RE: Pike Place Market PDA Charter Amendment: Request for Mayoral Approval

Dear Mayor Rice:

In accordance with SMC 3.110 and our Charter, we are transmitting herewith for your review and approval proposed amendments to the Pike Place Market PDA Charter, Article VIII, Constituency. Enclosed are:

- Attachment 1: Proposed Charter Amendments
- Attachment 2: PDA Council Resolution 93-08, adopting Charter and PDA Rules and Regulations Changes
- Attachment 3: Results of Constituency Concurrence Election
- Attachment 4: Article XI from PDA Charter Re: Charter Amendments

By copy of this letter, we are also forwarding the enclosed materials to the City Clerk to maintain as a public record and to the City's PDA Coordinator, as required by our Charter.

The subject of the Charter change (and corresponding changes in the PDA Rules and Regulations) is the definition of Constituency concurrence, Article VIII, Section 3 of the PDA Charter. The new provisions clarify the voting requirements for election of PDA Councilmembers by the Constituency and the standards for Constituency concurrent in all other matters in which Constituents must concur.

You will recall that the current Charter language, prior to this amendment, has been a source of confusion and contention for the last several years. This matter was not addressed in the Charter change you promulgated in July of 1992. Both our legal counsel and the City Attorney's office have previously advised that the language of Article VIII, Section 3 be amended to make clear the voting requirements for Constituency concurrence and to ensure that the language accords with provisions of SMC 3.110. With the enclosed adopted Charter changes, we have accomplished these purposes.

The Charter Amendments have been properly adopted by the PDA Council, with the affirmative votes of two-thirds of Councilmembers voting and a majority of the Council. The Constituency concurrent requirements have also been met, with the affirmative vote of two-thirds of those Constituents voting and ten percent of the Constituency membership.

Per Article XI of our Charter and SMC 3.110.430, we are now submitting the adopted Charter changes for your approval. Upon your approval, should you approve, please issue duplicate

**Constituency of the Pike Place Public Market**  
**Notice of Concurrence Vote**  
**On Proposed Charter Change for Electing PDA Council Representatives**

August 13, 1993

Please be advised that pursuant to the resolution passed at the general membership meeting held on August 10, 1993, a concurrence election on a proposed Charter change has been scheduled to occur at the next general membership meeting to be held on September 14, 1993 from 6 PM to 8 PM in the PDA Conference Room and continuing on September 15, 1993 from 8 AM to 6 PM in the Goodwin Library.

The proposed amendment to the PDA Charter would clarify and change the election requirements for members elected to the position of Constituency Representative to the PDA Council. No other changes to the Charter would be made.

The proposed change would clarify that the election of such members would be by a majority vote with at least 10% of the Constituency membership voting for the winning candidate. If a majority was not achieved by any candidate on the first ballot, a second run-off ballot would be decided by majority between the top two vote getters from the first ballot within 30 days.

The proposed Charter change requires approval by a two-thirds majority of Constituency members voting with a minimum of 10% of the total membership concurring with the proposed change.

Please find attached to this notice the full text of the proposed change as adopted by the PDA Council and transmitted to the Constituency for our concurrence. You will notice that the new proposed language is underlined and that the existing language to be changed is lined through.

Also, please find attached the Report to the Executive Committee regarding the third ballot results in the current attempt to elect a PDA Council Representative under the existing charter requirements. The present situation seems to prove the necessity for changing the charter election requirements for this position. The membership must authorize further action or issue a determination in that matter at the same September 14, 1993 meeting. Please attend and participate, this is important.
