CHAIRMAN

Chairman City Council,
Co. City Bldg—Seattle

Dear Sir——

King County Council O. A. P. U. wish to protest vigorously the action taken in closing of the Public Comfort Station situated at 1st & Yesler Way, recently. This is a grave situation, as you must realize, and in view of the fact there are no other such places in this part of the City, therefore we feel this station should be re-opened again not only for 12 hours but for the full 24 hours daily.

Kindly look into this and see if there can possibly be any thing done for public accomodation in this District.

Your attention will be appreciated,

Very Respectfully,

King County Council, O. A. P. U.

O.A.P.U. No. 5

Seattle, Wash, Jan 4 43

Seattle City Council.

Dear Sirs, Our local of the O.A.P. at the meeting last friday evening asked me to write you in a protest against the closing of the comfort station in Pioneer Square. It was discussed from all angles and they think the station should remain open 24 hours per day while the emergency is on . Making only the necessary repaire temporarily, We object to forcing people young and old to be forced to go to the beer halls . It was reported by those who can remember that it was closed once before But the condition of the surrounding alleys soon forced it to be opened again, History may repeat itself again,

Respectfully,
J.M.Starks. Secy

Mrs. F. F. Powell,
City Council, County-City Building, City,

Dear Mrs Powell:

I understand that there is to be a meeting re; closing of the Pioneer Square Comfort Station, Tuesday P.M.

I regret that it will be impossible for me to be there but I am still protesting the closing, nevertheless.

The class of people who use those conveniences are here in the city and it is up to the city to take care of them. We cannot run them out of town because they have no place to go.

Hoping you will reconsider the proposed proceedings to close, I am

Sincerely yours,

Florence G. Burns, 1809 18th Ave.

PETITION

TO THE HONORABLE PRESIDENT AND MEMBERS OF THE CITY COUNCIL OF SEATTLE WASHINGTON

Whereas it has come to the attention of the undersigned Citizens, Business Operators and workers using the facilities of the Public Comfort Station at Pioneer Square that you are contemplating the closing thereof as of about January 1st 1943 in lieu of repairing same Station as required by the City of Seattle Health Department.

Therefore we submit the repairs involved are small and can be had at a very reasonable cost. Furthermore the use of the Station by war workers and others has greatly increased during this War year over any preceding year and further if you close this Station you drive persons in physical necessity of such a utility into the Taverns, Bars and such places which are not in any way equipped comparably with the present Station and are often not the kind of place many people would wish to use.

We therefore petition your Honorable body to give careful and full study to any action regarding this matter to the end that the best interests of the Citizens in this lower end of the City be protected

PETITION

TO THE HONORABLE PRESIDENT AND MEMBERS OF THE CITY COUNCIL OF SEATTLE WASHINGTON

Whereas it has come to the attention of the undersigned Citizens, Business Operators and workers using the facilities of the Public Comfort Station at Pioneer Square that you are contemplating the closing thereof as of about January 1st 1945 in lieu of repairing same Station as required by the City of Seattle Health Department.

Therefore we submit the repairs involved are small and can be had at a very reasonable cost. Furthermore the use of the Station by bar workers and others has greatly increased during this War Year over any preceding year, and further if you close this Station you drive people in physical necessity of such a utility into the Taverns, Bars and such places which are not equipped in any way comparably with the present Station and are often not the kind of place many people would wish to use.

We therefore petition your Honorable body to give careful and full study to any action regarding this matter to the end that the best interests of the Citizens in this lower end of the City be protected.
