D. "License" includes the whole or part of any agency permit, certificate, approval, registration, or any form of permission required by law, including agency rules, to engage in any activity, but does not include a license required solely for revenue purposes.

E. "Rule" means any agency order, directive, or regulation of future effect, including amendment or repeal of a prior rule, which applies generally and which, if violated, subjects a person to a penalty or administrative sanction, including, but not limited to, an order, directive, or regulation which affects:

1. Any procedure, practice or requirement relating to agency hearings;
2. Any qualification or standards for the issuance, suspension or revocation of licenses;
3. Any mandatory standards for any product or material which must be met before distribution or sale; or
4. Any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law.

Such term does not include statements concerning only the internal management of an agency and not affecting private rights or procedures available to the public, declaratory rulings issued pursuant to Section 3.02.080, or rules relating to the use of public ways and property when substance of such rules is indicated to the public by means of signs or signals.  
(Ord. 107903 § 1, 1978: Ord. 102228 § 2, 1973.)

1. Editor's Note: The Charter is included at the beginning of this Code.

**3.02.030** Notice and hearing on adoption of rules.

Prior to the adoption, amendment or repeal of any rule, an agency shall:

A. Within the time specified by the ordinance authorizing such action, or if no time is specified, at least fourteen (14) days prior to the proposed action and at least ten (10) days prior to a public hearing, if any, give notice thereof by: (1) publication in a newspaper in accordance with the City Charter and, where appropriate, in such trade, industry, or professional publication, as the agency may select; and (2) by mailing or delivery to the address specified by any person who has

made written request therefor, which shall be filed with the agency and renewed annually. Such notice shall include: (a) a reference to the authority under which such rule is proposed; (b) an accurate description of the substance of the proposed rule or of the subjects and issues involved; and (c) a statement of the time and place of any public hearing, and manner in which interested persons may present data, views or argument thereon to the agency;

This shall be accompanied by a statement of the facts upon which the findings of an emergency and necessity are based. The adoption, amendment or repeal of a rule under this section shall be for a period of sixty (60) days unless the notice and hearing procedures set forth in Section 3.02.030 have been complied with within this time period, or unless there has been a more limiting statement placed within the rule itself. This emergency sec-

tion does not relieve any agency from compliance with any law requiring that the adoption, amendment or repeal be approved by designated persons or bodies before they become effective, nor shall any action be taken under this section which affects any pending case or controversy. NOTIFICATION OF “GOOD SAMARITAN”  
LAW

You have been requested to provide emergency assistance by a representative of a designated hazardous materials incident command agency. To encourage your assistance, the Washington State Legislature has passed "Good Samaritan" legislation (Chapter 4.24 RCW, part) to protect you from potential liability. The law reads, in part:

"Any person who, in good faith, renders emergency care, assistance, or advice with respect to a hazardous materials incident is not liable for civil damages resulting from any act or omission in the rendering of such care, assistance, or advice, other than acts or omissions constituting gross negligence or wilful or wanton misconduct."

The law requires that you be advised of certain conditions to ensure your protection:

1. You are not obligated to assist and you may withdraw your assistance at any time.
2. You cannot profit from assisting.
3. You must agree to act under the direction of the incident commander.
4. You are not covered by this law if you caused the initial accident or if you are a public employee doing your official duty.

I have read and understand the above.
