P E T I T I O N

Hon. City Council
County-City Building
Seattle, Wash.

Gentlemen:-

We the undersigned tenants of the Public Markets request that the Wonderphones be put back in their former locations.

A recent City Ordinance known as the Hawkers Ordinance has been employed in stopping our music.

We find it has hurt our business to such an extent that it will not be long before a good many of us merchants are out of business.

We have never received any complaints, as to its being a nuisance from the public or adjoining merchants.

Each and every one of us enjoyed the music.
