Honorable City Council  
County-City Building  
Seattle 4, Washington  
Dear Sirs and Madam:

As a city employee who has conscientiously tried to carry out to the best of my ability in the position of Chief Plumbing Inspector, I would respectfully request that your Honorable Body investigate the charges made by a Council aspirant in the late municipal political campaign relative to irregularities, laxity and favoritism in the Plumbing Inspection Division.

I also understand similar charges have been made by certain members of the Plumbing Division to the Mayor, which I think should be thoroughly investigated.

Your interest in seeing that this request is promptly carried out in the interest of justice and equity to the department and myself will be appreciated.

Very truly yours,

Ralph Lyttaker  
Chief Inspector,  
Seattle-King County Department of  
Public Health
