

# SEATTLE TRAILS

- 120 Miles of Soft Surface Trail
- Trails enjoyed by all
- 2 FTE Staff Dedicated to Major Maintenance
- Heavy Reliance on Volunteers for Routine Maintenance
- District Support – 800 Hours of Staff Time  
2013

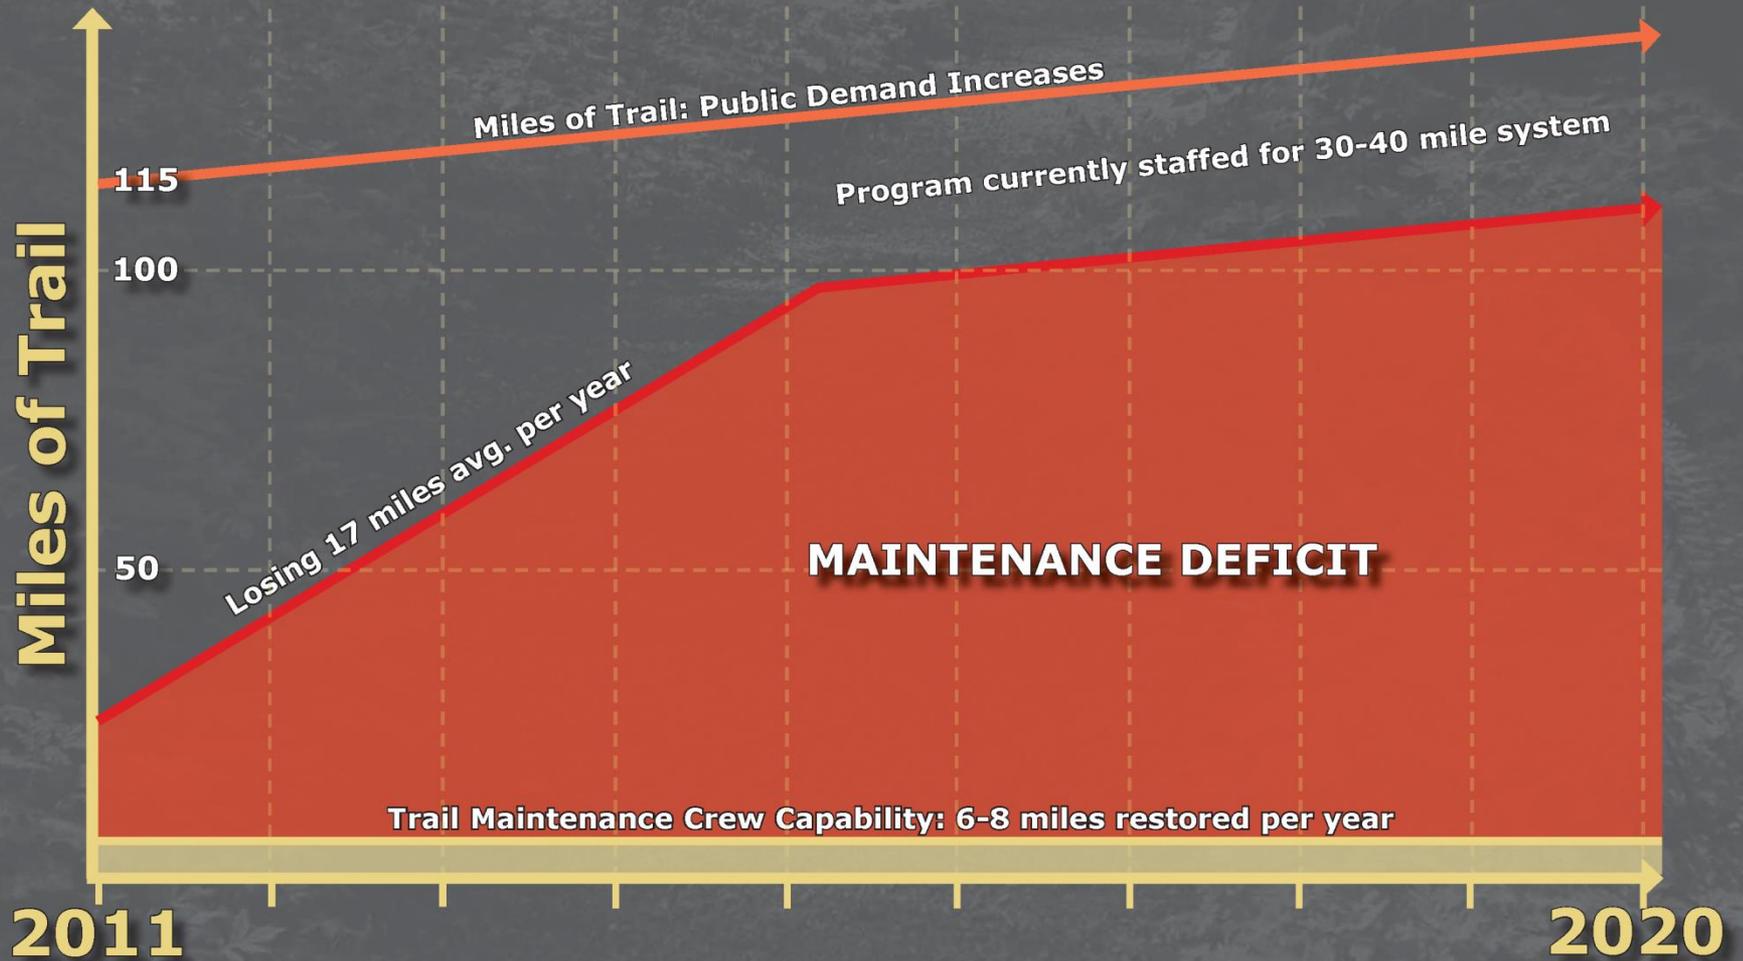

# CURRENT STATE

- The SPR Trails Program is currently responsible for the maintenance and management of over 120 miles of soft-surface trails within 67 forested parks and open spaces.
- Since the program's inception in 1999, the trail system has nearly doubled and staff responsibilities have greatly expanded.
