6.212.042 BUSINESS REGULATIONS

6.212.042 Regulation of fares—Limiting license outstanding.

A. Resumption of Regulation. As authorized by RCW Chapter 81.72, the Finance Director shall limit the maximum number of taxicab licenses outstanding as contemplated by Seattle Municipal Code Section 6.212.044.

B. Purpose; Goal. The maximum limit on licenses shall be set each year by ordinance and to provide Seattle residents and visitors with prompt, efficient taxicab service responsive to public demand; in inviting, well-maintained taxicabs that meet all safety and equipment standards; at reasonable fares and charges; without establishing a substantial scarcity value; and in a manner that accords equal employment and business opportunity and non-discriminatory treatment as contemplated by Seattle's Human Rights ordinances, and, in event of an agreement with King County for regional licensing, the terms and goals of the agreement.

C. Reduction in Licenses. If a reduction in the maximum number of licenses is to occur, City policy favors a gradual decrease in licenses outstanding through attrition.

D. Annual Review. At least sixty (60) days before the anniversary date of the previous review, the Director shall submit to the Mayor and the City Council and file with the City Clerk a recommendation of the maximum number of licenses to be allowed. The Director shall consider, among other factors, response time, public demand, geographic coverage, quality of service, any "scarcity value" of licenses, and the impact of the increased licenses. The Director shall also submit a report evaluating current fare, rates and charges and licensing in light of the City's goals; setting out the City's coordination with King County and the Port of Seattle, if any; and containing an analysis of the financial condition of the industry as contemplated by Section 6.212.260. The City Council will schedule a public hearing thereon; the public hearing may be held jointly with the King County Council.

E. Citizens' Taxicab Advisory Board. There is hereby created a Citizens' Taxicab Advisory Board consisting of seven (7) members, each of whom shall be appointed by the Mayor subject to approval by the Council, to serve without compensation for a term of three (3) years without eligibility for reappointment to consecutive terms.

The Advisory Board shall at all times, include two (2) members representing the taxicab industry, four (4) members at-large representing general consumer interests and one (1) member familiar with the transportation needs of senior citizens and the disabled. The Director shall provide limited staff assistance and facilities for the Board.

The duties of the Advisory Board are to review taxi regulations in effect and make recommendations to the Director. The Advisory Board shall review all elements of the regulations including but not restricted to setting of taxi fares and taxi licensing.

In the event of an agreement with King County for regional licensing, the recommendations of the Advisory Board shall be used in developing recommendations on regional taxi issues, including such items as taxi fares and licensing. (Ord. 117169 § 99, 1994; Ord. 116368 § 193, 1992; Ord. 115495 § 10(part), 1991.)

6.212.044 Maximum limit on licenses.

The maximum number of taxicab licenses that may be outstanding during the period January 1, 1991 through August 31, 1991 shall not exceed the number outstanding at midnight on December 31, 1990 as determined from departmental records. If Seattle and King County agree to a system of regional licensing so that a taxicab licensed in either jurisdiction may operate in both, the maximum limit shall be adjusted so that the owner of a vehicle under a license from both the City and King County for the same vehicle as of November 20, 1990 may receive either a license from Seattle or from King County for operation within Seattle/King County area but not two (2) regional licenses. The Director may issue supplemental licenses for cabulances to serve people using wheelchairs. (Ord. 115495 § 10(part), 1991.)

6.212.045 Allocation of licenses.

A. Single City/County License. To the extent that a taxicab license by Seattle or King County allows the licensee to operate within both Seattle and King County, only one (1) license may be issued for any one (1) vehicle. Taxicab licensees that on November 20, 1990 had a taxicab license from both Seattle and King County for the same vehicle or for a vehicle in service and one (1) not in service may elect to secure a Seattle taxicab

(Seattle 9-94)

license or a King County taxicab license but not both.

B. Preference for Current Holders. Licensees whose licenses are about to expire or have expired during the previous thirty (30) days shall receive preference for issuance of new taxicab licenses to replace the license currently held; provided, however, a licensee who has a taxicab license from King County and operates within an area newly annexed to the City may secure a license to continue operating his or her existing cab(s) or replacement cab(s).

C. Allocation of Remainder. The Director shall recommend for Council approval, a fair and equitable system for determining to whom any remaining licenses shall be issued. The system may, but is not required to, include: maintenance of waiting lists of applicants; adoption of an objective rating system of making selections among applications; consideration of applicants by their experience and driving records; and/or taking into account the willingness of applicants to locate in geographic neighborhoods with the greatest need for service.

(Ord. 115495 § 11(part), 1991; Ord. 115418 § 1(part), 1990; Ord. 115014 § 1(part), 1990; Ord. 114903 § 1(part), 1989; Ord. 114352 § 1(part), 1989; Ord. 113613 § 3(part), 1987.)

6.212.047 Transfer of licenses.

The owner of a taxicab vehicle license may transfer a license to any other motor vehicle of the licensee with the approval of the Director. A licensee may apply for a transfer of the taxicab license to another owner; an application for transfer confers the preference accorded a current license holder under SMC 6.212.045; in other respects, the transferee must complete an application and shall comply with all requirements of this chapter. The license for any taxicab not in actual use for a period of ninety (90) days shall, at the discretion of the Director, be considered abandoned.

(Ord. 115495 § 11(part), 1991; Ord. 115418 § 1(part), 1990; Ord. 115014 § 1(part), 1990; Ord. 114903 § 1(part), 1989; Ord. 114352 § 1(part), 1989; Ord. 113613 § 3(part), 1987.)

6.212.050 License—Indicia.

License indicia in such form and content as

prescribed by the Director, shall be issued with each taxicab license, and shall be attached to the vehicle as prescribed by the Director. Whenever license indicia is lost, stolen or destroyed, new indicia may be issued upon the payment of a replacement fee as specified in the License Fee Ordinance¹ and the filing of an affidavit of loss. If the original license indicia is recovered, it shall be returned to the Director promptly. Failure to comply with the provisions of this section is a violation.

(Ord. 109348 § 2(part), 1980; Ord. 108934 § 6.072, 1980.)

1. Editor's Note: The License Fee Ordinance is codified in Chapter 6.204 of this Code.

6.212.055 Condition of taxicabs.

Taxicabs shall be maintained, tuned, conditioned and/or have engine overhauls up to the standards and with the calendar frequency recommended by the manufacturer of the vehicle. To assure continuous reliability, the Director may require that at every fifty thousand (50,000) mile interval, the holder of the vehicle license present a certificate from an authorized dealer or reputable garage that the vehicle has been inspected through mechanical and diagnostic tests and has been found to be in good working order and appears suitable for use as a taxicab.

(Ord. 115495 § 12, 1991.)

6.212.060 Safety, meter, and posting inspections.

A. All taxicabs may be inspected from time to time as determined by the Director in response to complaints received or observations that such is desirable, for the purpose of determining proper equipment and safe, healthy, and sanitary conditions for the transportation of passengers, provided that inspections shall be conducted at least annually. The Director shall promulgate rules and regulations which set forth standards of safety, health, and sanitation required for taxicabs and the scope of taxicab inspections, including but not limited to standards regarding cleanliness, brakes, lights, tires, glass, seat belts, two-way radio or telephone communications, trunk or luggage carriage, headlights, exhaust, heaters, steering, suspension, taximeters, and any special equipment that may be required.

6.212.065 BUSINESS REGULATIONS

B. Recognizing that changing tire or wheel size, or tampering with the gears or seal of taximeters, or otherwise altering the approved operation of taximeters has sometimes occurred, and that such tampering is difficult to discover unless taximeters are closely inspected, the Director shall inspect all taximeters at least once each year, and may inspect them at any reasonable time to determine continuing compliance with the License Code and the Weights and Measures Code.¹

C. Recognizing that proper posting of taxicab rates inside the vehicle as determined by the Director is a crucial source of consumer information and that such posting cannot be checked for compliance unless the vehicle is entered for inspection, the Director shall inspect all rate posting for proper form, location, and information at least annually, and may so inspect at any reasonable time to determine continuing compliance with the License Code.¹

D. The Director may issue a temporary permit to operate a taxicab if the Department cannot provide for annual reinspection of a previously approved meter as required herein. The temporary permit shall expire at eight (8:00) a.m. on the first day that the Department can inspect the taxicab meter or on the sixtieth day following issuance, whichever occurs first. No temporary permit shall be issued unless all other conditions of this Code have been fulfilled.

(Ord. 115495 § 13, 1991; Ord. 111906 § 3, 1984; Ord. 110300 § 1, 1981; Ord. 109348 § 2(part), 1980; Ord. 108934 § 6.130, 1980.)

1. Editor's Note: The new license code is codified in Subtitle III of this title; the Weights and Measures Code is codified in Chapter 7.04 of this Code.

6.212.065 Authority of Director.

The Director is authorized to promulgate rules in accordance with the Administrative Code (Chapter 3.02; Ordinance 102228, as amended) for:

A. Assigning to each taxicab an identification number requiring the number be displayed, and directing the manner of its display in the interior and on the exterior of the taxicab;

B. Regulating the color scheme and business names of taxicabs and taxicab associations in order to assist the public in identifying and dif-

ferentiating taxicabs; making all color schemes subject to the Director's review and approval; requiring all taxicabs in a taxicab organization to use the same color scheme and trade name; and requiring a taxicab that is not part of a taxicab organization to use a color scheme, a sign, and/or lettering that clearly identifies it as an independent;

C. Requiring disclosure of information by taxicab associations comparable to that required of taxicab licensees; adoption of competency standards for mechanics who service, maintain or repair taxicabs; requiring that servicing, maintenance and/or repair be performed by mechanics satisfying the competency standards; and providing for inspection of the maintenance and service records of taxicabs, drivers and organizations;

D. Issuance of a temporary permit, valid for no more than thirty (30) days, to a licensee for the use of a taxicab as a temporary replacement for a licensed taxicab which is undergoing repairs or otherwise temporarily inoperable;

E. Reporting and return of property left by a passenger in a taxicab;

F. Acceptance of Municipality of Metropolitan Seattle (METRO) scrip from passengers, who present appropriate Metro identification, as payment for a fare, providing that the taxi driver or taxi company has a current contract with METRO to accept taxi scrip; maintenance of a prudent amount of cash for making change; and for acceptance of alternatives to cash (e.g., traveler's checks, money orders, personal checks, and Canadian currency) from passengers unable to make other payment;

G. Prohibiting unfair or deceptive acts or practices;

H. Regulating conduct of drivers while in a taxicab zone;

I. Establishing a system for receiving and processing complaints from passengers and other aggrieved persons; providing for investigation; allowing drivers, owners, or taxicab organizations an opportunity to respond to allegations involving them; mediating disputes; and making findings;

J. Distinguishing taxicabs from other vehicles that provide transportation for passengers; and

K. Surrendering vehicle licenses.
(Ord. 115495 § 14, 1991.)

(Seattle 6-91)

6.212.070 Grounds for license suspension, revocation, or denial.

In addition to the reasons set forth in SMC 6.202.230 as now or hereafter amended, a taxicab license also may be suspended, revoked, or denied upon a finding that the licensee or applicant has:

F. Used, or authorized to be used, a trade name, color scheme, or other identification upon a taxicab or in any advertising or public listing, which was likely to be confused with the registered trade name, scheme, or identification of another licensee or which tended to deceive or mislead the public as to the type of service offered;

G. Carried any passenger to the destination by a route that was not the safest and most direct, unless the customer specifically authorized the deviation or alternate route;

H. Refused to accept as a passenger any person who requested transportation when the taxicab was not already carrying a passenger, unless the person created a hazard to the driver's safety or was unable to pay the fare;

I. Operated, or authorized a person to operate a taxicab unless it was equipped with a taximeter, the taximeter had been inspected and approved by the Director, and on which the seal had not been broken, the size of the gears operating the taximeter had not been changed, and the taximeter had not been changed from one vehicle or another, or otherwise tampered with from the time of the Director's last inspection;

J. Activated the meter when the taxicab was not employed or failed to activate the meter at the beginning of each trip, unless the transportation was provided pursuant to a written contract or zone fare as required by ordinance;

K. Activated any equipment which indicated that the taxicab was carrying a passenger when it was not, or failed to activate such equipment when the taxicab was carrying a passenger;

T. Failed to provide or maintain the communication equipment required by SMC Section 6.212.250;

U. Declined to provide service to a neighborhood of Seattle or, unless the operator provided a sound basis therefor, refused to respond to a call from a dispatcher because of the location of the pickup;

V. Engaged in discrimination as an employer in violation of SMC Chapter 14.04, or discriminated in service to the public upon the basis of race, color, sex, marital status, sexual orientation,

political ideology, age, creed, religion, ancestry, national origin, or the presence of any sensory, mental or physical handicap, except where the same is a bona fide qualification in providing service;

W. The taxicab owner or driver has been convicted of a crime while using a taxicab. (Ord. 115492 § 1, 1991; Ord. 113613 § 8, 1987; Ord. 111906 § 4, 1984; Ord. 109635 § 2, 1981; Ord. 109348 § 2(part), 1980; Ord. 108934 § 6.150, 1980.)

6.212.080 Financial responsibility.

A. All taxicab licensees shall maintain and furnish to the Director proof of compliance with RCW Chapter 46.72, as now or hereafter amended, relating to financial responsibility. Such proof shall consist of proof of for-hire certification with the state of Washington.

B. Additionally, all licensees shall maintain a policy of underinsured motorist coverage which runs to the benefit of passengers. The City of Seattle need not be named as an additional insured, but, in any event, will be listed as a certificate holder on the policy. Proof of compliance will be a certificate of insurance indicating a minimum coverage of Ten Thousand Dollars (\$10,000.00) per person and Twenty Thousand Dollars (\$20,000.00) per accident. The City of Seattle will be notified at least ten (10) days in advance of a lapse of coverage.

C. Licensees may meet the above requirements for financial responsibility through a program of self-insurance pursuant to RCW 46.29.630.

D. If an insurance policy is cancelled, proof of a new policy must be filed with the City prior to the date of cancellation. If the City does not receive a new certificate of insurance prior to the date of cancellation, the taxicab license must be surrendered to the Director until such time that a new certificate of insurance is filed.

(Ord. 111906 § 5, 1984; Ord. 109673 § 1, 1981; Ord. 109348 § 2(part), 1980; Ord. 108934 § 6.170, 1980.)

6.212.090 Failure to pay judgment.

Failure to pay any judgment arising out of the taxicab business within thirty (30) days after the

judgment becomes final or to make any payment pursuant to such judgment shall result in denial, suspension, or revocation of a taxicab license. No taxicab license shall be renewed if payments on an outstanding final judgment are delinquent.

(Ord. 109348 § 2(part), 1980; Ord. 108934 § 6.180, 1980.)

6.212.100 Rates—Filing.

Each owner of an independent taxicab or each association representative shall present proof of authority to file rates, color scheme, trade name, or other identification scheme on behalf of a taxi business, in a form satisfactory to the Director, and shall file all rates and charges with the Director in a form as required by the Director. The original rates filed shall become effective on the effective date of the license.

(Ord. 115495 § 15, 1991; Ord. 109348 § 2(part), 1980; Ord. 108934 § 6.200, 1980.)

6.212.110 Rates—Changing.

Rates may be changed by filing a new rate schedule with the Director not more than two (2) times during the license year and not sooner than three (3) months after the most recent previous rate change. If the rate change does not necessitate a meter adjustment, the new rate becomes effective for each affected taxicab when the cab meter is approved; provided, that no taxicab affected by the rate filing shall operate after thirty (30) days following the filing of the new rate schedule unless its meter has been adjusted and approved by the Director. The Director may waive this limitation for good cause.

(Ord. 111906 § 6, 1984; Ord. 109348 § 2(part), 1980; Ord. 108934 § 6.210, 1980.)

6.212.115 Rate ceiling.

No rate may exceed a ceiling rate of ten percent (10%) above the average of rates filed with the City on January 1st of each year. The average rate for the filed drop and for the per mile charge will be calculated by multiplying the filed drop or mileage charge, respectively, by the number of vehicles in each taxicab company and taking a cumulative sum for each which is then divided by the number of taxis licensed by the City. The average rate and ceiling rate will be rounded off to the nearest Ten Cents (\$0.10). If the Director determines that any rate has been filed for the purpose of exaggerating the average rate so as not

to reflect the market condition, such rate may be disregarded in the foregoing calculation. In no event shall the rate ceiling exceed One Dollar Eighty Cents (\$1.80) drop and One Dollar Eighty Cents (\$1.80) per mile rate.
(Ord. 116832 § 1, 1993; Ord. 111906 § 7, 1984.)
