Mr. H. C. Ritzman,
Supt. of Buildings,
City of Seattle.

Dear Sir:

At the direction of the Public Safety Committee I am handing you herewith City Comptroller's File No. 155521, being the petition of the Supt. of Buildings for authority to wreck unauthorized shacks, with the request that you prepare a further report for the Committee setting forth the minimum amount of money needed for the removal of these shacks. It appeared to the Committee that it might be possible to have them removed and make payment for the removal from the salvage value of the materials in the buildings.

Very truly yours,

Wm. L. Norton, Chairman,
Public Safety Committee.

IN RE: **Unauthorized Shacks**

June 11, 1937.

Honorable City Council,
Mr. James Scavotto, President,
Seattle, Washington.

Gentlemen:

In view of the growing menace created by the unlawful construction of shacks along the waterfront and on garbage dumps, you are requested to authorize the Building Department to wreck the vacant ones wherever found on public property.

It is also requested that the sum of \$1,000.00 be appropriated from the Emergency Fund to accomplish this purpose.

Very truly yours,

H. C. Ritzman,
Superintendent of Buildings.
