February 10, 1920.

Honorable Streets & Sewers Committee  
of the City Council,  
Seattle, Washington.

Gentlemen:

There is returned, herewith, Petition File No. 76212 of the G. Kinnear Company asking for the vacation of portions of Kyes and Ray Streets. The vacation of the portions of streets asked for is the result of one of the recommendations made by this department in connection with the studies made for the improvement of Elliott Avenue et al. In order to make the proper junction with Elliott Avenue and West Mercer Place, it is desirable to obtain a small portion of the southerly corner of Block 29, Kinnear Addition. In lieu of deeding this portion of Block 29 to the city for Street purposes, it is proposed to vacate to the adjoining owners the small portions of Kyes and Ray Streets platted in Blocks 31 and 32 Kinnear Addition.

The petition for vacation as presented by the Kinnear Company is, therefore, respectfully recommended for approval.

Very respectfully,

A. H. DIMOCK,  
City Engineer
