Re: File No. 110909

Mr. W. C. Morse,
City Engineer.

Dear Sir:

Hand you herewith Comptroller's File No. 11090~~9~~⁶, same being petition of Judson T. Jennings, et al, for vacation of portion of alley in Block 8, Thompson's University Addition, shown in detail on the accompanying blue print.

Reporting on this petition wish to state that this alley is used by automobile traffic from Ravenna Boulevard west serving Lot 6, and is used from East 56th Street north serving Lot 3; that between Lots 4 and 6 we do not feel that the alley will ever be improved by grading owing to the steepness of the grades. There is, however, a pole line in the alley at the present time and a well defined foot path showing considerable evidence of use at this time.

We respectfully recommend that petition to vacate be denied.

Very respectfully,

B. W. Atelle
District Engineer.
