To the City Council

Seattle

Ladies and Gentlemen:

It is my desire to place the policing of the water front under the Police Department. In this work it will be necessary for the Police Department to have under its control a fast prowler boat. They have inspected one that will make between 20 and 25 miles per hour. I am informed by Chief Severyns that if liquor and narcotics are to be stopped from coming in in wholesale quantities and landed inside the city limits by dope and rum runners, this prowler boat is necessary.

Yours very truly,

Mayor
