Honorable Streets & Sewers Committee
of the City Council
Seattle Wash.

Gentlemen:

There is returned herewith Communication, File No. 76804, of the University Commercial Club, asking that the name of 14th Avenue Northeast be changed to "University Way".

The only objection to changing the name of 14th Avenue Northeast as requested, is that the name of the street has become so well established that any change would cause confusion for some period of time.

Unless the postal authorities have objections, no other reasons are known to this department against granting the request.

Respectfully

A H DIMOCK
City Engineer
