Legislation Title:

AN ORDINANCE vacating a portion of the alley in Block 9, Plat of Holly Park Phase III, on the petition of the Seattle Housing Authority, a Washington public body corporate and politic (C.F. 306415).

Summary of the Legislation:

This Council Bill completes the vacation process for a portion of the alley in Block 9, Plat of Holly Park Phase III on the petition of the Seattle Housing Authority (SHA) to facilitate Phase III of SHA's development project.

Background:

The Petitioner sought to vacate the diagonal alley between South Webster Street and South Holly Park Drive in Block 9 of the Plat of Holly Park Phase III on SHA's petition that is part of the New Holly neighborhood that replaces obsolete public housing.

On June 28, 2004, the City Council voted to conditionally grant SHA's petition to vacate a portion of this diagonal 16-foot-wide alley. To compensate the City for this alley vacation and replace the portion of the vacated alley, SHA dedicated property to the City in this block to create a straight, widened, and realigned 20-foot-wide alley.

SHA subsequently constructed two two-story-two-bedroom houses with parking on the ground floor and a 12-unit-multi-family apartment building. To meet its public benefit requirement, SHA dedicated additional property to the City to reconnect South Holly Park Drive to Martin Luther King Jr. Way South that will diffuse the increased traffic volume in the area and distribute traffic more evenly. Additionally, the project replaces obsolete public housing, preserves affordable housing in the City, and provides for the integration of a mixed-income community and infrastructure improvements.

This legislation has financial implications.

The Petitioner has met all the conditions and deeded the in-lieu parcel to the City.

c) Does this legislation affect any departments besides the originating department?

No. As part of the initial vacation review process, all interested departments were notified of the vacation petition and asked to comment. Any identified issues were resolved prior to the approval of this final legislation.

Block 9 Plat of Holly Park Phase III Alley Vacation

City of Seattle
Office of the Mayor

August 13, 2013

Honorable Sally J. Clark
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Clark:

I am pleased to transmit the attached proposed Council Bill that would complete a vacation process for the Seattle Housing Authority (SHA). SHA sought to vacate a portion of the diagonal alley between South Webster Street and South Holly Park Drive in Block 9 of the Plat of Holly Park Phase III in the New Holly neighborhood of Seattle to facilitate Phase III of SHA's Holly Park redevelopment project.

On June 28, 2004, the City Council voted to conditionally grant SHA's petition to vacate a portion of this diagonal 16-foot-wide alley. To compensate the City and replace the portion of the vacated alley, SHA dedicated property to the City in this block to create a straight, widened, and realigned 20-foot-wide alley.

SHA has subsequently constructed two two-story-two-bedroom houses with parking on the ground floor, and a 12-unit-multi-family apartment building. To meet its public benefit requirement, SHA dedicated additional property to the City to reconnect South Holly Park Drive to Martin Luther King Jr. Way South that will diffuse the increased traffic volume in the area and distribute it more evenly. Additionally, the project replaces obsolete public housing, preserves affordable housing in the City, provides for the integration of a mixed-income community, and provides infrastructure improvements.

Thank you for your consideration of this legislation. Should you have any questions, please contact Beverly Barnett at 684-7564.

Sincerely,

Michael McGinn
Mayor of Seattle
