IN REPLY REFER TO

FILE BSW 7050-3

Mrs. F. F. Powell, Councilwoman,  
City Council  
Seattle, Wash.

Dear Mrs. Powell:

The Works Progress Administration requests from the City of Seattle light and water service for their Household Service Demonstration Project at 1708 Interlaken Blvd.

This Project is designed for the purpose of training girls for household employment. Employable girls and women are taken from the Works Progress Administration rolls, and after training are placed in private industry, which procedure we hope will take several girls and women from the relief rolls of the City of Seattle.

We should like to have this service made effective February 14th, 1938 and shall appreciate this assistance.

There are no power machines in use on this Project.

Yours very truly,

  
State Supervisor  
Household Service  
Demonstration Project
