

Amendment to Resolution 31503

Sponsor O'Brien

Amend Section 1 Scope of Work as follows:

- ~~3. Exploring ways to phase out the flat rate segment of~~ Asses the value of having three different city regulated segments of the market (taxis, flat rate for-hire vehicles, and transportation network companies) and possibly consider a path for consolidation within the for-hire transportation market;

- ~~12. Explore ways to lower the cost of insurance for drivers including possibly expanding the grades of insurance and providers that satisfy Seattle's insurance requirements;~~

And renumber accordingly.
