Re: Neon Sign Pike St. Market.

Hon. City Council,

    of the City of Seattle.

Gentlemen:

    The Board of Public Works today dealt with the following letter, signed by Arthur E. Goodwin, Manager, Pike Place Public Markets, Inc., dated 10/17/29:

- -

    "This Company would like to get permission from the City Council to build a Neon sign measuring 31 feet in length by 12 feet high, to read PUBLIC MARKET and to be placed on top of the City Farmer's Shed of the Pike Place Market, facing east on Pine Street.

    This sign will not only be attractive, but an asset as well to the market in general, and can be read for several blocks of this intersection.

    Enclosed you will find sketch of the proposed sign.

   Thanking you in advance for any favorable action taken in the matter."   * * *

    The Board directed the matter be referred to your Honorable Body for such action as you may deem appropriate.

Respectfully,
