, including those matters specifically excluded from this grievance and arbitration procedure.
- b. The decision of the arbitrator will be final, conclusive, and binding upon the City, the Union, and the Employee(s) involved.
- c. The cost of the arbitrator will be borne equally by the City and the Union, and each party will bear the cost of presenting its own case.
- d. The arbitrator's decision shall be made in writing and shall be issued to the parties within thirty (30) calendar days after the case is submitted to the arbitrator.
- e. Any arbitrator selected under Step 3 of this Article will function pursuant to the voluntary labor arbitration regulations of the American Arbitration Association unless stipulated otherwise in writing by the parties to this Agreement.
- f. Arbitration awards or grievance settlements will not be made retroactive beyond the date of the occurrence or nonoccurrence upon which the grievance is based, that date being twenty (20) business days or less prior to the initial filing of the grievance.

15.7 **Mediation:** The Union or the City may at any time submit a written request for voluntary mediation assistance to the City Director of Labor Relations with a copy to the Alternative Dispute Resolution (ADR) Coordinator except that a request for mediation shall not substitute for a timely grievance submittal or response. If the ADR Coordinator determines that the case is in line with the protocols and procedures of the ADR process including that the Parties voluntarily agree to participate in mediation, then, within fifteen

(15) business days from receipt of the request for voluntary mediation assistance, the ADR Coordinator or his/her designee will schedule a mediation conference and make the necessary arrangements for the selection of a mediator(s). The mediator(s) will serve as an impartial third party who will encourage and facilitate a resolution to the dispute. The mediation conference(s) will be confidential and will include the Parties. Other persons may attend with the permission of the mediator(s) and both Parties. If the Parties agree to settle the matter, the mediator(s) will assist in drafting a settlement agreement, which the Parties shall sign. An executed copy of the settlement agreement shall be provided to the Parties, with either a copy or a signed statement of the disposition of the grievance submitted to the City Director of Labor Relations and the Union. Legislation Title:

AN ORDINANCE relating to City employment; authorizing the execution of a collective bargaining agreement between the City of Seattle and the Washington State Council of County and City Employees, Local 21-PA to be effective January 2, 2013 through December 31, 2013; and ratifying and confirming prior acts.

Summary of the Legislation:

This legislation authorizes a collective bargaining agreement between the City of Seattle and the Washington State Council of County and City Employees, Local 21-PA ("Local 21-PA"), providing for wages, employment benefits and other conditions of employment effective January 2, 2013 through December 31, 2013. This legislation affects approximately 25 City employees.

This is a first-time collective bargaining agreement between the City and the Local 21-PA bargaining unit. The agreement establishes a step pay plan for union members and provides for a 1.85 percent increase to members' wages in 2013. Union members will participate in the same health plan and cost sharing structure as non-represented employees: the City will pay up to 7 percent of annual healthcare cost increases and then additional costs will be covered by the Rate Stabilization Fund. Once that Fund is exhausted, the City will pay 85 percent and employees will pay 15 percent of any additional costs. Other changes to conditions of employment include the ability for employees to cash out 35 percent of their sick leave balances upon retirement to a voluntary employee benefit association (VEBA), a pre-tax deferral account to cover health care costs; straight-time compensatory time for weekend and holiday work; and a more formalized understanding of members' at-will employment status.

Background:

Certain employees in the Criminal Division and the Precinct Liaison Division of the City Attorney's Office (CAO) certified to become represented in May of 2010. The City and Local 21-PA entered into negotiations and came to an agreement on the wages, benefits and conditions of employment for union members in the fall of 2013.

This legislation does not have any financial implications.

This legislation has financial implications.

Financial impacts of this legislation will be absorbed by CAO and does not require additional

appropriations. Wage adjustments for 2013 were included in the development of the 2012-2013 biennial budget.

Other Implications:

- a) **Does the legislation have indirect financial implications, or long-term implications?**
See above.
- b) **What is the financial cost of not implementing the legislation?**
If the contract is not legislated, employees will continue to receive the same wages that became effective on January 5, 2011. There may be additional legal risks associated with not implementing this legislation.
- c) **Does this legislation affect any departments besides the originating department?**
Yes, this legislation affects the City Attorney's Office. This legislation will impact the CAO's budget and to the extent provided in the collective bargaining agreement, the operational functions of their Local 21-PA union members.
- d) **What are the possible alternatives to the legislation that could achieve the same or similar objectives?** None.
- e) **Is a public hearing required for this legislation?** No.
- f) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?** No.
- g) **Does this legislation affect a piece of property?** No.
- h) **Other Issues:** None.

Dear Council President Clark:

I am pleased to transmit the attached proposed Council Bill that authorizes a collective bargaining agreement between the City of Seattle and the Washington State Council of County and City Employees, Local 21-PA ("Local 21-PA"), providing for wages, employment benefits and other conditions of employment effective January 2, 2013 through December 31, 2013. This legislation affects approximately 25 City employees.

This is a first-time collective bargaining agreement between the City and the Local 21-PA bargaining unit. The agreement establishes a step pay plan for union members and provides for a 1.85 percent increase to members' wages in 2013. Union members will participate in the same health plan and cost sharing structure as non-represented employees: the City will pay up to 7 percent of annual healthcare cost increases and then additional costs will be covered by the Rate Stabilization Fund. Thank you for your consideration of this legislation. Should you have questions, please contact David Bracilano at (206)684-7874 or Sarah Butler at (206)684-7929.
