(Amended during 9-98 supplement; Ord. 118397 § 12, 1996; Ord. 109129 § 11, 1980; Ord. 106965 § 1, 1977.)

Subchapter III Motor Vehicles

3.18.140 City motor vehicle fleet.

A. Municipal Use. City owned or leased motor vehicles shall be used exclusively for the conduct of municipal business, except as provided in subsection D of this section.

B. Assigned Vehicles. Where the normal operations of a City department extend beyond established work headquarters and work hours, and based on the substantiated needs of such department for adequate supervision or job performance, such vehicles may be assigned on the following basis:

1. Assignment of motor vehicles for a period of approximately one (1) year, and until a superceding assignment is made, to City officials and employees who because of the nature of their work should have vehicles assigned to them, and authorization to garage such vehicles at the individual residences of the employees to whom assigned, shall be pursuant to resolution of the City Council.

2. As soon as practicable after the end of each calendar year, the Executive Services Director (called the "Director" in this section) shall sub-

mit to the City Council a list of the officials and employees to whom a vehicle should be assigned for the next succeeding year in accordance with the following criteria:

a. The relative cost of having an employee provide his or her own transportation (whether in automobile reimbursement or lost productive time) is greater than the cost associated with overnight vehicle use; or

b. Employees who, on a continuous basis, have primary supervisory responsibility (first called out) in case of an emergency and whose immediate response is required to save life or property, including employees and officials who have responsibilities of implementing the City's disaster plan; or

c. Employees who, on a continuous basis, are on call in case of an emergency and who require special tools and equipment carried in their assigned vehicles in order to perform their emergency duties.

3. Assignments of motor vehicles for periods not to exceed two (2) thirty (30) day consecutive periods, and authorization to garage such vehicles at the individual residences of the employees to whom assigned, may be made by each employee's appointing authority, or by his or her designee, when the need for such an assignment is consistent with the criteria established by this section.

C. Shared Use of City Vehicles. All City-owned or leased motor vehicles shall be available on a shared basis for the conduct of municipal business to officers and employees who have a valid Washington State driver's license, under such rules and regulations as the Director may prescribe.

D. Private Use Prohibited. Nothing herein shall imply, nor shall any permission be granted to use any City owned or leased motor vehicle for personal purposes, and the transportation of passengers in any such vehicle is prohibited except in the furtherance of municipal business, provided that City employees may ride directly to and from work in an assigned vehicle when the person to whom the vehicle is assigned and the riding employees are registered with Seattle Transportation as a carpool.

E. Administration of Motor Pool. The Director shall maintain a central motor pool, for the purpose of providing shared vehicles to meet the short-term transportation needs of City employees

(Seattle 9-98)

who work in the central business district. The Director shall prepare regular quarterly reports on the assignment and use of City vehicles, and such reports shall be reviewed with department representatives in regular quarterly meetings.

Subchapter IV Leases of City Property

3.18.150 Review of Contracting Services Division recommendations for contract awards by the Hearing Examiner.¹

A. The Hearing Examiner shall hear and make a recommendation to the Executive Services Department Director with respect to any protest by a bidder in connection with the awarding of a public works or purchase contract including, but not limited to, a determination by the Director of Contracting Services regarding: the immateriality of one (1) or more bidding errors, omissions, or variations; selection of a bidder as the apparently lowest and best bidder; implementation of SMC Chapters 20.44 (City Contracts—Prevention of Discrimination) and 20.46A (Women's and Minority Business Enterprise Utilization); and the rejection or disqualification of any bidder.

B. Bid protests shall be heard in an informal manner. Notwithstanding the provisions of SMC Chapter 3.02, the Hearing Examiner shall not act in an appellate capacity with respect to the hearing of any protest, but shall be limited to making an advisory recommendation to the Executive Services Department Director on the bid protest. Bidders may, but are not required to, have their protests heard by the Hearing Examiner prior to seeking other appropriate relief as may be provided by law.

C. The Hearing Examiner shall adopt appropriate rules for the hearing of bid award protests given the informal nature of such hearings. Bid award protests are not contested cases for the purpose of the Hearing Examiner's review and recommendation and the requirements of SMC Sections 3.02.090 and 3.02.100 for contested cases shall not apply.

(Ord. 118530 § 1, 1997.)

1. Editor's Note: The requirements of Ord. 118530 are for the purpose of implementing a pilot project and only shall be in effect until, and only apply to bid protests, on bids received on or before April 1, 1998.

The Executive Services Director is authorized to execute and deliver, for and on behalf of the City, all documents he or she shall deem necessary or appropriate in connection with any lease or sublease authorized in this section. The authority in this section is limited as follows:

The Executive Services Director shall use a standard lease form or forms prepared with the assistance or advice of the City Attorney or, contingent upon prior consultation with the City Attorney regarding the differences between the standard and any nonstandard form, such nonstandard form lease; and

B. The total term of any new lease together with all extensions of the initial term thereof, and the total term of any existing lease together with all extensions of the term thereof, shall not exceed five (5) years in duration; provided, however, that this limitation shall not restrict the authority of the Executive Services Director to negotiate and to enter into new leases for the same property with the same tenant upon terms and conditions different from any earlier lease pertaining to such property; and

C. The consideration to be paid to the City for the leases and lease term extensions shall be in the form of legal tender of the United States of America or services rendered to or for the benefit of the City, or a combination thereof, in such amounts or value as shall be reasonable under the circumstances considering the negotiated terms of the occupancy or use, condition of the premises, and

To provide for the reimbursement of the Executive Services Fund for expenses incurred in the maintenance, repair, and administration of the property leased pursuant to the authority of this subchapter, the City Finance Director is authorized and directed to deduct from the rental payments received from the leasing of such property amounts equal to such expenses of the Executive Services Department, to deposit such amounts in the Executive Services Fund, and to deposit the remainder of such funds (if any) in the fund from which money was expended to acquire said property.

(Amended during 9-98 supplement; Ord. 118397 § 15, 1996; Ord. 116368 § 41, 1992; Ord. 109118 § 3, 1980; Ord. 107634 § 3, 1978.)

3.18.806 Competitive bidding—Cost over \$30,000.00.

A. Except in emergencies provided for in this subchapter, all expenditures for supplies, materials, equipment, and services within the purview of this subchapter the estimated cost of which is in excess of Thirty Thousand Dollars (\$30,000.00) per requisition shall be made on written contract entered into upon the basis of competitive bids and are subject to the preferences provided by SMC Section 3.18.910. Notices inviting sealed competitive bids shall be published at least once in the City official newspaper, and at least five (5) calendar days must intervene between the date of the last publication and the final date for submitting the bids; provided, that purchases of patented or proprietary items available from a single source, or purchases or contracts for services within the purview of this subchapter where competitive bidding is deemed impracticable by the Executive Services Director, shall be exempt from the competitive bidding requirements of the section; provided, further, that the purchase of supplies, materials, and equipment to be resold by the using agency may be negotiated for by the Executive Services Director when, in his or her judgment, the lowest and best price can be obtained by such negotiation.

B. All such bids shall be submitted sealed to the Executive Services Director and shall be accompanied by surety in such form and amount as shall be prescribed by the Executive Services Director in the notice inviting bids.

C. The bids shall be opened in public at the time and place stated in the notice inviting bids. No bids will be considered which arrive at the place of bid opening at any time later than the time specified in the notice inviting bids. After examination and tabulation by the Executive Services Director, all bids may be inspected by the competing bidders. The Executive Services Director may reject any or all bids, or part of bids, and shall state in writing and keep a record of the reason or reasons for such rejection, which record shall be open to public inspection. Otherwise the Executive Services Director shall award the contract to the lowest and best bidder, or in the case of multiple awards to the lowest and best bidders. In determining the lowest and best bidder, the Executive Services Director may consider such factors, among others, as quality, delivery terms, and service reputation of the vendor.

D. An Invitation to Bid may specify that life cycle costing will be used either as the exclusive basis for evaluating bids or on an alternative basis. If sufficient life cycle cost information is readily available, the Executive Services Director shall consider the life cycle cost in determining the lowest and best bid in accordance with the Invitation to Bid. "Life cycle cost" means the total cost to the City of the supplies, materials, or equipment procured over its estimated useful life, including costs of selection, acquisition, operation, maintenance, and where applicable, disposal as far as these costs can be reasonably determined, minus the salvage value at the end of its estimated useful life. The "estimated useful life" means the estimated time from the date of acquisition to the date of replacement or disposal, determined in a reasonable manner.

E. When in the judgment of the Executive Services Director, bids require further information and analysis for the purpose of determining the lowest and best bidder, he/she may request that bidders provide pertinent information, and on receipt thereof may negotiate with one (1) or more bidders and award such contract to the lowest and best bidder as determined by such negotiation.

F. When two (2) or more low bids received are for the same total amount or unit price, the Executive Services Director may allow such tied bidders to offer a lower price or may make such purchase in the open market at a price not exceeding such bid price.

G. The Executive Services Director may require, before any contract is executed, that the successful bidder furnish a performance bond in such amount as said official shall find reasonable and necessary, which requirement shall be stated in the notice inviting bids. All surety bonds shall be subject to approval as to form by the City Attorney. If the successful bidder does not enter into a contract and file any required surety within ten (10) days after the award, such bidder shall forfeit the surety which accompanied its bid. A copy of each contract covering a term of three (3) months or more together with any required surety for performance thereof, shall be filed with the City Clerk.

H. As authorized by RCW 39.30.040, for determining the lowest and best bidder, the Executive Services Director shall take into consideration the tax revenues derived by the City from its business and occupation or utility taxes (Seattle

Municipal Code Chapters 5.44 and 5.48) and its sales and use taxes (Seattle Municipal Code Chapter 5.60) from the proposed purchase.

(Ord. 118397 § 20, 1996; Ord. 118338 § 1, 1996; Ord. 117242 § 2, 1994; Ord. 117159 § 8, 1994; Ord. 116270 § 1, 1992; Ord. 116131 §§ 1, 2, 1992; Ord. 116007 §§ 13, 27(part), 1991; Ord. 116004 § 1, 1991; Ord. 113501 § 1, 1987; Ord. 110009 § 1, 1981; Ord. 105150 § 1, 1975; Ord. 104710 § 1, 1975; Ord. 102151 § 5, 1973.)

Cases: In letting a contract pursuant to City's competitive bidding law, Purchasing Agent did not have the right, after the bid opening, to negotiate with an individual bidder to lower the bidder's bid price without giving the same opportunity to all bidders. *Platt Elec. Sup., Inc. v. City of Seattle*, 16 Wn.App. 265, 555 P.2d 421 (1976).

3.18.808 Zoo animals and specimens.

The Executive Services Director shall effect acquisition or disposal by sale, purchase, trade, exchange, or loan, of all zoo animals and other zoo specimens and where competitive bidding is deemed impracticable by the Executive Services Director, such acquisition or disposal shall be exempt from the competitive bidding requirements of this subchapter and the same may be effected by negotiated agreements by the Executive Services Director in cooperation with the Superintendent of Parks and Recreation in accordance with such procedures as may be established by the Executive Services Director.

(Ord. 118397 § 21, 1996; Ord. 116007 §§ 14, 27(part), 1991; Ord. 104710 § 2, 1975; Ord. 102151 § 5A, 1973.)

3.18.810 Expenditures under \$30,000.00.

All expenditures for supplies, materials, equipment, and services within the purview of this subchapter, the estimated cost of which will not exceed Thirty Thousand Dollars (\$30,000.00) per requisition may be made in the open market; provided, that to the extent possible, the Executive Services Director or his or her designated representative shall endeavor to obtain from prospective vendors at least three (3) competitive

bids, and shall award such purchase to the lowest and best bidder, subject to the preferences provided by SMC Section 3.18.910. The Director or his or her designated representative may, in his or her discretion, determine the lowest and best bidder for expenditures under Thirty Thousand Dollars (\$30,000) per requisition by the same criteria as used for larger purchases. When the Invitation to Bid so specifies, and if sufficient life cycle cost information is readily available, the Executive Services Director shall consider the life cycle cost in determining the lowest and best bidder in accordance with the Invitation to Bid.

(Ord. 118397 § 22, 1996; Ord. 118338 § 2, 1996; Ord. 117159 § 9, 1994; Ord. 116270 § 2, 1992; Ord. 116131 § 3, 1992; Ord. 116007 § 15, 1991; Ord. 116004 § 2, 1991; Ord. 110009 § 2, 1981; Ord. 102151 § 6, 1973.)

3.18.812 Open market purchases where bidding is impractical.

The Executive Services Director or his or her designated representative may secure in the open market without bids any supplies, materials, equipment, or services within the purview of this subchapter, the cost of which will not exceed Five Thousand Dollars (\$5,000) per item, when the delay and expense of handling bids on small purchases would not be advantageous to the City. Notwithstanding the provisions of Chapter 3.24, the Executive Services Director may delegate any or all of the powers in this section to other departments at his or her discretion.

(Ord. 118833 § 4, 1997; Ord. 118397 § 23, 1996; Ord. 118338 § 3, 1996; Ord. 116007 §§ 16, 27(part), 1991; Ord. 102151 § 7, 1973.)

3.18.814 Emergency purchases.

In case of an emergency which requires immediate purchase of supplies, materials, equipment, or services within the purview of this subchapter the Executive Services Director or such other City officers or employees authorized by ordinance or rule to act in such event may make such purchases in the open market without advertisement at the best obtainable price regardless of the amount of the expenditure; and in determining the best price, such factors, among others, as quality, delivery terms, and service reputation of the vendor, may be considered; provided, that expenditures amounting to more than Ten Thousand Dollars (\$10,000) per requisition shall be based on written

contract; and provided, further, that a full explanation of the circumstances of such emergency shall be filed by the using agency with the Executive Services Director.

(Ord. 118397 § 24, 1996; Ord. 116007 §§ 17, 27(part), 1991; Ord. 102151 § 8, 1973.)

3.18.816 Items purchased by published price list.

In the purchase of supplies, materials, equipment or services needed continuously or repeatedly, including catalog or standard production items, the price of which is determined by published price lists, the Executive Services Director may enter into "open-end," "blanket-order," or "price-agreement" contracts.

(Ord. 118397 § 25, 1996; Ord. 116007 §§ 18, 27(part), 1991; Ord. 102151 § 9, 1973.)

3.18.818 Leasing or rental of equipment.

The leasing and renting of equipment by the using agencies shall be contracted for by the Executive Services Director, subject, where practicable, to competitive bidding.

(Ord. 118397 § 26, 1996; Ord. 116007 §§ 19, 27(part), 1991; Ord. 102151 § 10, 1973.)

3.18.820 Repair or maintenance of equipment.

In the repairing or maintenance of City equipment where the City is not equipped or able to perform the work, and when it is impossible to estimate the repairs necessary until such equipment is dismantled, the Executive Services Director may award a contract or contracts to those responsible firms that he or she is convinced can do satisfactory repairing.

(Ord. 118397 § 27, 1996; Ord. 116007 §§ 20, 27(part), 1991; Ord. 102151 § 11, 1973.)

3.18.822 Inspection of deliveries.

A. The Executive Services Director shall be responsible for the inspection of all deliveries of supplies, materials, equipment, and services within the purview of this subchapter, and the acceptance thereof as to conformance with the specifications set forth in the order or contract.

B. To facilitate such inspection, personnel employed by the using agencies and having assigned responsibility for receiving supplies, materials, equipment, and services may be designated as representatives of the Executive Services Director to make inspections and accept deliveries in

accordance with rules and regulations prescribed by the Executive Services Director.

C. All such supplies, materials, equipment or services shall be receipted for by an authorized Executive Services Department receiving clerk or by such designated representative in the using agency, and a written report of such receipt shall be transmitted to the Executive Services Director. No payment shall be made for any such supplies, materials, equipment, or services unless the same have been receipted and a written report thereof has been made as provided in this section.

D. The return or exchange of any merchandise received by a using agency shall be handled directly through an Executive Services Department receiving clerk or such a designated representative in the using agency, who shall obtain a credit memorandum from the firm which originally supplied the merchandise.

E. Invoices issued against such supplies, materials, equipment, leases, rentals, repairs, or services shall be submitted to the Executive Services Director, who shall approve the same as to price, delivery, or work performed before any voucher for payment shall be issued.

(Ord. 118397 § 29, 1996; Ord. 116007 §§ 21, 27(part), 1991; Ord. 102151 § 12, 1973.)

3.18.824 Reports of supplies on hand—Sale or transfer of surplus.

All using agencies shall submit to the Executive Services Director, at such times and in such form as he or she shall prescribe, reports showing stocks of supplies, materials and equipment on hand awaiting use. When any stock is surplus or no longer of use to any using agency, the Executive Services Director may transfer it to another or other agencies which have need for it, subject to adjustment between the agencies concerned. The Executive Services Director may sell all supplies, materials, and equipment not needed for public use or that may have become unsuitable for public use; provided, that any such sale shall be based on competitive bids in the same manner required for purchases unless the Executive Services Director shall determine competitive bidding to be impracticable.

(Ord. 118397 § 29, 1996; Ord. 116007 §§ 22, 27(part), 1991; Ord. 102151 § 13, 1973.)

(Seattle 3-98)

3.18.826 Testing of samples.

The Executive Services Director may prescribe chemical and physical tests of samples submitted with bids and samples of deliveries to determine their quality and conformance with the City's specifications. These tests may include tests which evaluate a product's ability to meet recycled content standard product specifications established in SMC Section 3.18.908. In the performance of such tests, the Executive Services Director may use private testing laboratories. The costs of such tests shall be charged to the appropriate budget allowance of the using agency on whose behalf such test is made.

(Ord. 118397 § 30, 1996; Ord. 116270 § 3, 1992; Ord. 116131 § 4, 1992; Ord. 116007 §§ 23, 27(part), 1991; Ord. 102151 § 14, 1973.)

3.18.830 Examination of requisition—Brand and trade names.

A. It shall be the duty of the Executive Services Director to examine each requisition and specification submitted by any using agency and determine whether the same is clear and may be readily understood by prospective bidders and provides a sound basis for competitive bidding. When, in the judgment of the Executive Services Director, any requisition or specification is vague, ambiguous or unduly restricts competitive bidding, he or she shall return the same to the using agency for clarification or modification.

B. The Executive Services Director shall avoid, to all practicable extent, the use of brand or trade names as criteria for procurement of supplies, materials, equipment and services when, in his or her judgment, such purchases can be accomplished to the greater advantage of the City through use of general specifications.

(Ord. 118397 § 31, 1996; Ord. 116007 §§ 25, 27(part), 1991; Ord. 102151 § 16, 1973.)

3.18.840 Escalation of dollar limits.

A. As of January 1, 1997, all monetary amounts specified in Sections 3.18.806 and 3.18.810 shall be annually adjusted hereafter by the Executive Services Director, consistent with the formula described in SMC Section 3.114.140 for adjustment of the consultant selection threshold, so that the thresholds for competitive bidding for purchases and the consultant selection threshold are maintained at the same amount.

B. As of January 1, 1997, the monetary amounts specified in Section 3.18.812 shall be adjusted every five years by the Executive Services Director immediately following publication of the preceding year's annual Consumer Price Index for all urban consumers Seattle-Tacoma metropolitan area, All Items (1982—84 = 100), as determined by the U.S. Department of Labor, Bureau of Labor Statistics, to eliminate the effects of inflation or deflation on purchasing power and the authority granted by this subchapter. C. Provide content standards for recycled content and recyclable products for use in procurement programs by all departments;

D. Provide the Executive Services Director with the necessary authority to adopt preferential

purchasing policies for recycled content and recyclable products, including price preferences and set-asides.

1. The recycled content product meets product specifications established by the Executive Services Director;

2. The recycled content product is available from at least one vendor in sufficient quantity to meet City needs.

B. The City shall require, whenever practicable, its vendors, contractors and consultants to use recycled content paper on all documents submitted to the City. In addition, the City shall require, whenever practicable, its vendors, contractors and consultants to use reusable products, recycled-content products and recyclable products.

C. The City shall establish the following goals, at a minimum, for the purchase of recycled content paper products, compost products, and rerefined lubricating oil products:

1. Recycled-content paper products as a percentage of the total dollar amount of paper products purchased on an annual basis:

a. At least forty percent (40%) by 1993,

b. At least fifty percent (50%) by 1994,

c. At least sixty percent (60%) by 1995;

2. Compost products as a percentage of the total dollar amount of soils purchased on an annual basis:

a. At least fifty percent (50%) by 1994,

b. At least eighty percent (80%) by 1995.

D. The Executive Services Director shall use recycled material content as a factor in determining the lowest and best bid in its procurement of goods and materials.

E. The Executive Services Director shall promote the use of recycled content products and recyclable products to potential vendors to the City by publicizing their availability.

F. The Executive Services Director, through the procedures set forth in SMC Chapter 3.02, is authorized to establish guidelines and/or rules to further the intent of this section and ordinance.

G. All terms, conditions and requirements of this section shall apply equally to the Executive Services Director and any department when it acts to acquire any aspects of public works for the City.

H. These policies are intended to follow guidelines established by the United States Environmental Protection Agency for preferential procurement of recycled content products.

(118397 § 36, 1996: Ord. 116726 § 1, 1993: Ord. 116270 § 4(part), 1992.)

3.18.906 Annual report.

A. Beginning March 15, 1994, the Executive Services Director shall provide an annual report to the City Council on or before March 15th of each year on the progress of implementation of the Recycled Content Product Program required in Resolution 28556. The Executive Services Director may require periodic reporting by other departments to the Executive Services Department for the purpose of developing this report.

B. The Executive Services Director shall compile records of purchases by departments for inclusion in the annual report. The report shall

include all purchases in excess of One Thousand Dollars (\$1,000.00). At a minimum, the report will include the following components:

1. The percentage of post-consumer and/or secondary waste in any recycled-content products actually purchased;

2. Price information comparing the cost of recycled content products to similar virgin products where applicable;

3. Information identifying the quantity of recycled-content products procured over a fiscal year as well as the percentage of total purchase dollars spent on recycled-content products within a given product category;

4. The availability of recycled content products;

5. The type of performance tests conducted on recycled content products and the nature of test failures, if any;

6. Department experience with the performance of recycled-content products;

7. Recommendations for changes in the Recycled Content Product Procurement Program, including recycled-content standards for additional products;

8. A discussion of potential products or product categories for which recycled content standards might be developed in the future;

9. A comparison of the performance of The City of Seattle's Recycled Content Product Procurement Program with other relevant jurisdictions.

C. Beginning February 1, 1994, each department shall report its actions to comply with the Recycled Content Procurement Program to the Executive Services Director by February 1st of each year.

(Ord. 118397 § 37, 1996: Ord. 116726 § 2, 1993: Ord. 116270 § 4(part), 1992.)

(Ord. 116726 § 3, 1993.)

3.18.908 Standards for recycled content.

A. The Executive Services Director shall set or adopt standards that specify the minimum level of recycled materials, whether post-consumer waste

3.18.904 ADMINISTRATION

or secondary waste, necessary to qualify a product as a recycled-content product. The standards shall:

1. Be consistent with the USEPA and Washington State recycled-content standards, unless the Executive Services Director finds that different standards would significantly increase recycled-content product availability or competition. In no case shall these standards be less stringent than USEPA product standards;

2. Place primary emphasis upon the percentage of post-consumer waste content and the recyclability of the product.

B. The recyclability of a material shall be determined by whether or not in-City collection systems are in place to divert the material from City solid waste for use as a raw material in the manufacture of another product or the reuse of the same product. The existence of regional markets and identifiable end uses for a material shall also be taken into consideration when determining the recyclability of a material.

C. The Executive Services Director shall consult with the appropriate departments regarding technical and performance specifications for products in those situations where a department has specific expertise in the use of the product and/or the establishment of the product's performance specifications.

D. By December 1, 1992, as part of the Recycled Content Procurement Plan identified in Resolution 28556, the Executive Services Director or his or her predecessor shall adopt recycled content standards for the following products or product categories:

1. Paper and paper products;
2. Building insulation;
3. Cement with fly ash;
4. Lubricating oils;
5. Latex paint;
6. The following products containing recycled glass: glass-plastic composite (GPC) sewer pipe, terrazzo and ceramic tile;

7. The following products containing recycled plastics: plastic lumber (park benches, picnic tables, piles, caissons, decks, raised walkways, fences and gates, landscape timbers, dimensional lumber and decking materials); traffic products (parking stops, bike racks, speed bumps and wheel chocks); bathroom products (toilet compartments, shower and dressing compartments); carpet and synthetic fiber cushions; and playground equipment.

The Executive Services Director shall adopt specifications for the following products or product categories:

1. Retread tires;
2. Compost; and
3. Glass cullet including utility bedding, backfill, roadbase mix, landfill cover, and wastewater filtrations mediums.

E. The standards and specifications established pursuant to this section shall guide product purchasing by the Executive Services Director and all departments. Under no circumstances shall the standards established pursuant to this section be less stringent than USEPA product standards.

F. Standards established pursuant to this section shall be developed for any additional products for which either Washington State or USEPA recycled-content standards are developed in the future. In addition, the Executive Services Director may, at his or her discretion, adopt content standards for products for which standards have not been established by Washington State or the USEPA.

G. Existing procurement policies and specifications shall be revised to include recycled content products or recyclable products unless a recycled content product or recyclable product does not meet an established performance standard of a department. In such situations, a department must provide the Executive Services Director with satisfactory evidence that, for technical reasons, and for a particular end use, a product containing such materials will not meet reasonable performance standards. Upon submission of evidence satisfactory to the Executive Services Director, a department will be granted a waiver by the Executive Services Director. Such waiver shall not be granted for more than two (2) years without reissuance of a waiver within guidelines established by the Executive Services Director.

(Ord. 118397 § 38, 1996; Ord. 116726 § 4, 1993; Ord. 116270 § 4(part), 1992.)

3.18.910 Price preference.

A. The Executive Services Director shall adopt rules for applying a price preference toward the purchase of recycled-content products identified in SMC Section 3.18.908 D. The rules shall be applicable to purchases by the Executive

(Seattle 3-98)

Services Director and all departments for those products identified in SMC Section 3.18.908 D as well as for other products for which content standards are developed according to SMC Section 3.18.908 F. The rules shall include a maximum price preference of ten percent (10%) of the lowest and best bid or price quoted by suppliers offering products without recycled content for recycled content products (as defined in SMC Section 3.18.902), unless the Executive Services Director determines that a different price preference is warranted based upon factors such as the prevailing market price, product availability, and product quality. The rules shall include a price preference of fifteen percent (15%) of the lowest and best bid or price quoted by suppliers offering products without recycled content, for local recycled-content products (as defined in SMC Section 3.18.902), unless the Executive Services Director determines that a different preference is warranted based upon factors such as the prevailing market price, availability and product quality.

B. A price preference shall be applied only to those bids where a nonrecycled content product is determined to have the lowest and best bid and similar products with recycled content have also responded to the bid. Where the Executive Services Director determines that the purchase of a recycled-content, recyclable or reusable product is practicable as defined in SMC Section 3.18.904, a price preference shall not be applied. Upon determination that the purchase of such a product is practicable, the Executive Services Director shall require that recycled content, recyclability or reusability be required as specifications in any invitations to bid for that product.

C. Prior to the adoption of rules under subsection A of this section, the departments may provide a maximum ten percent (10%) price preference for a product that meets the USEPA product standards.

(Ord. 118397 § 39, 1996: Ord. 116270 § 4(part), 1992.)

3.18.912 Requirements for purchase contracts.

A. The Executive Services Director shall use the standards, procedures, and criteria specified in this chapter in conjunction with other factors as authorized by Charter¹ and ordinance. If a bidder, in response to any invitation to bid, offers to supply the City with one (1) or more recycled-content or recyclable products, the Executive Services Director shall reduce the actual bid

amount for each such product by the applicable price preference developed pursuant to SMC Section 3.18.910. The reduced bid amount for each such product shall be used only for purposes of determining the lowest and best bid. However, nothing in this Subchapter IX shall preclude the Executive Services Director from requiring local recycled content, recycled content or recyclable content as specifications in invitations to bid for any products. The Executive Services Director may adopt specifications requiring that only local recycled-content products, recycled-content products or recyclable-content products be responsive even though the cost of such goods exceeds ten percent (10%) of the price of equivalent products without recycled content.

(Ord. 118397 § 40, 1996: Ord. 116270 § 4(part), 1992.)

1. Editor's Note: The Charter is set out at the front of the Seattle Municipal Code.

3.18.914 Bid notification.

A statement regarding the Executive Services Director's or a department's intent to procure recycled-content products or recyclable-content products must be prominently displayed in the procurement solicitation or invitation to bid including:

3.18.910 ADMINISTRATION

A. A statement in each product specification describing the post-consumer waste content or recycled-content preferred; and

B. A statement describing the City's price preference policy for recycled-content products and the manner in which such price preference for recycled-content products shall be applied in evaluating the responses or bids; and

C. A statement that the Executive Services Director or any department which procures a product shall have the right to verify the certification by review of the bidder or manufacturer's records as a condition of the bid award.

(Ord. 118397 § 41, 1996; Ord. 116270 § 4(part), 1992.)

3.18.916 Vendor certification of recycled material content.

A. After December 1, 1992, vendors shall certify the percentage of recycled content in products sold to the City, including the percent-

age of post-consumer waste that is in the product. The certification shall be in the form of a label on the product or a statement by the vendor attached to the bid documents.

B. The certification on multicomponent or multimaterial products shall verify the percentage and type of postconsumer waste and recycled content by volume contained in the major constituents in the product.

C. Products which meet certification rules and guidelines adopted by The State of Washington shall be deemed to meet the requirements of this section.

(Ord. 116270 § 4(part), 1992.)

3.18.918 Rules and regulations for procurement of paper and paper products including the following provisions.

A. The Executive Services Director and departments shall purchase and/or use only recycled-content paper for all imprinted letterhead, envelope and business card paper, file folders, writing and message tablets, photocopy paper, sanitary papers, packaging papers, and printing papers. In addition, the Executive Services Director and departments shall purchase recycled-content photocopy paper that has not been bleached with a chlorine-based lighting process, including elemental chlorine gas, chlorine dioxide, or hypochlorite when nonchlorinated bleached photocopy paper is readily available and similarly priced.

B. Departments shall publicize the City's use of recycled paper by printing the words "Printed on Recycled Paper" or a recycled content logo on all letterhead, envelope and business card paper and on the title page of all reports printed on recycled paper, or by using recycled paper which is watermarked with the recycled content logo.

(Ord. 118397 § 42, 1996; Ord. 116726 § 5, 1993; Ord. 116270 § 4(part), 1992.)

3.18.920 Requirements and procedures for designation and procurement of other recycled-content products and recyclable products.

Any department or vendor may petition the Executive Services Director to qualify a product as a recycled content or recyclable product on a case-by-case and/or product-by-product basis. The department or vendor shall be responsible for providing sufficient evidence to the Executive

Services Director that the product qualifies for the purpose of procuring recycled content or recyclable products.
(Ord. 118397 § 43, 1996; Ord. 116270 § 4(part), 1992.)

3.18.922 Capital improvement projects and construction contracts.

A. The City's preference for the purchase and use of recycled-content products shall be included as a factor in the design and development of City capital improvement projects.

B. Where the Seattle Design Commission is required to review proposals for the design of a project, the Commission shall promote reasonable attempts to include recycled-content products.

C. All City departments shall change their standard specifications to include recycled-content products and materials listed in Subchapter IX of this chapter.
(Ord. 116726 § 6, 1993; Ord. 116270 § 4(part), 1992.)

3.18.924 Responsibilities of the Executive Services Director.

The Executive Services Director is responsible for:

A. Collecting data on purchases (as a percent of total dollars purchased) by departments of recycled-content products and recyclable products on purchase orders;

B. Maintaining a directory of recycled-content products and recyclable products and vendors who carry these products;

C. Disseminating product information to departments, and creating and maintaining a "recycled-content product sample showroom" that would be accessible for all departments and interested general public;

D. Developing and establishing rules, guidelines and specifications necessary to implement and further the intent of this Subchapter IX.
(Ord. 118397 § 44, 1996; Ord. 116270 § 4(part), 1992.)

3.18.926 Exemptions.

Nothing in this Subchapter IX shall be construed as requiring a City department or contractor to procure products that do not perform adequately for their intended end use as specified in Section 3.18.908.
(Ord. 116270 § 4(part), 1992.)
