

**CITY OF SEATTLE**  
**ORDINANCE \_\_\_\_\_**  
**COUNCIL BILL 118312**

AN ORDINANCE relating to the Transit Corridor Improvements project; authorizing the Director of the Department of Transportation to acquire, accept, and record on behalf of the City of Seattle, a deed for street purposes for a portion of Block 2, Lake Union Addition to the City of Seattle, from the Seattle School District No. 1, a municipal corporation of the State of Washington, placing the real property conveyed by such deed under the jurisdiction of the Department of Transportation and designating the property for street purposes; and ratifying and confirming prior acts.

WHEREAS, in April 2012, the City Council approved and unanimously adopted the Transit Master Plan ("TMP") that provides a long range vision for the future of transit in Seattle and identified 16 corridors that form the backbone of the City's public transportation network; and

WHEREAS, the TMP prioritizes improvements for several high-capacity transit corridors throughout the City's infrastructure to meet the anticipated future demand; and

WHEREAS, to that end, the Transit Corridor Improvements project (the "Project") implements multimodal improvements to transit corridors, including three Metro RapidRide lines, to enhance transit speed, reliability, access, safety, convenience, and capacity to move people around the region; and

WHEREAS, to implement the corridor improvements planned for Phase II of the Project along Metro Route 44, it is necessary for the City to acquire property at the intersection of Wallingford Avenue North and North 45<sup>th</sup> Street; NOW, THEREFORE,

**BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

Section 1. The Deed for Street Purposes executed by the Seattle School District No. 1 on September 25, 2014, as Grantor and recorded under King County Recording Number 20141022000078 on October 22, 2014, and legally described in Attachment A, which is incorporated into this ordinance by reference, is hereby accepted.

1           Section 2. The property conveyed by the deed described in Section 1 is placed under the  
2 jurisdiction of the Seattle Department of Transportation, accepted for street purposes, and laid  
3 off, opened, widened, extended, and established as street right-of-way upon the land described in  
4 the deed.

5           Section 3. Any act consistent with the authority of this ordinance taken prior to its  
6 effective date is hereby ratified and confirmed.

7           Section 4. This ordinance shall take effect and be in force 30 days after its approval by  
8 the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it  
9 shall take effect as provided by Seattle Municipal Code Section 1.04.020.

1 Passed by the City Council the \_\_\_\_ day of \_\_\_\_\_, 2014, and  
2 signed by me in open session in authentication of its passage this

**Legislation Title:**

AN ORDINANCE relating to the Transit Corridor Improvements project; authorizing the Director of the Department of Transportation to acquire, accept, and record on behalf of the City of Seattle, a deed for street purposes for a portion of Block 2, Lake Union Addition to the City of Seattle, from the Seattle School District No. 1, a municipal corporation of the State of Washington, placing the real property conveyed by such deed under the jurisdiction of the Department of Transportation and designating the property for street purposes; and ratifying and confirming prior acts.

**Summary and background of the Legislation:**

This legislation authorizes acquisition, acceptance, and recording of a deed for street purposes granted to the City of Seattle by the Seattle School District No. 1 for a portion of property at the southeast corner at the intersection of North 45<sup>th</sup> Street and Wallingford Avenue North. This property is needed to install and maintain a Real Time Information System ("RTIS") sign, along with other improvements, as provided for under the Transit Corridor Improvements project (the "Project"), designates the property for street purposes, and places it under the jurisdiction of the Seattle Department of Transportation ("SDOT").

This Project upgrades several key transit corridors, three of which are planned Metro RapidRide lines. This segment of the Project, the NW Market/45<sup>th</sup> Project, improves Metro Route 44 along with other routes, and consists of the design and construction of a RTIS sign, bus bulbs, queue jumps, and stop consolidation resulting in faster and more reliable service.

This transit corridor links Ballard, Phinney Ridge, Fremont, Wallingford, and the University District and accommodates Metro Route 44 which is one of the most heavily used Metro routes in the system. The Project could speed up this route by up to 20% and is funded by the Bridging the Gap package and other local sources.

It is necessary for the City to purchase and accept this property to install and maintain the RTIS sign and related improvements.

Please check any of the following that apply:

This legislation creates, funds, or anticipates a new CIP Project.

This legislation does not have any financial implications.

Appropriations for the Project are included in the 2015 Adopted Budget and the 2015-2020 Adopted Capital Improvement Program.

**Other Implications:**

a) Does the legislation have indirect financial implications, or long-term implications?

Yes. The City will pay \$26,880 to the property owner as just compensation for the property acquisition necessary to complete the Project.

b) What is the financial cost of not implementing the legislation?

This legislation allows the City to purchase property which is needed to install and maintain an RTIS sign and related improvements.

c) Does this legislation affect any departments besides the originating department?

No.

d) What are the possible alternatives to the legislation that could achieve the same or similar objectives?

None.

e) Is a public hearing required for this legislation?

No.

f) Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?

No.

g) Does this legislation affect a piece of property?

Yes, the Seattle Department of Transportation will acquire property rights from a

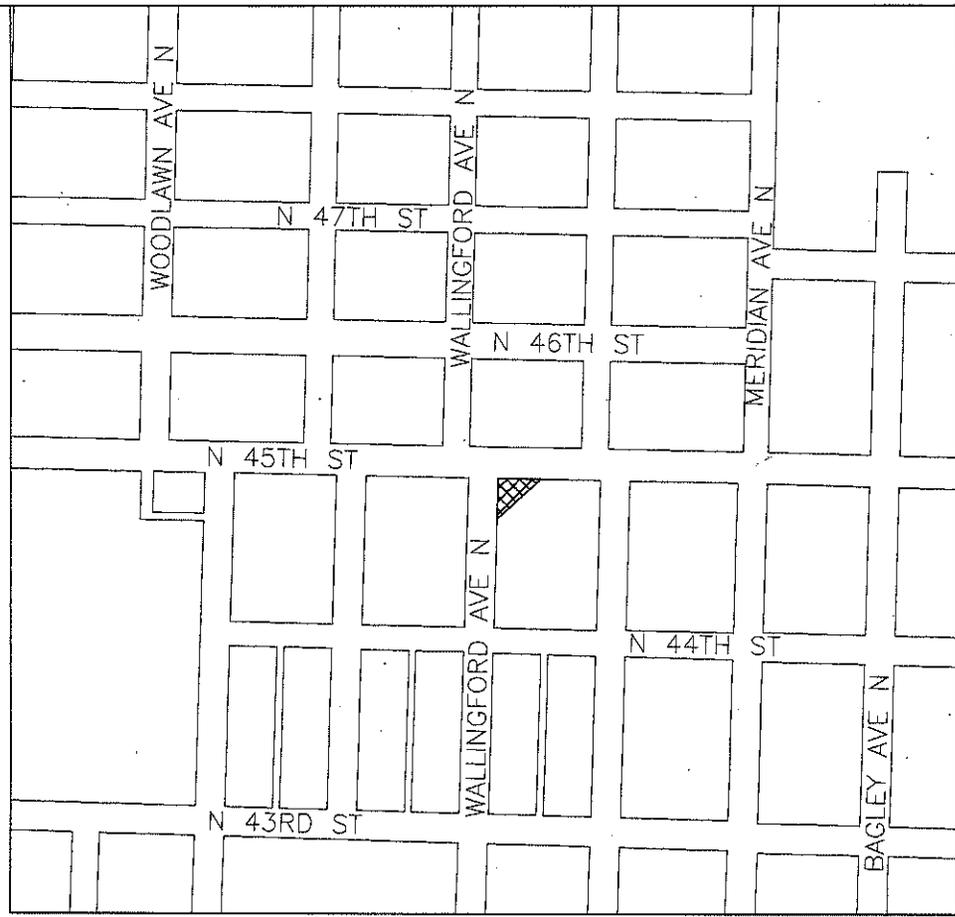

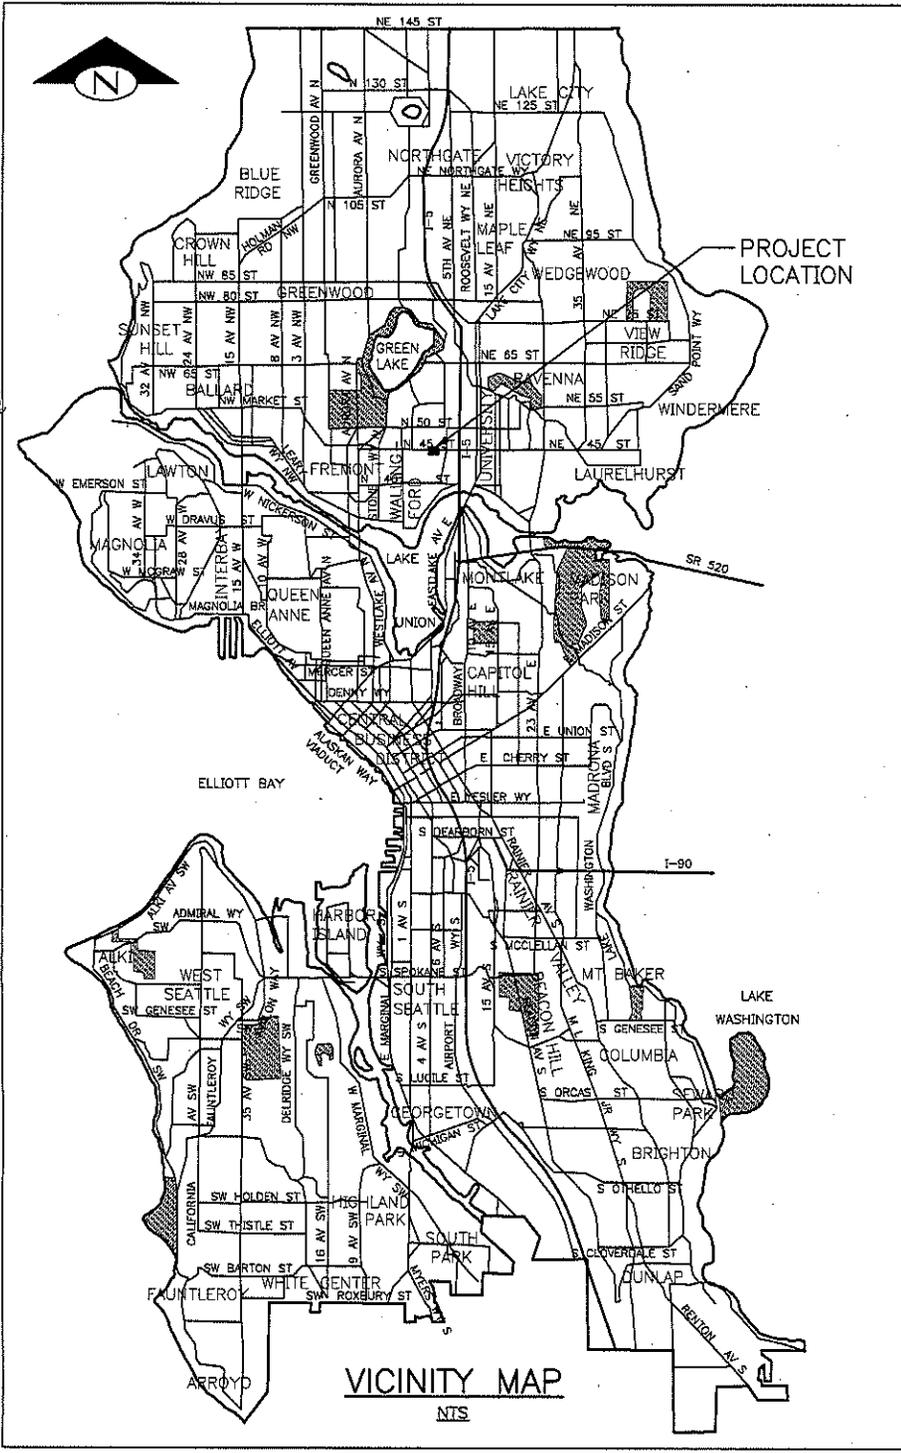

municipal corporation to complete and maintain the Project and the City is accepting the property as required by Article IV, Section 14, of the Seattle City Charter. Maps showing the location of the property and the portion of the property are included in Attachment 1.

**h) Other Issues:**

None.

Edward B. Murray  
Mayor

January 13, 2015

Honorable Tim Burgess  
President  
Seattle City Council  
City Hall, 2<sup>nd</sup> Floor

Dear Council President Burgess:

I am pleased to transmit the attached proposed Council Bill which authorizes acquisition, acceptance, and recording of a deed for street purposes granted to the City of Seattle by the Seattle School District No. 1. The property is located at the southeast corner of the intersection at North 45<sup>th</sup> Street and Wallingford Avenue North (the "Wallingford Intersection"). The property is needed to install and maintain a Real Time Information System ("RTIS") sign and related improvements at the Wallingford Intersection as provided for under the Transfer Corridor Improvements project. This legislation also places the property under the jurisdiction of the Seattle Department of Transportation and designates it for street purposes.

Improvements to this transit corridor were planned for in the City's Transit Master Plan adopted in April of 2012. It is necessary for the City to purchase and accept the property at the Wallingford Intersection to install and maintain the RTIS sign and related improvements that are designed to improve transit speed, reliability, access, safety, convenience, and capacity along the Metro Route 44 corridor.

Thank you for your consideration of this legislation. This corridor links Ballard, Phinney Ridge, Fremont, Wallingford and the University District. Metro Route 44 runs along this transit corridor and it is anticipated that these improvements could speed up the route by up to 20%. Should you have any questions, please contact Larry Huggins at 684-5001.

Sincerely,

Edward B. Murray  
Mayor of Seattle

cc: Honorable Members of the Seattle City Council
