Provided, that the Board may grant credit for prior service to any eligible entering the retirement system after the dates above mentioned if he, because of sickness or other disability or while serving as an officer of a labor organization, the membership of which includes City employees, has been on leave of absence, regularly granted, since discontinuance of City service, regardless of the length of such leave.

C. Any member who shall make his normal contributions to the retirement system while on leave of absence under Section 1 of Ordinance 69816<sup>1</sup> or while absent in the active service of the United States Public Health Service in fulfillment of military service obligations under laws of the

United States, or who after his return to City service shall make the same in full or in monthly payments equal to his current normal contribution, shall for the period of such leave of absence be entitled to all rights, privileges and benefits allowable under such system, including the al-

#### 4.36.125 Determination of creditable service.

A. A member in an eligible full-time position, with creditable service for every day, will accrue a creditable year of service for twelve (12) months' service. No additional credit is given for Leap Year's Day.

B. For a member in a temporary, intermittent or part-time position, eight (8) hours constitutes one (1) day; and a creditable year of service is measured as two hundred sixty-one (261) credited days or two thousand eighty-eight (2,088) hours of compensated service at straight-time pay.

C. When shown on the City's payroll, paid vacation, sick leave, military leave, funeral leave, and, if the employee pays his or her contribution, "time loss" on worker's compensation or time during family and medical leave under Chapter 4.26, are counted. Overtime (whether or not paid), unpaid leave, time not worked during a layoff, strike or disciplinary suspension, and service as a volunteer are not counted. Service on a temporary City assignment to another government or organization may be counted, in the discretion of the Board, if the member or the member's employer pays the employee contribution.

D. Creditable service is calculated by an employee's hours or time worked, as certified by the City Finance Director to the retirement system. When payroll records are available, the City Finance Director shall multiply the hours worked by a temporary, interim, seasonal, or provisional worker and a worker in a part-time position of less

than twenty (20) hours per week over a one (1) year period by a factor of one and one hundred thirty-five thousandths (1.135) in reporting creditable service to the retirement system, to account for paid leave which was not received and for premium pay which may be substituted for paid leave. The City Finance Director shall reduce the hours or days determined by application of the multiplier by the amount of any paid leave actually provided to the employee and counted in the hours or days worked.

E. No creditable service may accrue for City employment during which the City contributes to another retirement system on the employee's behalf or for a member's City employment after he or she retires on a service retirement and, except for the annual death benefit assessment, no deduction shall be made from his or her pay for retirement purposes.

Any vacancy occurring in an elected position shall be filled by the City Council by appointment to such position of a member eligible to be elected thereto, and provided the member so appointed shall be retired or shall come from the same employing unit as the vacating member. The member so appointed shall serve until such vacancy is filled by the election for the unexpired term of a member eligible to be elected for a full term to such position at the next succeeding first Monday in June, unless the vacancy occurred less than one (1) year before the expiration of the term of such elected member, in which case the member so appointed shall serve for the remainder of the unexpired term. H. The Finance Director shall be the custodian of the retirement fund. All payments from said fund shall be made upon warrant duly executed by the Finance Director. As custodian, the City Finance Director with the approval of the Board of Administration, may cause securities of the retirement system to be registered in the name of a nominee and authorize the safekeeping of retirement system securities in the physical custody of the Federal Reserve System, a depository trust company, or a bank as contemplated by RCW 35.39.070.

I. Except as herein provided, no member and no employee of the Board shall have any interest, direct or indirect, in making of any investments from the retirement fund, or in the gains or profits accruing therefrom. And no member or employee of the Board, directly or indirectly, for himself or as an agent or partner of others, shall borrow any of its funds or deposits or in any manner use the same except to make such current and necessary payments as are authorized by the Board; nor shall any member or employee of the Board become an endorser or surety or become in any manner an obligor for moneys invested by the Board.

(Ord. 116368 § 99, 1992; Ord. 111493 § 5, 1983.)

#### 4.36.140 Powers and duties of Board.

The administration of the Retirement and Death Benefit System is vested in the Board of Administration created in Section 4.36.130. The Board shall exercise the powers and duties conferred upon it by said section, and in addition thereto:

A. The Board shall keep in convenient form such data as shall be necessary for the actuarial valuation of the retirement fund created by this chapter. At the end of the three (3) year period beginning with the year 1974, and at the end of every three (3) year period thereafter, the Board shall cause to be made an actuarial investigation into the mortality, service and compensation experience of the members and beneficiaries as defined by this chapter; and shall further cause to be made an actuarial valuation of the assets and liabilities of the retirement fund, and upon the basis of such investigation and valuation and subject to the approval of the City Council, shall:

1. Make any necessary changes in the rate of interest;

2. Adopt for the retirement system such mortality, service, and other tables as shall be necessary;

3. Revise or change the rate of contribution by the City on the basis of such mortality, service and other tables as may be necessary;

4. Establish an investment advisory committee as contemplated by RCW 35.39.080 through 35.39.090. A copy of the investment policy contemplated by RCW 35.39.060 and the recommendation and report of the investment advisory committee required by RCW 35.39.090 shall be filed with the City Finance Director and the City Clerk.

B. The Board shall promptly transmit to the City Council a report covering the actuarial investigation and actuarial valuation provided for in subsection A of this section.

C. In addition to other records and accounts, the Board shall keep such detailed records and accounts as shall be necessary to show the financial condition of the retirement fund at all times.

D. The Board shall annually transmit to the City Council a report showing the financial condition of the fund established by this chapter.

E. Nothing in this section shall be construed to limit the right of the Board, subject to approval of the City Council, to make changes in rates of interest whenever the Board deems it necessary or advisable, or to secure actuarial reports more often than every three (3) years.

F. Whenever the Board deems it necessary or advisable, it may recommend that the City Council change the rates of contributions of members on the basis of mortality, service, and other tables adopted by the Board pursuant to subsection A of this section.

G. The Board may adopt rules deemed appropriate to carry out this chapter, and may delegate to the Executive Director the adoption of policies, procedures, and/or guidelines, which are consistent with its rules and with the ordinance codified herein.

(Ord. 116368 § 100, 1992; Ord. 112833 § 3, 1986; Ord. 111493 § 4, 1983; Ord. 105887 § 1, 1976; Ord. 104572 § 3, 1975; Ord. 102931 § 1, 1974; Ord. 101024 § 2, 1972; Ord. 99566 § 2, 1970; Ord. 78444 § 7, 1949.)

**4.36.145 Finality of Board decisions.**

A. A decision of the Board of Administration shall be final and conclusive on the following matters subject only to review by a court of record, and reversal if the decision is arbitrary or capricious or makes an error of law:

1. The eligibility or obligation of an officer or employee to participate in the Retirement System;

2. The accrual and amount of creditable service; the amount of contributions due to the Retirement System, the amount of contributions received, and the opportunity extended members to redeposit or buy-in of service credit, and the terms thereof;

3. The eligibility for, amount, and kind of benefits payable to any member or beneficiary;

4. A member's eligibility for disability retirement and recall to active duty;

5. The portability of retirement benefits;

6. Termination of benefits; and

7. Compliance with ordinance procedures and Board rules.

B. The Board may delegate the hearing of any of the foregoing to a committee consisting of at least three (3) members of the Board. A member, the Executive Director, if affected, or a City department aggrieved by a committee decision may appeal the decision to the Board within ten (10) days after receipt thereof, and the board shall hear the matter de novo.

(Ord. 116070 § 1, 1992.)

**4.36.155 Annual bonus dividend for current and future retirees.**

Each December, the Board of Administration shall declare and pay a bonus dividend to all retired members and beneficiaries receiving installment payments of accumulated contributions under Section 4.36.270 A. Such bonus dividends will be calculated and paid in accordance with the following formula:

A. One percent (1%) of the current annual pension allowance, for members who retired in the current and immediately preceding year;

B. Three percent (3%) of the current annual pension allowance, for members who have been retired from two (2) to five (5) years, inclusive;

C. Six percent (6%) of the current annual pension allowance, for members who have been retired from six (6) to nine (9) years, inclusive;

E. Twelve percent (12%) of the current annual pension allowance, for members who have been retired from fourteen (14) to eighteen (18) years, inclusive;

F. Fifteen percent (15%) of the current annual pension allowance, for members who have been retired from nineteen (19) to twenty-three (23) years, inclusive;

G. Eighteen percent (18%) of the current annual pension allowance, for members who have been retired from twenty-four (24) to twenty-eight (28) years, inclusive;

H. Twenty-one percent (21%) of the current annual pension allowance, for members who have been retired twenty-nine (29) or more years.

(Ord. 111303 § 1, 1983.)

**4.36.160 Borrowing of money.**

The Board for and on behalf of the retirement system, is authorized to borrow money from time to time, in amounts not to exceed One Million Dollars (\$1,000,000.00) outstanding at any one time, and at interest rates not to exceed six percent (6%) per year and to execute the necessary notes and pledge as collateral securities held by the retirement system, all in connection with the investment of moneys in the retirement fund authorized by Section 4.36.130. Such notes or other evidence of indebtedness shall not constitute an indebtedness of the City, and shall be payable solely from the retirement fund.

(Ord. 87916 § 1, 1959; Ord. 78444 § 9-1, 1949.)

**4.36.170 Contributions by City.**

There shall be paid into the retirement fund by contributions of the City, the amounts necessary to pay all pensions as shall be actuarially determined from time to time and all other benefits allowable to members and their beneficiaries under the provisions of this chapter including death benefits, except such as are provided by the accumulated contributions and death benefit assessments of members. All contributions of the City from all of its departments are available for payment of obligations of the retirement system without segregation by employing departments.

(Ord. 114592 § 2, 1989; Ord. 104572 § 4, 1975; Ord. 78444 § 10, 1949.)

**4.36.175 Released-matching contributions by Transit Fund.**

Released-matching contributions of the Transit Fund in the Employees' Retirement Fund shall be identified in the records of the Employees' Retirement Fund and of the General Fund as assets of the General Fund, and the City Comptroller and the Board of Administration of the Employees' Retirement System are authorized and directed to make the necessary accounting transactions required to effect such identification. (Ord. 110257 § 1, 1981.)

**4.36.180 City obligations.**

A. The payments of the City due the retirement fund as provided for in this chapter are made obligations of the City except as provided in subsection B of this section. The Board shall annually, on or before the tenth day of July each year, prepare and submit to the City Council an estimate of the amounts necessary to meet such obligations, and the City Council shall provide for the raising of such amounts as are necessary to make such payments.

B. The City may at any time change, modify or repeal this chapter or any part thereof in respect to its future obligations to any member not at that time receiving or being eligible to a pension hereunder. It is specifically provided, however, and the City covenants and guarantees, that the City's obligation to those members receiving or eligible to a retirement allowance prior to such change, modification or repeal shall continue in full force and effect as provided in this chapter; and that the City's obligation to those members not receiving or being eligible to a pension at the time of such change, modification or repeal, will be a retirement allowance at pension age equal to the actuarial equivalent of the accumulated value of the member's contribution standing to his credit at date of pension, and the value of the City's obligation as actuarially determined under Section 4.36.170 to the date of such change, modification or repeal.

(Ord. 104572 § 5, 1975; Ord. 78444 § 11, 1949.)

**4.36.190 Discontinuance or reentrance of eligible employee.**

A. 1. Should the City service of a member not eligible for retirement under the provisions of this chapter, be discontinued, except by death, prior to completion of five (5) years' membership in the

retirement system, he shall be paid six (6) months after the date of discontinuance such part of his accumulated contributions as he shall demand; provided, however, that such member may apply to the Board and by unanimous vote the Board may grant a request for immediate withdrawal of contributions. If in the opinion of the Board such member is permanently separated from City service by reason of such discontinuance, he shall be paid forthwith all his accumulated contributions, with interest. Should the City service of an employee not eligible for retirement under subsections A and B of Section 4.36.200 who has been a member of the retirement system for at least five (5) years be discontinued, except by death, he may apply for immediate withdrawal of his accumulated contributions as hereinabove provided, or elect in writing within six (6) months after such termination to leave his accumulated contributions in the retirement fund, and thereafter, upon reaching the required age and making application therefor, he shall receive a retirement allowance as provided in Section 4.36.200 C; provided, that if discontinuance of City service is caused by intemperance, wilful misconduct or violation of law on the part of the member, of which the Board shall be the judge, the Board, in its discretion, may pay to the member, in one (1) lump sum, his accumulated contributions, in lieu of all other rights, privileges or benefits under this chapter; and such payment shall constitute full satisfaction of all obligations of the City to such member, and upon receipt of such payment he shall cease to be a member of the system.

2. Any member eligible for retirement under subsections A and B of Section 4.36.200 whose City service has been discontinued, except by death, and any member whose City service has been discontinued and who has elected to leave his accumulated contributions in the retirement fund, may, in the manner hereinabove provided, apply to the Board for withdrawal of contributions, but in such case the Board may, in its discretion, approve such request or disapprove the same and, if such member then be eligible, authorize his retirement. Upon withdrawal of contributions the full amount deposited by the City in the retirement fund for such member's benefit, plus interest, shall be available to meet the obligations of the City under this chapter.

B. Redeposit.

1. Subject to rules and regulations established by the Board, any member or former member who reenters City service may redeposit in the retirement fund an amount equal to that which he or she previously withdrew therefrom at the last termination of his or her membership plus compound interest which would have accumulated on the amount, as determined by the Board, between the last termination of his or her membership and his or her reinstatement in the system. Such redeposit shall be paid into the retirement fund.

Within thirty (30) days after his or her re-entry into City service, a former member must redeposit the entire sum determined to be due or sign and file with the Board a redeposit contract in accord with subsection C in order to reestablish his or her "prior service" credit. If a member within thirty (30) days after reentering the retirement system after a termination of his or her membership does not make such a redeposit or file a properly executed redeposit contract, his or her credit for "prior service" shall not be reestablished and the rate of his or her contributions for future years shall be at the rate provided for in subsection A of Section 4.36.110. In the event such redeposit is made by a member, his rate of contribution shall be as determined under Section 4.36.110 A, and the City shall reinstate the "prior service" credit for such member.

2. Any former employee who prior to March 1, 1977, discontinued City service to accept other public employment and who because of such subsequent public employment was permitted to leave his contributions in the retirement fund and retain membership in the retirement system shall be eligible to receive a retirement allowance as provided in Section 4.36.200 C.

C. Redeposit Contract. These terms and conditions govern redeposit contracts for reentering City officers and employees and deposit contracts of officers and employees joining the system under subsections C and E of Section 4.36.110.

1. The unpaid balance shall accrue interest at the assumption rate established by the Board for actuarial purposes and in effect at the time the redeposit agreement is signed;

2. The redeposit must be completed within five (5) years from the date of the member's re-entry into City service;

3. After deducting any immediate redeposit, the balance shall be payable in approximately equal installments every pay period, computed by amortizing interest over the contract term, unless the Board by rule authorizes redeposit in installments of equal payments of principal with interest computed on declining balances;

4. Installment payments shall be deducted from the member's pay during each pay period; and

5. Redeposit agreements shall be subject to the approval of the Board.

The Board of Administration in its discretion may include supplemental terms and conditions by rule or by approving a form of agreement on the following subjects, among others:

a. A minimum installment payment per pay period;

b. The deferral of a redeposit of an installment during a member's layoff, military leave, or other approved leave, with catch-up redeposits upon the member's resumption of pay status;

c. Allocation of payments between interest and principal;

d. Appropriate arrangements in the event of a member's suspension or separation from City service, including the making of set-offs, acceleration of payments, continuation of payments from other sources during the interim, or adjusting "prior service" credit on a pro-rata basis;

e. Other terms and conditions as the Board may deem appropriate.

The Board may also require the execution of contracts by members, who are redepositing in installments through payroll deductions on August 31, 1986.

(Ord. 112833 § 2, 1986; Ord. 110219 § 1, 1981; Ord. 106272 § 1, 1977; Ord. 104572 § 6, 1975; Ord. 104156 § 3, 1974; Ord. 98122 § 1, 1969; Ord. 78444 § 12, 1949.)

**4.36.192 Discontinuance of membership of terminally ill member.**

A. Authority. The Board of Administration may in its discretion authorize an employee to discontinue his or her membership in the City Employee's Retirement System and it may refund all contribution that the employee has made, together with interest thereon, if the employee

(Seattle 3-95)

makes written application therefor and all the conditions in subsection B of this section are met.

B. Conditions and Application. The member's application shall be accompanied by the following documents:

1. Competent medical evidence that the member is suffering from a terminal illness or condition, that is, a disease or infirmity which will most probably cause his or her death within two (2) years, and the member's prospects of recovery or a longer life span are low;

2. The member's acknowledgment that by discontinuing his or her membership in the system, he or she will become ineligible for all retirement benefits under the system; for death benefits under Sections 4.36.320—4.36.330; and for reentry into the system under Section 4.36.190 for one (1) year, and then may reenter only with consent of the Board; that, if the member has a spouse, discontinuing membership will render his or her spouse ineligible for spousal benefits upon a member's death or disability; and that refund of his or her contributions may result in withholdings, taxes, and penalties under the International Revenue Code; and

3. If the member is married, a signed written consent of the member's spouse to his or her discontinuance of membership and withdrawal of contributions, including an acknowledgment that discontinuing the employee's membership may forgo spousal benefits in event of the employee's death.

C. Examination. The Board may require an applicant to undergo a physical examination by a physician selected by the Board and/or require the applicant to permit verification of his or her medical condition by allowing an examination of the applicant's medical records or an interview with his or her doctor or caregiver.

D. Reentry/Redeposit. After the lapse of one (1) year, the Board of Administration may in its discretion allow a member who has discontinued membership and recovers from his or her terminal illness to reenter the City Employee's Retirement System. If the member's application is granted, the member shall accrue service credit from the date of his or her reentry into the system, provided, that if the member's application for reentry occurs within three years after the date of the member's discontinuance of his or her membership, the Board may allow the member to make redeposit into the retirement fund of his or her withdrawn

contributions plus interest in the manner contemplated by Section 4.36.190, and, upon completing all such payments, thereby acquire creditable service for the earlier period.

E. Discretionary Determination. This section confers enabling authority on the Board to be exercised in extraordinary circumstances and it imposes no duty upon the Board to grant any particular application. The Board's decision upon an application shall be final. (Ord. 117302 § 1, 1994.)

**4.36.195 Buy-in of creditable service by temporary, interim, intermittent, provisional and part-time workers.**

These terms and conditions apply to workers acquiring ("buying in") creditable service under Sections 4.36.103 and 4.36.197 for earlier work in temporary, interim, intermittent and provisional positions or part-time positions of less than twenty (20) hours per week during the course of the year.

A. Eligible Services. Only hours in continuous City service as shown on City payrolls can be counted subject to the multiplier in Section 4.36.125. A break in the continuity of City service excludes hours before the break. Such a break in on-call, seasonal or intermittent service occurs if a worker:

1. Removes his or her name from a roster or listing for work assignments;
2. In seasonal employment, declines the opportunity to work for a season; or, in other employment, fails to work at least one hundred (100) hours in any twelve (12) month period;
3. Takes other actions indicating that he or she has stopped or suspended for a year providing his or her services to the City; or
4. Is discharged from City employment.

B. Amount of Creditable Service. Creditable service shall be granted only for the hours for which both the worker and the City make contributions to the retirement system at the rate contemplated by Section 4.36.110. To receive creditable service for prior City service, such a worker shall deposit into the retirement system an amount determined by the Board of Administration equal to the sum that he or she would have paid had he or she become a member when first eligible and had deductions been made from his or her pay

4.36.195 PERSONNEL

warrants, through the years, for creditable service, together with interest thereon. Interest shall accrue at the Board's assumption rate established for actuarial purposes from the date of the wage or salary payment to the date of deposit and shall be compounded annually.

(Seattle 3-95)

**For current SMC, contact  
the Office of the City Clerk**

C. **Waiting Period, Service Before 1988.** A worker, who began his or her continuous City service on or before December 31, 1987 and has not already received such credit, shall receive creditable service for the first one thousand forty-four (1,044) hours, or portion thereof, of continuous service that he or she worked before January 1, 1988. This is a transitional exception to subsection B of Section 4.36.103.

D. **Administration.** The Board, in its discretion, may delegate to the Executive Director the calculation of the amount of contribution for such a worker to acquire ("buy in") in prior creditable service and may authorize its Executive Director to use an approximate formula to simplify computations and/or to determine credit for vacation and other paid leave when City records are not available therefor. For example, for hourly workers, who have held the same or similar positions over the duration of the buy-back period, the Board may determine the amount due by:

1. Classifying the worker's creditable hours by the contribution rate in effect at the time the hours were worked;

2. Multiplying the creditable hours in each rate classification by the worker's current hourly wage rate and by the applicable contribution rate; and

3. Adding the total of the products of all such classifications together.

E. **Maintenance of Membership.** Such a worker who joins the retirement system shall maintain his or her membership in the retirement system for the duration of his or her City service until retirement. A member of the retirement system, who has not retired from the City and who accepts temporary, intermittent, or part-time work, shall continue to make his or her contributions to the retirement system.

F. **Deposit Contract.** The Board may authorize such a worker to make his or her deposit under an agreement for installment payments under the following terms and conditions:

1. The deposit must be completed within five (5) years from the date of the member's eligibility to join the retirement system, except current workers may be allowed until August 30, 1994 to complete their deposits.

2. After deducting any immediate deposits, the balance shall be payable in approximately equal amortized installments unless the Board authorizes otherwise. Installments shall be de-

ducted from the worker's pay whenever practical. By rule the Board may establish a minimum initial deposit and allowable installment payment and may include other appropriate terms and conditions in the agreement.

3. A member may accelerate and prepay all or part of his or her deposits at any time before he or she dies, retires, or discontinues City service, whichever may be sooner. In the event of extenuating circumstances that preclude an earlier payment, the Executive Director may allow a member up to ten (10) days after his or her retirement or discontinuance of City service to make a lump sum payment of the balance.

4. If a member dies, retires, or discontinues city service before completion of the contract, the member shall receive creditable service on his or her buy-in on a pro rata basis.

5. The member is responsible for making any adjustments appropriate under the Internal Revenue Code with respect to individual retirement accounts and privately administered retirement plans.

G. **City Matching Money.** The City shall match the member's contributions and deposits, including interest, in the same manner as other members. If the worker provided services in two (2) or more departments, the City Finance Director shall apportion the amount of the City contribution among the employing departments. The City Finance Director's apportionment shall be final.

(Ord. 116368 § 101, 1992; Ord. 114592 § 5, 1989.)

#### **4.36.1971989-90 buy-in of prior service.**

A. Within four (4) months after the date of mailing of notice of buy-in rights in the settlement in **Scannell v. 1. An annuity which shall be the actuarial equivalent of his accumulated contributions at the time of his retirement; and

2. A pension purchased by the contributions of the City, equal to the annuity purchased by the accumulated normal contributions of the member.

3. For any member having credit for prior service, an additional pension purchased by the contributions of the City equal to one and one-third percent (1 1/3%) of the final compensation multiplied by the number of years of prior service credited to the member, if total prior service credit at such rate shall amount to sixteen and two-thirds percent (16 2/3%) or more of final compensation; if such total prior service credit shall not equal sixteen and two-thirds percent (16 2/3%) of final compensation such additional pension shall be increased by one-third (2/3) of one percent (1%) of final compensation, multiplied by the number of years of prior service credited to the member for the period between July 1, 1919, and July 1, 1929, but such prior service credit for the member shall not exceed a total of sixteen and two-thirds percent (16 2/3%) of final compensation; provided, further, that if a member

B. If at the time of retirement the basic pension, as defined herein, is in excess of sixty percent (60%) of final compensation then the retirement allowance of the member shall be limited to sixty percent (60%) of final compensation, allowing full credit for prior service as provided in this chapter and applying accumulated normal contributions of the member and of the City in equal amounts to make up the sixty (60%) percent of final compensation. Any residue of the accumulated normal contributions of the member over the amount so applied shall be considered as accumulated additional contributions and may be subject to such rules as the Board may have adopted governing the same. Any residue of the accumulated contributions of the City over the amount so applied shall remain in the retirement fund to be applied to the City's obligations to the fund.

All retirement allowances shall be limited to sixty (60%) percent of final compensation except that increases in retirement allowances after retirement may be received without limitation; and further, that where an allowance is One Hundred Ten Dollars (\$110.00) per month or less, the sixty percent (60%) of final compensation limit shall not apply.

I. The "final compensation" of a member who retires from a temporary, interim, provisional, intermittent or part-time position is determined by multiplying the member's average hourly rate during his or her highest consecutive four thousand one hundred seventy-six (4,176) hours of service by two thousand eighty-eight (2,088) hours.

**4.36.230 Disability allowances designated.**

A. Upon retirement for disability, as provided in Section 4.36.220, provided the disability is not due to intemperance, wilful misconduct or violation of law, of which the Board shall be the judge, a member shall receive a retirement allowance calculated as follows:

One and one-half percent (1½%) of final compensation multiplied by years of creditable service, if such retirement allowance exceeds one-third (⅓) of his final compensation; otherwise one and one-half percent (1½%) of final compensation multiplied by years of service which would be creditable to him were his services to continue until attainment of age sixty-two (62) but such alternative disability retirement allowance shall not exceed one-third (⅓) of such final compensation; provided, that no disability retirement allowance shall exceed sixty percent (60%) of final compensation. Notwithstanding any provision of this section to the contrary, the minimum retirement allowance shall be One Hundred Forty Dollars (\$140.00) per month.

The retirement allowance as above calculated shall consist of:

1. An annuity which shall be the actuarial equivalent of the member's accumulated normal contributions;
2. A pension which shall be the actuarial equivalent of the City's matching contributions;
3. A pension for prior service, if any, calculated at the rate of one and one-half percent (1½%) of final compensation for each year of prior service, which shall be provided by contributions of the City;
4. An additional pension, provided by contributions of the City, should the calculation of the allowance show that subsections 1, 2 and 3 above are not enough to produce the retirement allowance indicated;
5. When use of proper annuity and pension rates results in a retirement allowance amounting to more than would be realized by adherence to the formula indicated in the second

(Seattle 9-91)

paragraph of this section the Board shall allow the higher amount.

B. The disability allowances of all members retired for disability prior to January 1, 1971, shall on January 1, 1971, be increased by Twenty Dollars (\$20.00) per month over the monthly benefit payable immediately prior to January 1, 1971, but no such pension of members retired for disability shall be less than One Hundred Forty Dollars (\$140.00) per month as of such date. Nothing in this subsection shall affect the amount of any bonus dividend declared pursuant to Section 4.36.150. Such increases shall be paid from available retirement system funds or from contributions of the City; provided, that such increases shall not be applicable to persons retired for disability on and after September 1, 1970 and on and before December 31, 1970 who pursuant to Ordinance 99271<sup>1</sup> select benefits applicable to persons who retire on and after January 1, 1971.

C. If disability is due to intemperance, wilful misconduct, or violation of law, on the part of the member, the Board in its discretion, may pay to the member, in one lump sum his accumulated contributions in lieu of a retirement allowance; and such payment shall constitute full satisfaction of all obligations of the City to such member; and upon receipt of such payment he shall cease to be a member of the system.

D. Upon the death of a member, while in receipt of a disability retirement allowance, the member's accumulated contributions, as they were at the date of his or her retirement, less any annuity payments made to him or her, shall be paid to the member's estate, or to such persons as he or she shall have nominated by written designation duly executed and filed with the Board; provided, that:

1. Such refund of contributions may be made in monthly payments if requested by the beneficiary and approved by the Board; and

2. If the member's estate is not being probated, the Board, in its discretion, may as an alternative to making payment to his or her estate, authorize payment to an heir who would inherit if the estate were probated, such as a surviving spouse named under a community property agreement or in the member's will.

E. Any surviving spouse of a member receiving a disability retirement allowance may, if named as beneficiary, elect to receive and thereupon shall be paid in lieu of benefits under Sec-

tion 4.36.230 D a monthly benefit the equivalent of a survivor's "Option E" retirement allowance computed on the basis of the member's age at date of death, years of creditable service, and normal and matching contributions reduced by all sums theretofore paid the deceased member as annuity on normal contributions and pension on matching contributions, and, if applicable, by payments to an alternate payee under a court or department order as contemplated by Section 4.36.295. The Board may in its discretion authorize such payments to a surviving spouse, who is not named as a beneficiary, if (a) the surviving spouse is the principal beneficiary of the member's estate and named under a community property agreement or in the member's will, or (b) the member died without leaving a will and the retirement allowance was the property of the marital community and the surviving spouse. The spouse may elect to receive a cash payment of not to exceed one-half ( $1/2$ ) of the deceased member's remaining normal contributions, and such cash payment shall effect a reduction of the survivor's monthly benefit by the amount of annuity such payment would have purchased.

#### **4.36.240 Examination of disability beneficiary—Cancellation of allowance.**

A. The Board may require any disability beneficiary, under age sixty-two (62) years, to undergo medical examination by a physician or surgeon, appointed by the Board at a place to be designated by the Board. Upon the basis of such examination the Board shall determine whether such disability beneficiary is still totally and permanently incapacitated, either physically or mentally, for City service. If the Board shall determine that the beneficiary is no longer so incapacitated, he shall be returned to City service at the earliest opportunity in accordance with civil service rules and regulations and upon such return his retirement allowance shall be cancelled.

4.36.230 PERSONNEL

B. Should a disability beneficiary reenter City service his retirement allowance shall be cancelled and he shall immediately become a member of the retirement system, his rate of contribution for future years being that established for his age at the time of such reentry. His individual account shall be credited with his accumulated normal contributions less the annuity payments made to him, except as provided in Section 4.36.240 C. Such member shall receive credit for prior service in the same manner as if he had never been retired for disability.

C. Should any disability beneficiary under age sixty-two (62) refuse to submit to medical examination, his pension may be suspended and should refusal continue for one (1) year, his retirement allowance may be cancelled. Should any such disability beneficiary engage in a gainful occupation he shall immediately report his gross monthly income to the Board and upon receipt of such information the Board shall reduce the retirement allowance to an amount, which when added to the compensation earned by him in such occupation, shall not exceed the amount of the salary or wages presently attached to the regular position held by the disability beneficiary at the time of his retirement.

Should any such disability beneficiary fail to report his gainful occupation the Board shall, whenever information regarding such gainful occupation is received, cause his retirement allowance to be suspended either partially or in full, for the period of time necessary to make up for disability retirement allowance payments drawn by him during the time suspension should have been in effect and should such a beneficiary die before suspended disability retirement allowance payments have equaled payments illegally drawn, the Board shall recover such payments from any benefits which would otherwise be payable to his estate or to a designated beneficiary. Suspension of a disability retirement allowance under such circumstances may be made even after such a disability beneficiary has attained age sixty-two (62). Should such disability beneficiary reenter City service the Board may reduce the accumulated contributions which would otherwise be credited to his account, as contemplated in Section 4.36.240 B, to compen-

sate for payments drawn during time suspension should have been in effect.

When any disability beneficiary reaches age sixty-two (62) his retirement allowance shall be established at the amount which would normally be payable to him and shall not be modified for any cause except as provided in this chapter.

D. Should the retirement allowance of any disability beneficiary be cancelled for any cause other than reentrance into City service, he shall be paid his accumulated contributions, less annuity payments made to him.

If, in the judgment of the Board, a disability beneficiary has failed to properly report his earnings from gainful occupation, the Board may cancel his disability retirement allowance.

Election of any option must be made by written application filed with the Board of Administration at least thirty (30) days in advance of retirement as provided in Section 4.36.200, and shall not be effective unless approved by the Board prior to retirement of the member.

OPTION A. OPTION C. The member shall elect a "guaranteed period" of any number of years. If he dies before the lesser retirement allowance has been paid to him for the number of years elected by him as the "guaranteed period," the lesser retire-

ment allowance shall be continued to the end of the "guaranteed period," and during such continuation shall be paid to his estate or to such person as he shall nominate by written designation duly executed and filed with the Board.

#### **4.36.270 Death of member who is not retired.**

A. Upon the death of any member who has not been retired pursuant to the provisions of this chapter, such member's accumulated contributions less any payments therefrom already made to such member shall be paid to such member's surviving spouse, or if the deceased member does not have a surviving spouse, or if the surviving spouse prior to the death of such member consented in writing to the naming as hereafter provided of a different beneficiary or beneficiaries and waived in writing all rights to benefits under Section 4.36.270 B, then to such member's estate, or to such person or persons as such member shall have nominated by written designation duly executed and filed with the Board. Such payment may be made in one lump sum or may be paid in installments over a period of not to exceed five (5) years, as may be designated by the member or his beneficiary, with such rate of interest as may be determined by the Board.

B. Any surviving spouse, of a member not retired but having at the date of death at least ten (10) years of creditable service as defined in this chapter, who is entitled to receive such deceased member's accumulated contributions as provided in Section 4.36.270 A, may elect to receive and thereupon shall be paid in lieu of benefits under

4.36.260 PERSONNEL

Section 4.36.270 A, a benefit the equivalent of a survivor's "Option E" retirement allowance. The spouse may, however, elect to receive in lieu of either the above retirement allowance or the benefits under Section 4.36.270 A, a lesser retirement allowance to cease at such spouse's death and in addition a cash payment not to exceed one-half ( $1/2$ ) of the deceased member's accumulated normal contributions. However, such withdrawal shall not serve to reduce such lesser retirement allowance except by the amount of annuity which such withdrawal would have purchased.

years, and shall be for the benefit of such minor children.

C. If there be no surviving spouse at the time of death of a member not retired, but having at least ten (10) years of creditable service as defined in this chapter, and such member has surviving one (1) or more children under the age of eighteen (18) years, and if such child or children are named as beneficiary or if the contributions of the deceased member are payable to such member's estate under the provisions of Section 4.36.270 A, then the legal guardian of such child or children may elect for such child or children a monthly benefit as hereinafter provided, which monthly benefit shall be paid in lieu of the benefits payable under Section 4.36.270 A. Such monthly benefits shall be equal to the monthly benefit which would have been paid to the last spouse of such deceased member if such last spouse had been living and married to the deceased member at the time of his death and was otherwise eligible for and elected to receive the benefits provided in Section 4.36.270 B equivalent to a survivor's "Option B" retirement allowance without a cash payment of a portion of the deceased member's accumulated normal contributions. The guardian may, however, elect to receive in lieu of either the above benefits or the benefits under Section 4.36.270 A, a lesser retirement allowance which will continue until such child or children reach the age of eighteen (18) years and in addition a cash payment not to exceed one-half ( $1/2$ ) of the deceased member's accumulated normal contributions. However, such withdrawal shall not serve to reduce such lesser allowance except by the amount of annuity which such withdrawal would have purchased. All benefits payable under this subsection shall be paid to the legal guardian of such child or children under the age of eighteen (18) years until all of such children have reached the age of eighteen (18)

(Seattle 6-92)

D. The amount paid to a member's estate, beneficiary or surviving spouse may be reduced by payments made to an alternate payee under a court or department order as contemplated by Section 4.36.295.

E. If the member's estate is not being probated, the Board, in its discretion, may as an alternative to making payment to his or her estate, authorize payment to an heir who would inherit if the estate were probated, such as a surviving spouse named under a community property agreement or in the member's will. (Ord. 116802 § 1, 1993; Ord. 116069 § 4, 1992; Ord. 107228 § 4, 1978; Ord. 106798 § 1, 1977; Ord. 106587 § 1, 1977; Ord. 88897 § 4, 1960; Ord. 79403 § 5, 1950; Ord. 78444 § 19, 1949.)

#### **4.36.280 Payments in monthly installments.**

A pension, annuity, or a retirement allowance granted under the provisions of this chapter, unless otherwise specified herein, shall be payable in monthly installments, and each installment shall be for the current calendar month. (Ord. 78444 § 20, 1949.)

#### **4.36.290 Benefits not subject to garnishment or attachment.**

The right of a person to a death benefit, pension, an annuity or a retirement allowance, to the return of contributions, the death benefit, pension, annuity or retirement allowance itself, any optional benefit, any other right accrued or accruing to any person under the provisions of this chapter, and the moneys in the fund created under this chapter shall not be subject to execution, garnishment, attachment, or any other process whatsoever, and shall be unassignable except as in this chapter specifically provided. (Ord. 78444 § 21, 1949.)

#### **4.36.295 Qualified domestic relations orders—Orders of State Department of Social and Health Services to withhold and deliver.**

A. Authority. The Director may make payments to:

1. A spouse, former spouse, child, or other dependent of a member as directed in an order of the court that constitutes a qualified domestic relations order under 26 U.S.C. § 414 (p); and/or

2. The Washington State Department of Social and Health Services as directed in an order to withhold and deliver under RCW 70.20A.080, each subject to the terms and conditions of this section, and to supplemental requirements that may be adopted by the Director by rule consistent with state and federal law to implement the ordinance codified in this section.

The term "order" as used in this section means either or both of the foregoing orders, and the term "alternate payee" means the recipient of payment on account of an order.

B. Limitations.

1. Any payment to an alternate payee pursuant to an order shall reduce by a like amount the payment of benefits or withdrawal of contributions that would otherwise have been payable to or on account of the member without the order. Payment of an order shall first commence when benefits or a withdrawal of contributions is made to or on account of the member. The amount paid shall not exceed the benefits payable under this chapter and the retirement option selected by the member, or in the case of a withdrawal of accumulated contributions, the amount on deposit to the credit of the member.

2. A payment to the alternate payee shall cease if the payment to a member would end on account of his or her death under a retirement option (Sections 4.36.210 through 4.36.260) or the member's reemployment (Sections 4.36.240 and 4.36.310) in the absence of the order. The Director may not, on account of such an order, limit or coerce the decision of an eligible member to accept a disability allowance (Sections 4.36.220 through 4.36.230) or, if on disability retirement, to return to City employment (Sections 4.36.240 and 4.36.250), or to convert to a service retirement allowance (Section 4.36.240); to withdraw accumulated contributions or to leave his or her contributions on deposit (Section 4.36.190), or to

#### 4.36.295 PERSONNEL

select a payment option (Sections 4.36.210 through 4.36.260).

##### C. Formula for Determination.

1. If the member is already receiving benefits or has arranged to receive payment at a proximate date, the order must identify the alternate payee and the amount to be paid as:

a. A precise sum to be paid in a single payment or in equal monthly installments and the duration of the installment payments; or

b. A fixed percentage of the member's "disposable earnings" as defined in RCW 74.20A.090 or "disposable benefits" as defined in RCW 41.50.500(2), which are payable under the payment option that the member has selected.

2. If the member is not yet receiving benefits or has not arranged to receive payment at a proximate date, the order may also determine the amount payable to an alternate payee by a formula or ratio that becomes complete upon the Director supplying the member's creditable or gross contributions; for example, a ratio that measures the member's creditable service on the date of the order to the member's creditable service at the time of retirement, or the member's contributions at a stated date, or a stipulated amount to the member's total contributions at the time benefits commence, or a withdrawal of accumulated contributions occurs. The City will not increase payments by an interest factor or adjust dollar values by a price index in calculating the payment to an alternate payee.

D. Rounding of Numbers. A percentage of "disposable benefits" or a ratio on a formula must be capable of being expressed as a decimal to no more than three (3) places; fractions extending beyond the third decimal place will be rounded to the nearest number at the third decimal place and the amount of any warrant rounded to the nearest cent.

E. Filing of Orders for Future Use. The Director may keep orders on file until such time as the member makes a withdrawal of accumulated contributions or draws benefits. If such an order is on file as to a member, the Director may delay payment of benefits or of accumulated contributions for up to thirty (30) days in order to determine whether or not the order is current and in effect.

F. Alternate Payee's Responsibility. An alternate payee has the responsibility of supplying and

maintaining with the Director a current mailing address for making payments; if payments are to commence upon occurrence of an event, informing the Director when the event occurs; and in the event of an erroneous overpayment, returning to the City the warrant for issuance of another in the correct amount. Warrants returned on account of an incorrect address may be held as unclaimed property.

(Ord. 116069 § 1, 1992.)

#### 4.36.300 Estimate of length of service.

If it shall be impracticable for the Board to determine from the records the length of service, the compensation, or the age of any member, the Board may estimate for the purpose of this chapter, such length of service, compensation or age.

(Ord. 78444 § 22, 1949.)

#### 4.36.310 Retired members who are employed on salary.

Effective January 1, 1953 annuity payments shall be paid to retired members who are in City service, but all pension payments shall be suspended while such retired members are employed on salary by the City, except as to the amount such pension payments may exceed the salary for the same period; provided, that such pension part of retirement allowances shall not be suspended as to any member who is temporarily employed in City service for periods not to exceed 1040 hours in any one (1) year.

(Ord. 107164 § 3, 1978; Ord. 81521 § 1(part), 1952; Ord. 79403 § 6, 1950; Ord. 78444 § 23, 1949.)

#### 4.36.320 Death benefits—Payment.

A. Upon proof of the death on or subsequent to January 1, 1960, of a member of the retirement system who has paid all death benefit assessments as hereinafter provided and who has not been retired, the sum of Two Thousand Dollars (\$2,000.00) as a death benefit shall be paid to such member's surviving spouse or if such deceased member does not have a surviving spouse, or if the surviving spouse prior to the death of such member consented in writing to the naming as hereinafter provided of a different beneficiary or beneficiaries, then to such member's estate or to such person or persons as such member shall have nominated by written

(Seattle 12-93)

designation duly executed and filed with the Board.

B. Any member of the retirement system may elect to continue in the death benefit system and pay the death benefit assessments: provided, that such payment shall not be required of a member retiring for disability until age sixty (60), whereupon such member shall be required to pay all death benefit assessments thereafter accruing if he or she desires to continue in the death benefit system. Upon proof of the death of such a member of the retirement system before the effective date of this amendatory ordinance,<sup>1</sup> who has elected to continue in the death benefit system and has paid all death benefit assessments required, there shall be paid to such member's surviving spouse, or if the deceased member does not have a surviving spouse, or if the surviving spouse prior to the death of such member consented in writing to the naming as hereinafter provided of a different beneficiary or beneficiaries, then to such member's estate, or to such person or persons whom such member shall have nominated by written designation duly executed and filed with the Board, the sum of One Thousand Dollars (\$1,000.00), and an additional One Thousand Dollars (\$1,000.00) where death of such member occurs within twelve (12) months from the date such member retires. Upon proof of the death of such member after such effective date, the payment shall be Two Thousand Dollars (\$2,000.00). (Ord. 114543 § 1, 1989; Ord. 106798 § 2, 1977; Ord. 88901 § 1, 1960; Ord. 85562 § 1, 1956; Ord. 78444 § 24, 1949.)

1. Editor's Note: "This amendatory ordinance" indicates Ord. 114543, passed by the City Council on June 12, 1989.

#### **4.36.330 Death benefits—Specifications.**

A. All moneys paid into or out of the retirement fund on account of the death benefit system shall be accounted for by double entry separately in the records of the retirement system in such a manner as to reveal currently the amount of money held for payment of death benefits.

B. Death benefit assessments shall become due and payable January 1st of each year and collectible by payroll deduction or otherwise as directed by the Board. In order to insure coverage of members laid off or on leave of absence or on family or medical leave under Chapter 4.26, the Board is authorized to transfer amounts necessary

to pay assessments due from such members from their normal contributions as temporary loans to be repaid by such members on return to City service.

Death benefit assessments shall be in such amount as shall be determined by the Board but shall not exceed the sum of Twelve Dollars (\$12.00) in any calendar year.

C. An employee becoming a member of the system during the year shall pay the death benefit assessment fixed for that year if such membership is effective prior to October 1st, which assessment shall be collectible by payroll deduction when the first normal contribution is made. Employees becoming members in October, November and December shall pay only one-half ( $1/2$ ) of that annual assessment.

D. The City shall match all death benefit assessments collected from members and such matching payments shall become due and payable immediately following determination of the amount necessary, and should the death benefit system require payments by the City of more than the amount necessary to match an assessment of not to exceed Twelve Dollars (\$12.00), as determined by the Board on advice of its actuary, the same may be made from undivided earnings of the City and the employee in the retirement fund not otherwise obligated. All payments by the City shall be due and payable annually on January 1st. Assessments collected from retired members shall be matched by funds from departments from which such members retired.

E. Upon establishment of the death benefit system as of January 1, 1950, the Board shall recognize as beneficiaries thereunder all persons previously nominated to receive refund of accumulated contributions under Section 4.36.270 A unless a different designation is filed with regard to payment of death benefits.

F. Membership in the death benefit system shall terminate when any member resigns, quits or is discharged and no refund of any portion of death benefit assessments shall be made by reason thereof. Should the Board determine that a member of the retirement system not in City service was maintaining membership for the sole purpose of possibly receiving retirement benefits in the future, the Board shall deny participation in the death benefit system to such member.

4.36.330 PERSONNEL

G. The Board of Administration shall make all rules and regulations necessary to supplement the death benefit provisions of this chapter. (Ord. 117241 § 4, 1994; Ord. 114543 § 2, 1989; Ord. 88901 § 2, 1960; Ord. 85562 § 2, 1956; Ord. 78444 § 25, 1949.)

**4.36.340 Appropriation for administration of retirement system.**

The City Council shall appropriate annually from the retirement fund the amount it deems necessary for the purpose of paying the expenses of administering the retirement system. The Board of Administration shall annually submit to the City Council its estimate of the amount necessary to pay such expenses. (Ord. 78444 § 26, 1949.)

**4.36.350 Members eligible prior to January 1, 1941.**

B. Such election shall be made by written declaration upon a form specified by the Board and filed with the Board within ninety (90) days of the effective date of such change or modification. (Ord. 78444 § 27(a), 1949.)

**4.36.360 Trust fund.**

A. The retirement fund shall be a trust fund for the exclusive benefit of the members of the City Employees' Retirement System and their beneficiaries. No part of the corpus or income of the retirement fund shall be used for or diverted to, purposes other than for the exclusive benefit of the members of the system or their beneficiaries and the payment of fees and expenses of maintaining and administering the system.

B. This section shall be interpreted to allow the following:

1. A return of a contribution to the City or its application as a credit on future contributions, after the Board determines that the City has paid or overpaid the contribution under a mistake of fact;
2. The making of refunds required by law; and
3. Termination of the retirement system and distribution of its assets after all liabilities with respect to the members of the retirement system and their beneficiaries have been satisfied. (Ord. 111992 § 4, 1984.)

**4.36.370 Status of benefits in event of termination of system.**

If the City terminates or partially terminates the retirement system, members shall have a nonforfeitable right to benefits accrued prior to the date of such termination or partial terminations to the extent funded as of that date, or the amounts credited to the employees' accounts. As used in this section, "terminate" means to discontinue the system completely without a comparable replacement plan; "partially terminate" means to exclude a segment of employees from coverage without the provision of a comparable replacement; and "nonforfeitable" means that a member's or beneficiary's right to an immediate or deferred benefit that arises from the member's City service is unconditional and legally enforceable against the retirement system to the extent then accrued, except that rights to a benefit based upon the City's contribution and completion of a minimum term of City service may be lost by death of the member before the term has expired. (Ord. 111992 § 5, 1984.)

**4.36.380 Maximum benefits payable.**

A. The maximum benefits payable to any member shall not exceed the limitation for defined benefit plans for qualified pension trusts estab-

lished by 26 U.S.C. § 415, a copy of which is attached hereto as Appendix "A" and by this reference incorporated herein.<sup>1</sup>

B. The Board of Administration shall determine this limitation, advise members on inquiry as to its amount, and include a general description of the limitations in its annual report to members. (Ord. 111992 § 6, 1984.)

1. Editor's Note: Appendix A, attached to Section 4.36.380, and Ordinance 111992 adopting these provisions are on file in the office of the City Clerk.

**4.36.390 Agreement for portability of retirement benefits—Terms.**

A. The Board of Administration of the City Employees' Retirement System is authorized to contract with the Board of Administration of the Tacoma Employees' Retirement System and/or Board of Administration of the Spokane Employees' Retirement System (each called a "participating system") for the portability of retirement benefits of employees, who are also members of the retirement systems of the cities of Tacoma and Spokane, respectively.

B. The following terms and conditions shall apply in addition to such other requirements as may be established by rule of the Board or the agreement with participating systems:

1. The member must be in the active service of a participating system on or after the effective date of the Board's agreement for portability; a member retired from any of the three (3) systems on the effective date of the ordinance codified in this section<sup>1</sup> is not eligible.

2. Creditable service may accrue in only one (1) participating system at a time. A member, who leaves City employment to enter military service, may only receive creditable service for his or her military service in one (1) of the participating systems according to its rules.

3. A member may combine service credit in two (2) or more participating systems for the sole purpose of determining the member's eligibility to receive a service retirement allowance, but the member may not aggregate service credit in two (2) or more retirement systems for the purpose of determining the percentage factor to be used in calculating a service retirement allowance.

#### 4.36.390 PERSONNEL

4. A member of two (2) or more participating systems, who is eligible to retire under any system, may elect to retire from all the member's systems and to receive a service retirement allowance. Each participating system shall calculate the allowance using its own criteria except that the member shall be allowed to use the member's "base salary" from any participating system as the compensation used in calculating the allowance. "Base salary" means the salary or wages used by the participating system during a payroll period for making contributions to the system by its members generally. It includes salary or wages paid for personal services and wages and salary deferred under the provisions of the United States Internal Revenue Code. It excludes overtime payments (except as to service for the City of Spokane), non-money maintenance compensation, and lump-sum payments for deferred annual leave, unused accumulated vacation, unused accumulated annual leave, any form of severance pay, any bonus for voluntary retirement, any other form of leave, or any similar lump-sum payment.

5. The retirement allowances shall be paid separately by each participating system. Post-retirement adjustments, if any, shall be based on the payments made by each participating system to the member.

6. The total retirement allowances provided through portability of benefits shall not be less than the benefits payable by each participating system were there no portability.

7. A participating system may pay a member of two (2) or more systems a lump sum in lieu of a monthly benefit if the initial monthly benefit would be less than Fifty Dollars (\$50.00).

8. If a member of two (2) or more participating systems dies in service in any system, the surviving spouse shall receive the same benefit from each system that would have been received if the member were active in the system at the time of his or her death based on service actually established in that system.

9. The terms and conditions of the Board's agreement with the board of a participating system both establishes and limits the portability of benefits provided. The Board's agreements may be amended from time to time or supplemented by an agreement with the State of Washington for portability with State retirement systems. If the Board amends its agreement with the board of a participating system or makes

modifications to provide portability with State systems, the rights, terms and conditions for portability are subject to amendment or abolition at any time before a member retires.

10. A member who (a) earned retirement credit for service in a participating system, (b) withdrew his or her contributions from that system, (c) lost service credit by making the withdrawal, and (d) is an active member of another participating system, may restore his or her prior service credit in the participating system of his or her former municipal employer by re depositing within one (1) year after becoming an active member of the other participating system an amount determined by the system Board. The amount shall be measured by the accumulated contributions withdrawn plus compound interest which would have accumulated on the withdrawn contributions from the date of withdrawal until the date of his or her re deposit. The Board of Administration may provide for re deposits by such members during the interval from January 17, 1991, through the effective date of the ordinance codified in this subsection.<sup>2</sup>

(Ord. 115460 § 1, 1990.)

1. Editor's Note: Ordinance 115460 was passed by the City Council on December 10, 1990.

2. Editor's Note: Ordinance 116238 was passed by the City Council on June 22, 1992.

#### **4.36.400 Election to participate in RCW Chapter 41.54.**

As authorized by RCW 41.54.061, the City irrevocably elects to participate in the portability of public retirement systems as contemplated by RCW Chapter 41.54, and to pay for the additional cost it may incur as a result of the benefits provided.

The eligibility of members for the portability of public retirements benefits, the benefits available thereunder, the limitations (including RCW 41.54.080), and the procedures shall be as set out in RCW Chapter 41.54.

**4.38.010 Adoption of Deferred Compensation Plan.**

The City of Seattle hereby adopts the following deferred compensation plan for City officers and employees (called the "Plan Document"):

**THE CITY OF SEATTLE VOLUNTARY DEFERRED COMPENSATION PLAN**

**Plan Overview**

If you enroll in this Plan, The City of Seattle (called the "City") will retain ("defer" paying) a part of your salary or wages. The City will then deposit or invest the money retained (called the "deferred amounts") in accord with agreements of the City made from time to time with a Plan administrator, insurance company, investment underwriter, and/or financial institution. After you leave the service of the City, retire or die, the Plan will pay you, or your beneficiaries, benefits based on the invested value of the deferred amount. If you change your employment to another Washington government with an eligible plan, the City may transfer your amounts to your new employee's Plan. The invested value will be based on the amount deferred, less expenses, plus gain or minus losses, and, when applicable deductions for withdrawal ("surrender") fees. An earlier withdrawal may only occur if you suffer an unforeseeable financial emergency. All deferred amounts will belong to the City until benefits are paid.

(Ord. 112516 § 1(part), 1985.)

**Article I Eligibility and Definitions of Plan**

**4.38.101 Compliance with Internal Revenue Code.**

This Plan is designed to qualify as an eligible

(Seattle 3-91)

## DEFERRED COMPENSATION PLAN

deferred compensation plan under the United States Internal Revenue Code (1954) (called the "Code") Section 457 [26 U.S.C. § 4571] and RCW 41.04.250, each as now existing or later amended or replaced. It is subject to all eligibility standards established by the Code for eligible deferred compensation plans (called "Code requirements"). Code requirements take precedence over any conflicting provision in this Plan Document or any ordinance implementing the Plan, and all provisions of this Plan shall be interpreted and applied in a manner to conform with Code requirements.

(Ord. 112516 § 1(part), 1985.)

### 4.38.102 Plan.

This Plan Document is supplemented by implementing ordinances enacted from time to time. These ordinances provide for the Plan's administration, reports and fees, and terms and conditions useful in carrying out the Plan. This Plan Document and the implementing ordinances may be amended from time to time in accord with Article VII.

(Ord. 112516 § 1(part), 1985.)

### 4.38.103 Definitions and citations.

Article X defines words and terms used in this Plan. Brackets in the text contain citations to the Code or to the Code's implementing regulations [Regs. § 1.457] in order to assist in understanding and applying the section.

(Ord. 112516 § 1(part), 1985.)

## Article II Enrollment and Deferral

### 4.38.201 Participation.

Only City officers and employees may enroll in the Plan.

(Ord. 112516 § 1(part), 1985.)

### 4.38.202 Enrollment.

By enrolling, you accept the terms and conditions of this Plan, authorize the City to defer paying a part of your salary or wages for each pay period, and consent to applying the deferred amount in accord with this Plan.

(Ord. 112516 § 1(part), 1985.)

### 4.38.203 Deferrals.

When enrolling, you set an amount to be deferred from your salary or wage for each pay

period. You may later increase or decrease the amount, or stop and resume further deferrals, each as authorized by ordinance. A deferral and an authorization to increase your deferral takes effect in the following month [Code § 457(b)(4)]. Your authorization to begin a deferral, to increase or decrease the amount, or to stop or resume deferrals applies to salary or wages you earn afterward, a change or stoppage will not cause any refund or return of any amount already deferred.

(Ord. 112516 § 1(part), 1985.)

### 4.38.204 Limits on annual deferrals.

You may defer as much under the Plan in any year as Code § 457 allows for an eligible deferred compensation plan. Unless the "catch-up" provision applies, the most you may now defer of your compensation for any taxable year is the lesser of Seven Thousand Five Hundred Dollars (\$7,500.00) or one-third ( $\frac{1}{3}$ ) of your "includable compensation" (see Section 10.05). This amount is called the "plan ceiling." Under the "catch-up" provision, during your last three (3) years before the year in which you reach "normal retirement age" (see Section 4.38.402), you may defer the lesser of Fifteen Thousand Dollars (\$15,000.00), or the amount of the "plan ceiling" for the current year plus so much of the "plan ceiling" for earlier taxable years as you failed to use. Any deferral during the year you made under another eligible deferred compensation plan established under Code § 457 will be counted in applying these limits. You may use the "catch-up" provision only once; you cannot invoke the higher limits a second time by resetting your retirement age or returning to City service after you retire [regs. § 1.457-2(e)(3)].

(Ord. 117151 § 1, 1994; Ord. 112516 § 1(part), 1985.)

### 4.38.205 Investment selections.

When enrolling, you need to make an investment selection from among alternatives offered by the City. Your selection will serve as an index to measure the current value of your account (see Section 4.38.302). You may change your investment selection from time to time.

(Ord. 112516 § 1(part), 1985.)

#### 4.38.206 PERSONNEL

##### **4.38.206 Investment transfers.**

You may transfer amounts already deferred from one investment selection to another as authorized by ordinance. A transfer will be based on the current value of the previous investment selection, including any gains or less any losses that had already been credited or debited to your account (see Section 4.38.302) and may involve a fee or charge.

(Ord. 112516 § 1(part), 1985.)

##### **4.38.207 Forms and methods.**

To enroll, to change or stop a deferral, or to make an investment selection, you need to sign and file a written form. Your authorization and your investment selection continue in effect for future pay periods until you direct otherwise by signing and filing another written form. An ordinance or administrative rules will provide for the forms, their filing, and when authorizations take effect.

(Ord. 112516 § 1(part), 1985.)

##### **4.38.208 Transfers within an investment selection in the City's Deferred Compensation Plan.**

A. Securities (mutual funds, money market accounts annuities): A participant, or after a participant's death, a beneficiary, may transfer funds between securities and annuities within an investment selection orally or by computer communication subject to written confirmation by the plan administrator in the manner that securities transactions are conducted under the rules of the New York Stock Exchange or the National Association of Securities Dealers, and subject to the terms and conditions for crediting subaccount values in the City's contract with PEBSCO authorized by Ordinance 115911. For cause, the plan administration may require that transfers be authorized in writing in advance.

B. Savings Account: Transfers to or from the investment selection of the City Credit Union of Seattle require a written authorization.

(Ord. 117151 § 4, 1994.)

#### **Article III Administration, Accounts and Reports**

##### **4.38.301 Administration.**

To carry out the Plan, the City will deposit or invest the deferred amounts and any earnings from

them in a manner authorized by state law and the Washington Constitution. The City may in its discretion assign functions to one or more City officials, establish a committee to make decisions or exercise powers, contract with a plan administrator to manage day-to-day operations and keep records, deposit or invest funds with an insurance company, an investment underwriter or financial institution, and delegate any or all duties or responsibilities under the Plan (except making the deferral, itself), to any or all of them.

(Ord. 112516 § 1(part), 1985.)

##### **4.38.302 Accounts.**

An account will be kept for everyone who participates in the Plan. Like all others, your account will be credited with a sum equal to the amounts deferred from your salary or wages; it will be adjusted as if the deferred amounts were invested according to your investment selection; and your account will be reduced by fees charged to your account as authorized by Section 4.38.303 or emergency withdrawals under Section 4.38.407. The adjustment will reflect interest, dividends, and other distributions received; gains or losses from market fluctuations; investment losses; and/or any default by an investment underwriter, each if and when occurring, and, if applicable, a withdrawal ("surrender") fee. The current value of your account will determine the amount of benefits paid under Article IV.

(Ord. 112516 § 1(part), 1985.)

##### **4.38.303 Fees.**

The costs of carrying out the Plan will be borne by those participating through reasonable fees set by ordinance for administrative, recordkeeping, investment and other services performed and for appropriate expenses incurred. A fee may take the form of an assessment calculated as a percentage of the current value of your account, a deduction measured by a payment or transaction, and/or a fixed charge for a service, among other reasonable methods.

(Ord. 112516 § 1(part), 1985.)

##### **4.38.304 Time lag.**

A reasonable time may elapse between the making of a deferral from your salary or wage and its crediting to your account. Interest earned pending transfer of funds or making the credit to your account (sometimes known as earnings on

(Seattle 9-94)

the “float”) may be applied toward paying expenses of administering the Plan.  
(Ord. 112516 § 1(part), 1985.)

#### **4.38.305 Annual account report.**

You will be given a written report of the current value of your account at least annually. Unless you take exception to the information supplied, your annual statement will establish the current value of your account as of the account date.

(Ord. 112516 § 1(part), 1985.)

#### **4.38.306 Annual Plan report.**

An annual report on the operation and condition of the Plan (including a schedule of receipts and disbursements during the preceding year) will be filed with the City Clerk as a public record.

(Ord. 116368 § 102, 1992; Ord. 112516 § 1(part), 1985.)

#### **4.38.307 Access to Plan records.**

Upon reasonable notice you may inspect records maintained for the Plan generally by the City or a Plan administrator and your account during normal business hours.

(Ord. 112516 § 1(part), 1985.)

### **Article IV Benefits**

#### **4.38.401 Earliest payment allowed.**

The Plan will not pay or make benefits available before the earliest of the following events: you retire from City service on or after you reach “normal retirement age” (see Section 4.38.402); you make a permanent separation from City service; the start of the calendar year in which you reach age seventy and one-half (70½); or you die. (Section 4.38.408 provides for temporary departures.) An earlier payment may be authorized for an “unforeseeable emergency” (see Section 4.38.407) [Code § 457(e)(9); Regs. §1.457-2(h)].  
(Ord. 117151 § 2, 1994; Ord. 114697 § 2, 1989; Ord. 114095 § 1, 1988; Ord. 112516 § 1(part), 1985.)

#### **4.38.402 Normal retirement age.**

“Normal retirement age” means the range of ages ending not later than when you reach seventy and one-half (70½) and not sooner than the time when you have the right to retire without the City’s consent, and become eligible by age, length of

service, or both to retire and receive immediate retirement benefits without actuarial or similar reduction because of retirement before some later specified age, under the City Employees’ Retirement System, the Law Enforcement Officers’ and Fire Fighters’ Retirement System, or the Washington Public Employees’ Retirement System, whichever be applicable to you; or, if none apply, the time you would have been eligible for unreduced retirement benefits by age, length of service, or both had you been eligible for and had you joined the City Employees’ Retirement System. If you continue to work beyond this age, you may set a later date or age; the later date or age must come not later than the calendar year in which you reach age seventy and one-half (70½) or you leave City service, which is later [Code §§ 457 (d)(2)(A) and 401 A 9 (c); Regs. § 1.457-2(f)(4)].

(Ord. 117151 § 3, 1994; Ord. 114697 § 3, 1989; Ord. 114095<sup>1</sup> § 3, 1988; Ord. 113136 § 1, 1986; Ord. 112516 § 1(part), 1985.)

<sup>1</sup>Editor’s Note: The amendment to Section 4.38.402 enacted by Section 3 of Ordinance 114095 became effective January 1, 1989. The amendment by Section 3 of Ordinance 114697 became effective October 19, 1989.

#### **4.38.403 Benefit selections.**

A. You may select the method of payment from among alternatives made available by ordinance in the case of your retirement or an earlier separation from City service before payment benefits commence; if you should die your beneficiary may select a death settlement from among the alternatives offered before benefits are paid.

B. You (or your beneficiary) may postpone making your selection as long as your choice is made in the time and manner authorized by ordinance and before any benefits become available. You may not revoke a selection after benefits commence [Regs. § 1.457-1].

(Ord. 112516 § 1(part), 1985.)

#### **4.38.404 Scheduling benefits.**

Payment of benefits shall begin on or before the later of the end of sixty (60) days after the end of the calendar year in which you (a) reach (or would have reached) “normal retirement age” (see Section 4.38.402) or (b) leave City service permanently. The payment of benefits must be

#### 4.38.404 PERSONNEL

scheduled so that the amounts do not increase substantially after the first year; at least one (1) payment occurs every year; and most of them will go to you rather than your beneficiary. For example, at the time payment of benefits begin, the present value of scheduled payments to you over your life expectancy must exceed sixty-six and two-thirds percent (66 $\frac{2}{3}$ %) of the total present value of all payments due [Code § 457 (d)(2); Regs. § 1.457-2(i)]. (Ord. 114095<sup>1</sup> § 4, 1988; Ord. 112516 § 1(part), 1985.)

1. Editor's Note: The amendment to Section 4.38.404 enacted by Section 4 of Ordinance 114095 becomes effective January 1, 1989.

#### 4.38.405 Designating a beneficiary.

You have the right and duty to designate a beneficiary to receive benefits under this Plan if you die. You may change your beneficiary from time to time on a form and in the manner authorized by ordinance. If you die without having a properly designated beneficiary, or your beneficiary cannot be readily located from the information you have supplied, Plan benefits may be made to your estate or paid into the registry of a court for disposition. If you do not designate any beneficiary at all and you die without any heirs, Plan benefits will be deposited in the City's General Donation and Gift Trust Account as a bequest in your name. (Ord. 112516 § 1(part), 1985.)

#### 4.38.406 Payments to beneficiaries.

If you die before drawing benefits or before all benefits are paid, benefits shall be paid to your beneficiary over a period of fifteen (15) years or less, or if your beneficiary is your surviving spouse, for his/her life or any shorter period [Regs. § 1.457-2(i)(3)]. Payments must be sufficiently rapid to satisfy the requirements of Code § 457(d)(2) and Code § 401(a)(9) [Code § 457(d)(2)]. To qualify for benefits your beneficiary must survive ten (10) days after your death. (Ord. 117151 § 5, 1994; Ord. 112516 § 1(part), 1985.)

#### 4.38.407 Unforeseeable emergency.

Upon application, the City may authorize a payment to you in an amount reasonably needed to meet an "unforeseeable emergency." An "unforeseeable emergency" is a severe financial

hardship to you resulting from a sudden and unexpected illness or accident to you or a dependent, loss of your property due to casualty, or other similar extraordinary and unforeseeable circumstances arising as a result of events beyond your control. No payment can be made to the extent that your hardship may be relieved through reimbursement, compensation by insurance or otherwise; a sale of your assets without causing severe financial hardship; or suspending your deferrals. The payment may not exceed the lesser of the current value of your account (see Section 4.38.302) or the amount required to satisfy your emergency need [Regs. § 1.457-2(h)(4-5)]. Your account will be reduced by an amount equal to any payment made; and any balance remaining in your account after the payment will be paid as benefits in accordance with Section 4.38.401. This is the only payment of deferred amounts, which the City may authorize while you are below your retirement age in active City service. (Ord. 112516 § 1(part), 1985.)

#### 4.38.408 Temporary interruption of service.

Unless you declare and make your departure permanent or Section 4.38.406 applies, your account will continue to be maintained during the following absences although deferrals cease: A layoff for lack of work; military service while reemployment rights are maintained; an extended authorized leave of absence; and transfer to other employment while you maintain your membership within the City Employees' Retirement System or the Law Enforcement Officers' and Fire Fighters' Retirement System. (Ord. 112516 § 1(part), 1985.)

### Article V Ownership of Investments/Your Status

#### 4.38.501 City ownership.

The City will make all contracts and register all assets purchased with deferred amounts or earnings from them in its own name as owner. All assets under the Plan, including all deferred amounts, all property and rights purchased with deferred amounts, and all means attributed to such amounts, property or rights shall be and remain (until made available to the participant or other beneficiary) solely the property and right of the City (without being restricted to the provision of

(Seattle 9-94)

benefits under the Plan) and subject to the claims of the City's general creditors [Code § 457(b)(6)]. (Ord. 112516 § 1(part), 1985.)

**4.38.502 Your status.**

You have an unsecured right to the benefits provided by Article IV as a general creditor of the City measured by the current value of your account. You have no preferred, guaranteed, secured or special interest in any deferred amounts or assets acquired with or as a result of them; the Plan does not create a trust fund, an escrow account, or any other form of segregation of assets for the benefit of those who enroll in the Plan. By enrolling, you acknowledge that your rights are those of a general creditor of the City, and that in any lawsuit, your rights and remedies would be limited to those of such a general creditor.

(Ord. 112516 § 1(part), 1985.)

**4.38.503 Attachment.**

Neither you nor your beneficiary, or any of your creditors or their creditors (if any), shall have any claim or right to any assets of the City under the Plan nor shall the same be subject to attachment, execution, or other judicial relief for your benefit or their benefit.

**4.38.504 Transfers between government plans.**

This Plan will accept plan-to-plan transfers of deferred compensation accounts for employees who enter City service from another employer with an eligible deferred compensation plan established under Code § 457. Conversely, if you leave City service to take a position with another employer with an eligible deferred compensation plan under Code § 457, the City will automatically transfer your account to your new employer for deposit in its plan as long as the receiving plan accepts such transfers [Regs. § 1.457-2(k)]. The City may promulgate, amend, and revoke rules controlling the operation and administration of the Plan. (Ord. 112516 § 1(part), 1985.)

**4.38.602 Priority.**

This is a group plan. The concerns of the City and the need to accommodate all participants as a whole comes first in Plan administration, adopting rules, setting fees and charges, and in making decisions that could affect many even though a practice, rule, charge or decision in a particular situation may seem unjust or arbitrary or cause hardship. (Ord. 112516 § 1(part), 1985.)

**4.38.603 Interpreting and applying the Plan.**

The decisions and actions of the City, or its officials or committee administering the Plan in interpreting terms, finding facts, and applying the Plan shall be final and binding. If in doubt, the City, or an authorized agent, may, in its discretion, postpone or suspend a payment until satisfied of its correctness or until the matter is determined in a court of law. (Ord. 112516 § 1(part), 1985.)

**Article VII Amendment and Termination**

**4.38.701 Amendment/termination.**

The City may at any time amend, modify, or terminate the Plan with or without your consent (or of any beneficiary) or of all participants. The City reserves the power to participate in the State of Washington Plan pursuant to RCW 41.04.250 through 41.04.260; the Library Board reserves the same authority as to Library personnel, and the authority to establish its own Plan. **4.38.702 Notice.**

Amendments to the Plan ordinance will be enacted in the manner contemplated by the City Charter for City ordinances. Wherever practical advance notice of amendments to the Plan Document shall be provided, a public hearing will be held at which participants may be heard, and a copy of the amendment will be supplied afterward.

(Ord. 112516 § 1(part), 1985.)

**4.38.704 Result of termination.**

If the Plan is terminated or further deferrals stopped for all participants, the City will provide for retaining amounts already deferred and the making of payment in accordance with Article IV. If the City elects to participate on the State of Washington plan under RCW 41.04.250, the City may transfer all deferred amounts to the State as long as participants receive credit with the state plan for their accounts balances with the City; the Library Board reserves the same authority as to Library personnel.

**Article VIII Disclaimers and Limitations**

**4.38.801 Employment unaffected.**

Enrolling in the Plan will not give you any right to continue your service with the City nor restrict in any way the City's rights to terminate your service. **4.38.803 Assumption of risks.**

You accept and assume all risks that adhere in the Plan and its administration. The City will not be liable for any loss due to market fluctuations, failure of investments, default by an investment underwriter or annuity carrier, or errors or misappropriations by any Plan administrator. Any Plan administrator, insurance company, investment underwriter, or financial institution will be an independent contractor responsible for its own actions.  
(Ord. 112516 § 1(part), 1985.)

CITY UNEMPLOYMENT INSURANCE  
PROGRAM**

**Sections:**

**4.40.010 Unemployment insurance program—Generally.**

**4.40.020 Unemployment insurance fund established.**

**4.40.030 Excluded employees.**

**4.40.040 Repayment of benefits to which one is not entitled.**

**4.40.050 Violation—Penalty.**

Statutory Reference: For statutory provisions making the State Employment Security Act applicable to political subdivisions, see RCW Ch. 50.44.

**4.40.010 Unemployment insurance program—Generally.**

A. A program of unemployment insurance is established for eligible employees of the City, including all such eligible employees of the Seattle Public Library upon adoption by the Board of Trustees of the Seattle Public Library of a resolution providing therefor. Employees whose service and pay are interrupted by layoff for lack of work or funds after November 1, 1974, including temporary employees who have completed a stipulated period of employment, and who were employed full time by the City continuously for a period of one (1) year immediately preceding such layoff, and who are not excluded by Section 4.40.030, and who provide evidence that they are available for and actively seeking employment, shall be entitled to receive unemployment compensation benefits for a maximum benefit period of twenty-six (26) weeks in an amount not less than Seventeen Dollars (\$17.00) per week nor more than fifty percent (50%) of the statewide average weekly wage as determined annually by the Washington State Department of Employment Security, under the conditions established in and as more fully described in C.F. 280329.<sup>1</sup> An employee who has been on leave of absence during the year immediately prior to layoff shall be deemed in continuous employment immediately preceding such layoff for purposes of eligibility for unemployment compensation benefits as provided herein, but such leave time when taken without pay shall not be included in the computation of the one (1) year requirement.

B. The Director of Personnel is authorized and directed to administer the unemployment insurance program, and in such connection may promulgate administrative regulations from time to time in the manner provided in the Administrative Code (Ordinance 102228)<sup>2</sup> to carry out the intent and purpose of this chapter. The Director is further authorized to contract for necessary consulting services, for reinsurance, and for such other services as may be necessary from time to time to administer the unemployment insurance program.

(Seattle 3-86)

C. Beginning January 1, 1978, the Director of Personnel shall administer an unemployment insurance claims management system. The Director shall have the authority to employ such persons, in accordance with civil service laws and rules, make such expenditures, require such reports, make such investigations and to take such other action as he deems necessary or suitable in limiting the City's unemployment compensation liability and in operating a claims management system. The Director shall also coordinate and manage all recordkeeping and reporting functions required under the State Employment Tax Act and the Director is designated as the liaison for unemployment insurance purposes between the City, state and/or federal officials and agencies. All department heads are directed to cooperate with and aid the Director of Personnel in the operation of a successful claims management system.

D. Beginning January 1, 1978, the program of unemployment insurance shall be continued for all eligible employees of the City by virtue of the mandates and pursuant to the provisions of the State Employment Security Act (RCW Chapter 50). This subsection has been enacted to comply with the provisions of RCW Chapter 50, which mandate unemployment insurance coverage for political subdivisions. This subsection shall remain in effect only for so long as such mandatory coverage provisions of RCW Chapter 50 remain effective.

E. In the event the mandatory coverage ceases to be effective, then the section or subsections of this amendatory chapter, to the extent that they apply to unemployment insurance coverage of City employees under the State Employment Security Act (RCW Chapter 50), shall be deemed nullified and the language of the sections being amended shall be reinstated.

F. Represented employees, where the City has agreed so under current effective bargaining agreements, shall be assured of a weekly benefit amount under the state's program which is equivalent to the weekly benefit amount provided under subsection A of this section.

G. No employee of the City shall be entitled to collect City unemployment compensation benefits while drawing unemployment compensation benefits from another source. The intent of this subsection is to prevent an employee from

collecting more than the maximum weekly benefit amount, regardless of the source, assured under subsections B and D of this section for the same base year wages.

## DISABILITY COMPENSATION 4.44.010

The City Finance Director is authorized and directed to deduct and pay from the earnings of any City employee, in accordance with RCW 41.04.030 and pursuant to written authorization therefor signed by such employee and filed with the City Finance Director in accordance with RCW 41.04.020, such amounts for disability insurance premiums, other than retroactive premiums, to such insurance groups or companies as shall be specifically designated therein; provided, that no deduction or payment shall be made unless:

A. Such insurance group or company shall provide authorization forms without expense to the City, which authorizations shall save the City harmless from any liability in connection with the making or failure to make any deduction or payment, and shall further specifically recognize that the City does not endorse the insurance group or company to which such payment is made and that such deduction and payment does not constitute sponsorship of the program; and

B. As to insurance groups or companies providing such insurance on an individual basis or on a group basis for groups of less than twenty-five (25) individuals, such insurance group or company, for reimbursement to the City of its costs in connection with such deductions and payment, shall pay to the City upon quarterly billings by the City Finance Director Ten Cents (\$0.10) for each payroll deduction for each employee who has authorized as provided herein deduction and payment of disability insurance premiums to such insurance group or company. (Ord. 116368 § 105, 1992; Ord. 103015 § 1, 1974.)

### **4.44.020 City compensation additional to State Industrial Insurance and Medical Aid.**

A. Any City officer or employee otherwise entitled to sick leave and vacation benefits and for whom State Industrial Insurance and Medical Aid is provided, who shall be disabled in the discharge of his or her duties, and whose disablement results in absence from his or her regular duties, shall receive compensation, except as otherwise hereinafter provided, from the City in the amount his or her normal pay exceeds any state disability compensation to equal eighty percent (80%) of the employee's normal hourly rate of pay, not to exceed two hundred sixty-one (261) regularly

scheduled workdays counted from the first regularly scheduled workday on or after the fourth calendar day following the injury; provided, the disability sustained must qualify the employee for benefits under State Industrial Insurance and Medical Aid Acts. Such compensation shall be authorized by the Personnel Director, or his or her designee, with the advice of such employee's department head, on request from the employee supported by satisfactory evidence of medical treatment of the illness or injury giving rise to such employee's claim for compensation under this chapter. Such employee shall continue to receive compensation at the rate provided for herein until such employee returns to full-time active duty or such employee exhausts his or her benefits hereunder, whichever occurs first.

B. Whenever an employee is injured on the job and compelled to seek immediate medical treatment, the employee shall be compensated in full for the remaining part of the day of injury without effect to his or her sick leave or vacation account. Scheduled workdays falling within only the first three (3) calendar days following the day of injury shall be compensable through accrued sick leave. Any earned vacation may be used in a like manner after sick leave is exhausted, provided that, if neither accrued sick leave nor accrued vacation is available, the employee shall be placed on no pay status for these three (3) days. If the period of disability equals or extends beyond fourteen (14) calendar days, then (1) any accrued sick leave or vacation leave utilized that results in absence from his or her regular duties (up to a maximum of eighty percent (80%) of the employee's normal hourly rate of pay per day) shall be reinstated by Industrial Insurance or (2) if no sick leave or vacation leave was available to the employee at that time, then the employee shall thereafter be compensated for the three (3) calendar days at the eighty-percent (80%) compensation rate described in subsection A of this section. The days reimbursed or thereafter compensated shall then count toward the two hundred sixty-one (261) day maximum.

#### 4.44.070 PERSONNEL

C. An employee's department head may recommend to the Personnel Director denial of the employee's claim for benefits under the State Industrial Insurance and Medical Aid Acts and under this chapter, and the Personnel Director shall evaluate such recommendation and, if the Director concurs in such recommendation, request denial by the State Department of Labor and Industries of the employee's claim under said state acts. If the Personnel Director requests such denial, the employee shall be continued on the payroll of his or her department receiving continuous pay at a rate to be determined by the Personnel Director pursuant to applicable state law and City ordinances, until the State Department of Labor and Industries has reviewed and denied such claim.

Cases: Affirmative action program used by Fire Department and City in hiring and promotion of personnel held valid. **Maehren v. City of Seattle**, 92 Wn.2d 480, 599 P.2d 1255 (1979).

**4.80.010 Title.**

This chapter shall be entitled "The Affirmative Action Plan Ordinance."  
(Ord. 109112 § 1, 1980.)

**4.80.020 Policy.**

It is the policy of the City to provide a workplace for its employees that is free from discrimination on the basis of race, sex, marital status, sexual orientation, political ideology, age, creed, religion, ancestry, national origin, or the presence of any sensory, mental or physical handicap. It is also the policy of the City to take strong affirmative action to remedy the effects of past discrimination against minorities, women, handicapped and older workers, and to avoid practices which are suspect and capable of abuse or which have an adverse impact on the opportunities of such groups where it reasonably can to produce an efficient system. By doing so, the City will then be able to provide equal employment and advancement opportunities for all qualified persons and obtain a workforce in which such groups are fairly represented.

**4.80.030 Findings.**

A. The City Council has considered the analysis of the City's present and past employment practices contained in the Appendix of the attached Affirmative Action Plan, incorporated in this chapter by reference,<sup>1</sup> and other materials presented to it and previously before it relative to the need for affirmative action, and finds that affirmative action to improve the progress of such groups and remove impediments to their employment opportunities within the City continues to be necessary and proper.

B. The City Council recognizes that two (2) Washington State Superior Courts have already found certain of the City's past practices to be discriminatory against minorities and have determined not only that affirmative action within the City was necessary but was required under the circumstances evidenced as late as 1976 to eliminate the effects of such practices, and that those decisions were affirmed on appeal in **Lindsay v. Seattle**, 86 Wn.2d 698, 548 P.2d 320 (1976) and **Maehren et al. v. Seattle, et al.**, 92 Wn.2d 480, 599 P.2d 1255 (1979).

The City continues a program of awards adopted by Ordinance 79944, as amended, to reward suggestions of City employees that are of benefit to the City. Participation therein shall be limited to those employees who submit such suggestions in accordance with the following regulations:

A. To be eligible for a money award a suggestion must make possible an extension of public service commensurate with the expense involved or an elimination or reduction of City expenditures without substantially impairing such service, or provide a desirable safety factor. Suggestions submitted to a departmental program, but for which the suggesters did not receive money awards, may be submitted for consideration by the Suggestion Award Board. Suggestions that have received a money reward from another City award program are not eligible.

(Seattle 3-94)

B. Elected officials, heads of employing units, and managers who report directly to a head of employing unit, or employees whose job involves the identification of improvement in the operations of the City are not eligible for an award under the program. D. If duplicate suggestions are submitted, only the first received shall be eligible for an award.

E. A suggestion which has been put into effect by the City agency concerned must be submitted for award consideration within ninety (90) days of its adoption; provided that this requirement may be waived by the City Council upon recommendation of the Suggestion Award Board.

F. Each suggester shall execute the following agreement:

“In consideration of my participation in the Suggestion Award Program I hereby agree that the use by The City of Seattle of my suggestion concerning . . . shall not be the basis of a claim of any nature against The City of Seattle by me, my heirs, executors or assigns.”

G. Appropriate commendation of an employee whose adopted suggestion does not merit a cash award may be recommended by the Board.

H. Insofar as may be equitable and practicable the total amount of a money award shall be approximately ten percent (10%) of the estimated value to the City of the suggestion during the first year following its adoption. If the foregoing formula in the judgment of the Suggestion Award Board does not suitably measure the merits of a suggestion, the Board shall determine the amount it deems equitable and recommend same to the City Council.

(Ord. 116595 § 1, 1993; Ord. 86927 § 1, 1958.)

Every effort shall be made to ensure representation in terms of supervisory and nonsupervisory staff and represented and nonrepresented personnel.

B. The terms of the members of said Board shall be four (4) years and until their successors are appointed.

C. The Board shall elect annually a Chair and a Vice-Chair from among its members. The Personnel Department shall assign an Administrative Coordinator to keep minutes of Board meetings and such other records as may be required, coordinate the evaluation of suggestions by working with department representatives, schedule Board meetings, coordinate action by the Board, and coordinate logistics for awards presentations by the City Council. The Board shall meet in regular session once a month. Additional meetings may be called by the Chair as the needs of the City service require. The Board Chair may cancel any scheduled meeting. Meetings shall be public and interested persons shall be given reasonable opportunity to be heard, and a majority of the active members of the Board shall constitute a quorum, and a majority vote of the members present at any meeting is required to carry an action of the Board. Any Board member who is absent from five (5) or more meetings per year, or four (4) consecutive meetings, shall be considered to have resigned from the Board.

E. The Board shall evaluate each suggestion, taking into consideration department action and the objective of the suggestion award program; and it shall formulate and transmit to the City Council an official recommendation covering the merits of the suggestion, whether the same justifies an award and the type and amount thereof.

F. The City Council, upon approval of a recommendation of the Board, may authorize a money award or an appropriate commendation.

G. A suggester may file written request for reconsideration of a suggestion which had been rejected but subsequently adopted. Such request for reconsideration must be made within three (3) months of adoption of the suggestion. To be eligible for reconsideration, a suggestion must have been adopted within three (3) years of the date of rejection.

H. All communications to the Board shall be addressed in care of the Administrative Coordinator.
