DEPARTMENT OF BUILDINGS
THE CITY OF SEATTLE

JOSEPH LITTLE
SUPERINTENDENT
MEMBER, BOARD OF PUBLIC WORKS

IN RE: File No. 164651, Protest
against shack at 11th Ave. S.
and Forest St.

February 13, 1940.

Hon. Wm. L. Norton, Chairman,
Public Safety Committee of the
City Council,
Seattle, Washington.

Dear Sir:

Some time ago you referred to us File No. 164651,
being a protest of Bennie W. Lyons et al relative to the
building occupied by George Clark at Eleventh Avenue South
and Forest Street.

After examining the structure, we are unanimously
of the opinion that this shack should not be singled out
and abated as a nuisance while similar buildings in the
neighborhood are left unmolested.

The building occupied by Mr. Clark is an old
shack on an unimproved side hill which is growing up with
brush. It is some little distance from an improved street
so that its location with reference to streets could not
be determined. There are other similar shacks nearby.

Inasmuch as your Committee has under considera-
tion the problem which confronts the City because of the
numerous shacks in "Hooverville" and other locations, we
believe that the matter of eliminating the shacks in the
neighborhood of Mr. Lyons' home should be considered as a
part of the entire problem.

Very truly yours,

FOR BUILDING ABATEMENT COMMITTEE
