DEPARTMENT OF LIGHTING AND WATER WORKS

LUTHER B. YOUNG, SUPERINTENDENT

July 25 1903.

Mr. Youngs,

F. E. Carter, husband of Caroline Carter who is petitioning for free water, was injured by having a load of wood fall on his ankle which necessitated an amputation on the August 26, 1902 and on May 11, 1903 a second amputation was made. He has been unable to do any work for the last eleven months.

I find the family deserving of assistance, as they are without any means of support.

Yours respectfully,  
D. W. Simonson, Ins.  
per F.

Address of Petitioner  
61 Bell St.

Petition for Free Water.

To the Honorable Mayor and Common Council of the City Of Seattle:

The undersigned, Petitioner, respectfully asks of your Honorable Body the free use of the City Water for domestic purposes, she being dependent upon her daily toil for her own subsistence and the maintainance of a husband crippled by the loss of his foot, it having been amputated, and subsequently the ankle removed by a second operation, leaving him in a helpless condition. And your petitioner will ever pray.

*Caroline Carter*

The undersigned respectfully urges the granting of the above petition, as one of the most deserving that ever came within his knowledge.
