Hon. Charles M. Carroll
Seattle City Council
Seattle Wash. 98125

Dear Mr. Carroll,

Since the Council soon will consider recommendations from the Charter Review Committee, I am writing to urge you to approve these recommendations for the fall ballot.

As you may be aware, the Committee, which is broadly representative of Seattle, started work with a survey of neighborhood problems and then sought solutions and mechanisms to solve these problems.

Despite one's views of the individual merits of the Committee suggestions, I feel it is very important that the electorate have a chance to consider these issues in toto. Your favorable consideration is urgently sought.

Thank you.
