1. Editor's Note: The Charter is set out at the front of this Code.

4.04.040 Administration.

A. There shall be a personnel system for the City, administered by the Director of Personnel. The Director shall be appointed, confirmed, and removed as provided in Section 3.24.030 C.

B. The duties of the Director include:

1. Promote the improvement of City personnel administration, and personnel standards within the City;

4.04.045 Temporary employment service.

The Personnel Director is authorized to develop and implement a temporary employment service to provide temporary workers to City employing units upon request therefor and upon payment by the requesting employing unit of the cost of such service. Because an arbitrary limitation on the number of temporary workers to be hired to implement this authorization would impede the operation of such service, all positions to be occupied by such temporary workers are hereby created, and the Personnel Director is authorized, with approval of the Budget Director or his/her designee, to fill whatever number of positions he/she determines is necessary to operate such service for City employing units. The Personnel Director may delegate authority to department heads to fill temporary worker positions when such delegation would improve the quality of the temporary employment service or would result in cost efficiencies.

(Ord. 118404 § 1, 1996; Ord. 114811 § 1, 1989.)

4.04.060 Emergency rules.

A. When the Director finds that there is the immediate need for a rule for administration of the personnel system in order to prevent a substantial loss to the City, or the impairment of its business, or undue hardship to its employees, the Director may make an emergency rule, upon identifying the emergency in writing, to the Mayor and City Council.

B. Emergency rules shall remain in effect only until a permanent rule, passed pursuant to Ordinance 102228,¹ becomes effective, or for sixty (60) days, whichever is shorter. (Ord. 107790 § 6, 1978.)

(Each term in quotation marks is defined in Section 4.20.850.) (Ord. 115464 § 2, 1990; Ord. 107790 § 7, 1978.)

The Personnel Director shall implement and administer the Alternative Dispute Resolution Program substantially in accord with The City of Seattle Alternative Dispute Resolution Program Management Plan, which is incorporated by this reference.

B. The Alternative Dispute Resolution Program (hereinafter referred to as the program) will consist of a mediation component to promote the resolution of disputes through mediation, conciliation and conversation facilitated by a neutral third party; a training component to develop conflict resolution skills in managers and employees; and a group facilitation component to provide problem-solving resources for workgroups in conflict.

C. An employee's participation in a program-sponsored mediation, facilitated conversation or related activity shall be confidential to the extent permitted under state and federal laws.

D. It is the policy of the City that participation in the program shall be on a voluntary basis. Participation in the program is not intended to deprive employees of their ability to exercise any other contractual or legal rights to seek resolution of their concerns.

E. Regularly appointed full-time and part-time employees, including exempt, probationary and regular employees, are eligible to participate in the program. Temporary workers, including seasonal, intermittent, on-call and contract employees and workers employed through City Personnel's Special Employment Programs Unit may not initiate a mediation or related activity through the program, but may, at the discretion of the Alternative Dispute Resolution Coordinator, participate in a mediation or related activity that has been initiated by a regularly appointed employee or employees.

F. Time spent in an official mediation or related activity shall be considered regular pay hours for compensation purposes.

(Ord. 120278 § 1, 2001.)

4.04.080 Affirmative action.

E. Confidentiality. All elected public officials and appointed City officers assigned the responsibility of proposing, reviewing, or determining labor relations policies shall maintain strict confidentiality during the period of negotiations. (Ord. 107790 § 10, 1978.)

4.04.130 Classification.

A. The Personnel Director shall classify positions of employment in City government so as to group together positions sufficiently similar that the same title may equitably be applied to all, and may establish such classifications according to a wage and salary structure. Classification may be by budget title. Classification is not required for examination purposes, and need not precede examination for a position.

B. The Director may make rules for employees' transfers from one class to another without examination, provided, that such transfer shall not constitute a promotion; and provided, further, that the similarity of such classes can be documented.

(Ord. 110253 § 1, 1981; Ord. 107790 § 11, 1978.)

4.04.140 Employee compensation and benefits.

B. Review. The City may work temporary employees beyond one thousand forty (1040) regular hours within any twelve (12) month period. However, the City shall not use temporary employees to supplant permanent positions. After a position has been filled by a temporary employee for nine hundred sixteen (916) regular hours or more in a calendar year and the City wants to continue to have that work performed, the City shall, in its ensuing budget process, review the circumstances of that job and determine if that position should be staffed by a permanent employee in the future.

C. Assignment/Scheduling. The City will not assign or schedule temporary employees (or fail to do so) solely to avoid accumulation of regular hours that will increase premium pay provided in Section 4.20.055, or solely to avoid considering creation of a permanent position as stated in subsections A and B above.

D. Annual Report. A report subject to public disclosure will be annually prepared showing how many regular hours are worked by temporary employees in each year. The report, arranged by payroll department and payroll titles within each payroll department, shall list employee name, payroll department, payroll title, date of hire, regular hours worked in that year, cumulative hours worked to date and bargaining unit code; and it shall be prepared from the last payroll master file tape for each year.

The Director may waive this requirement upon written presentation by the appointing authority of sufficient reasons for doing so. Criteria which may establish the basis for granting such waiver shall be published by the Director prior to the effective date of the ordinance codified in this section.

D. The appointing authority of an employing unit shall specify the essential job functions, skills and availability requirements of a vacant position. Upon the request of the appointing authority, the Director shall evaluate applicants from the public to identify those who are qualified for employment. No person shall use inappropriate pressure to effect the hiring of any candidate for City employment.

(Ord. 117019 § 2, 1994; Ord. 110302 § 2, 1981; Ord. 107790 § 13, 1978.)

D. The results of evaluations conducted subsequent to the first evaluation contemplated in subsection C shall be used to:

1. Improve communications between employees;

2. Help identify and reward outstanding employee performance;

3. Help identify and correct inadequate employee performance; and

4. Help demonstrate cause for personnel actions.

(Ord. 107977 § 1, 1979; Ord. 107790 § 16, 1978.)

The Committee may, at the request of the Director, assist in recruiting, examining, selecting, training, evaluating, and disciplining apprentices, subject to personnel rules and the affirmative action plan of the City. Rules shall specify the relationship of the apprentice to his/her departmental supervisor.

b. The Joint Apprenticeship Advisory Committee shall consist of six (6) members, three (3) of whom shall represent organized labor. Members shall be appointed by the Mayor and confirmed by the City Council, and shall serve for staggered three (3) year terms. Members may be removed by the Mayor by filing a statement of reasons therefor with the City Council. The Mayor shall then appoint a successor for the unexpired term.

c. Apprentices shall be treated as probationary or regular employees under this chapter, except that the terms of their apprenticeship agreements shall govern the terms of their employment, in case of conflict.

(Ord. 117750 § 1, 1995; Ord. 107790 § 18, 1978.)

4.04.210 Upward mobility for City employees.

To maintain an effective City work force, it is essential to provide employees rewarding opportunities for career growth and upward mobility. To this end, the Personnel System shall be designed to include career paths for all but the highest level of employment. To the extent prac-

tical under the City budget, the Director shall offer career counseling and job-related training:

A. To assist interested employees in competing for better positions; and

B. To assist departments in identifying employees who are interested in upward mobility and in encouraging their progress.

(Ord. 107790 § 19, 1978.)

4.04.220 Layoff.

A. Order of Layoff. Within an employing unit, the order for layoff in a given class shall be as follows:

1. Probationary employees;
2. Regular employees;

Provided, that temporary workers and interim employees shall be separated prior to the layoff of any probationary employee in the same employing unit and class.

Among regular employees, order of layoff shall be in order of seniority until a performance evaluation system as contemplated by this chapter is in effect. Thereafter, the regular employee having the lowest performance evaluation in the class shall be laid off first, but among employees whose performance is substantially the same, layoff shall be in the order of seniority.

In the event one (1) or more positions having different budget and class titles or having budget titles only and no class titles are scheduled to be abrogated for any reason and such abrogation will result in a layoff, the Director shall establish an order of layoff for regular employees that reflects their relative seniority in positions with the same budget title as such positions affected by the layoff.

B. Exceptions to Normal Order of Layoff.

1. Upon a showing by the appointing authority that the operating needs of an employing unit require such action, the Director may authorize an exception to the normal order of layoff and the retention in active employment of any employee who has some special experience, training or skill which is exceptional to the knowledges, skills and abilities expected of the population of employees for the positions affected by the layoff. Such exceptions to the normal order of layoff may be based upon documented recruiting and/or hiring specifications, current job descriptions or similar documentation acceptable to the Director.

2. The Director shall modify the normal order of layoff in the smallest respect sufficient to prevent a negative disparate impact upon women, the disabled, or minorities when these conditions are present:

a. Five (5) or more employees in an Equal Employment Opportunity job category are to be laid off at one time in an employing unit;

b. The Director determines that women, the disabled, or minorities are substantially underrepresented in the EEO category affected by the layoff, or that any such protected group would become substantially underrepresented in the EEO category as a result of a layoff in normal order; and

c. A layoff in the normal order should have a negative disparate impact on any such protected group; provided, that no such modification shall affect a regular employee unless all probationary employees in the affected class or assignment level have been laid off.

d. For purposes of this permitted modification of the normal order of layoff, an impact upon minorities shall be evaluated, and corrective action shall be taken, for minorities as a single group that shall not be divided by ethnicity or other subclassifications.

C. Employee Options For Transfers to Avoid Layoff (Bumping). Insofar as the option is available, as determined by the Director, any regular employee subject to being laid off may displace within the same employing unit the employee who has the least seniority in the displacing employee's class, or if the order of layoff reflects seniority within a budget title pursuant to SMC Section 4.04.220 A above, in the displacing employee's budget title.

The least-senior regular employee who is laid off or is displaced pursuant to the immediately preceding paragraph may displace the employee having the least seniority in the next lower class in a class series, or next lower budget title when (1) the displacing employee has had an appointment to such lower class or budget title, and (2) the employee to be sequentially displaced has less seniority than the displacing employee.

Notwithstanding any other provision of this chapter, in all cases, to be eligible to displace another employee in order to avoid a layoff, the displacing employee must possess the skills required to perform the duties of the position held by the employee who would be displaced.

D. Reinstatement.

1. The names of all employees laid off from active employment shall be placed on a reinstatement list. Such list shall be for the class or budget title from which they have been laid off. The entire reinstatement list shall be sent to any appointing authority for use in filling a vacancy in a position of that class or budget title. An appointing authority may refuse to make an appointment from the reinstatement list only upon stating a reason therefor to the Director.

2. The Director may implement programs to refer laid-off employees to vacant City positions in any employing unit; provided, that each referred employee shall possess skills commensurate with the duties of the position to be filled, as determined by the Director, and provided, further, that no such referral shall result in a promotion for the affected employee unless the employee has been referred as a result of an appropriate qualifications audit. An appointing authority may refuse to hire a person so referred only upon stating, in writing, a reason therefor to the Director.

E. Notice of Layoff.

Where a regular employee is separated by reason of layoff, when possible, thirty (30) days' prior written notice shall be given the affected employee, and at least fifteen (15) days' prior written notice shall be given unless:

1. Delaying the layoff would cause the employing unit to exceed its revenue for personal services for the affected work or program; or

2. The layoff is one of a number of layoffs and delaying the layoff would cause serious financial detriment to the City; or

(Seattle 12-95)

3. The layoff is caused by fire, storm damage, earthquake, destruction of property, strike, or any other such event that could not reasonably have been foreseen, or by peremptory state or federal legislation.

(Ord. 118121 § 1, 1996; Ord. 117360 § 1, 1994; Ord. 117327 § 1, 1994; Ord. 110852 § 2, 1982; Ord. 110253 § 2, 1981; Ord. 107790 § 20, 1978.)

4.04.225 Smoking in the work environment.

A. Definitions.

1. "Smoking" or "to smoke" means and includes inhaling, exhaling, or carrying any burning tobacco or other plant matter, including but not limited to cigarettes, cigars or pipes.

2. "Smoking debris" includes but is not limited to cigarette or cigar butts, cigarette paper or product packaging, tobacco, smoke, ash, or any other residue resulting from smoking.

3. "Enclosed work area" means that area closed in by a roof and walls, with at least one (1) opening for ingress and egress, with the intended use primarily for and by officers and employees.

4. "Common areas" means that area enclosed by a roof and walls in facilities which are owned, leased or rented by the City, including but not limited to employee lounges, lunchrooms, stairways, elevators, and restrooms.

B. Uniform Smoking Policy. Smoking is prohibited in all City enclosed work and common areas, with the following exceptions:

1. Smoking is permitted in outdoor areas unless smoke would be drawn into the work or common areas.

2. City Vehicles. Persons may smoke in City vehicles when:

a. The vehicle is occupied only by persons who smoke; and

b. The employee under whose name the vehicle is assigned agrees to return the vehicle thoroughly aired with all smoking debris removed; and

c. Smoking is not otherwise prohibited for safety reasons.

3. Other Exceptions.

a. Represented Officers and Employees. Where members of a bargaining unit determine that the uniform smoking policy creates a unique situation, with an impact peculiar to their particular bargaining unit, an exception request may be submitted to the Personnel Director, who will meet and confer and/or negotiate with the

bargaining representative regarding an exception to the Citywide smoking policy.

b. Nonrepresented Officers and Employees. Any nonrepresented officer(s) or employee(s) who find that the uniform smoking policy creates a unique situation with an adverse impact on the employee(s) while in his/her usual place of work, may submit an exception request to his/her Department Director, who shall submit the request, along with the Director's recommendation, to the Personnel Director. The Personnel Director shall determine the feasibility of allowing an exception to the policy in the employee's work area.

C. Applicability. The Citywide smoking policy shall apply in all enclosed work and common areas, whether in enclosed individual or shared office spaces, and shall apply to all persons who visit enclosed work and common areas, including all officers, employees, contractors, or visitors during all hours and days of the year.

D. Implementation.

1. Effective Date. The Citywide uniform smoking policy shall become effective within three (3) months after adoption of the ordinance codified in this section.¹

2. Notification. All City of Seattle Employment Bulletins shall include notification of the Citywide uniform smoking policy.

E. Discipline. Discipline shall be imposed on any City officer or employee violating the uniform smoking policy, in accordance with the particular employee's collective bargaining agreement, The Charter or the City Personnel Rules, whichever is applicable.² The primary objective of discipline with regard to the City's uniform policy governing smoking in the work environment shall be to correct behavior in violation of said policy, not to punish or penalize employees who smoke.

(Ord. 120181 § 73, 2000; Ord. 118397 § 63, 1996; Ord. 113836 § 1, 1988; Ord. 113148 § 1, 1986.)

1.Editor's Note: Ordinance 113148 was passed by the City Council on October 20, 1986.

2.Editor's Note: The Charter is set out at the front of Volume I of this Code; the Personnel Rules are codified in Title 4 of this Code.

4.04.220 PERSONNEL

4.04.230 Progressive discipline.

A. In order of increasing severity, the disciplinary actions which his/her supervisor may take against an employee for inappropriate behavior or performance include:

1. A verbal warning, which shall be accompanied by a notation in the employee's personnel file;
2. A written reprimand, a copy of which must be placed in the employee's file;
3. Suspension up to thirty (30) days;
4. Demotion;
5. Discharge.

B. Which disciplinary action is taken depends upon the seriousness of the affected employee's conduct; except, in the absence of mitigating circumstances, a verbal warning or a written reprimand shall not be given for a major disciplinary offense.

C. Suspension, demotion or discharge shall be approved by the employee's department head in writing. An hourly employee may be suspended up to one (1) day without the department head's approval for emergency situations, in accordance with rules promulgated by the Director. Suspensions of nonrepresented salaried employees shall be in increments of no less than one (1) week; provided, that when discipline is administered for major safety violations, suspensions of at least one (1) day but less than one (1) week may be approved.

D. Disciplinary actions shall be reported by the department head to the Personnel Director for records purposes, and the Personnel Director's use in compiling guidelines for like treatment of like behavior from department to department.

E. The Personnel Director may establish rules for application of discipline which are consistent for like behavior from department to department. A department may, by rule, be permitted to impose a more severe penalty than is otherwise sanctioned where misconduct which may be of minimal significance to other departments has a substantial impact on the operations, costs, or safety within that department.

F. The following is a nonexclusive list of major disciplinary actions where a verbal warning or written reprimand will not be appropriate in the absence of mitigating circumstances:

1. Assault or threat toward another person;

2. Being impaired or affected by and/or testing positive for alcohol or a controlled substance during working hours or using or possessing alcohol or a controlled substance at the workplace;

3. Use of City time, equipment or facilities for private gain or other non-City purpose;

4. Falsifying or destroying the business records of the employer at any time or place, without authorization;

5. Knowingly making a false statement on an application for employment or falsifying an employment related examination score;

6. Intentional damage to or theft of the property of the City, another employee, or others;

7. Carrying or otherwise possessing firearms or any type of weapon in the course of employment, except as authorized by the appointing authority;

8. Unauthorized absence;

9. Endangering the safety of, or causing injury to, the person or property of another through negligence or intentional failure to follow policies or procedures;

10. Making a bribe, accepting a bribe, or soliciting a bribe;

11. A knowing or intentional violation of the City Code of Ethics;

12. Conviction of any felony or misdemeanor crime that is or may be work related, or may impair the employee's ability to perform his/her job duties, whether committed at or away from the worksite or during or outside working hours;

13. Acts of racial/sexual harassment and/or acts of discrimination that are prohibited by federal, state, or local laws, or a failure to fulfill a responsibility to report incidents of harassment and/or discrimination to an appropriate City manager or Human Resources employee; or

14. Other offenses of parallel gravity.

G. Where an employee is accused of any action which, if proven, would be grounds for removal of that employee from his/her position of employment, the appointing authority may suspend the employee pending investigation of the matter. An employee who is suspended without pay and who is finally exonerated, shall be reinstated and awarded back pay and benefits.

H. Conviction of a crime shall not disqualify a person from City employment, except where the conviction is for conduct reasonably related to the

(Seattle 3-01)

work the applicant would be performing for the City, and the conviction is less than five (5) years old.

I. A department which takes a disciplinary action that is subject to appeal to the Civil Service Commission shall inform the employee in writing that:

1. He or she has the right to appeal to the Civil Service Commission;

2. To appeal, the employee must file a statement with the Civil Service Commission within twenty (20) days; and

3. The twenty (20) days begin to run on the date of delivery if the notice is given to the employee personally or delivered to his or her most recent address shown on departmental records; and on the third day after the date of mailing if the notice is mailed.

(Ord. 118830 § 1, 1997; Ord. 117959 § 1, 1995; Ord. 117483 § 1, 1995; Ord. 116037 § 1, 1992; Ord. 114267 § 1, 1988; Ord. 107790 § 21, 1978.)

4.04.235 Corrective action process.

The Director may, by rule, provide for a corrective action process for the purpose of addressing performance problems and/or minor acts of misconduct which are not considered major disciplinary offenses. Examples of major disciplinary offenses are provided in Section 4.04.230 F. Such a corrective action process will replace verbal warnings and/or written reprimands, except in those instances where a verbal warning or a written reprimand is appropriate discipline because of the presence of mitigating circumstances following a determination that an employee has committed a major disciplinary offense.

(Ord. 117959 § 2, 1995.)

4.04.240 Intradepartmental grievance procedure.

A. The Director shall establish rules for the presentation of employee grievances in succession, to an employee's immediate supervisor, to the division manager, and to the head of the department for a written decision if necessary. Grievances pursued beyond the employee's immediate supervisor must be submitted in writing in a timely manner.

B. The Director may advise and assist the head of a department in resolving a grievance, and shall seek consistency of treatment of like

grievances among the several departments, offices, boards, and commissions of the City.

C. By submitting a grievance to binding arbitration provided by a collective bargaining agreement, the employee waives his/her right to initiate a grievance procedure under this section. (Ord. 107790 § 22, 1978.)

4.04.250 Civil Service Commission.

A. 1. There shall be a three (3) member Civil Service Commission. One (1) Commissioner shall be appointed by the Mayor, one (1) Commissioner shall be appointed by the City Council, and one (1) Commissioner shall be elected by City employees as prescribed hereafter. The term of each Commissioner shall be three (3) years; provided, that the term of the first employee's Commissioner shall be three (3) years, the term of the first Mayor's Commissioner shall be two (2) years, and the term of the first Council's Commissioner shall be one (1) year. Each term shall begin on January 1st.

2. Appointments and elections to fill vacancies on the Commission shall be for the unexpired term. Two (2) Commissioners constitute a quorum.

B. Eligibility of Commissioners. In order that the independence of the Commissioners be assured, no person shall serve as Commissioner who is also a member of the Mayor's office, the City Council staff, the Civil Service Commission staff, an elected official, a head of a City department, or an exempt City employee.

C. Election for Employee's Commissioner. All City employees who are regular or probationary employees of the City, except members of the Public Safety Personnel System, are eligible to vote for the employee-selected Commissioner. Elected, exempt, and temporary employees may not vote in that election.

D. Commissioner's Election, Administration. Election of the employees' designate to the Commission shall be administered by the City Clerk. Election shall be held during the week beginning on the first Monday in November, 1987, and every third year thereafter. The City Clerk shall give notice of such election and furnish ballots therefor. Balloting shall be permitted by mail postmarked between the hours of one minute past midnight (12:01 a.m.) Monday to twelve midnight (12:00 midnight) of the succeeding Friday of the election week. Ballots may also be deposited during

4.04.230 PERSONNEL

regular office hours at polling places prescribed by the City Clerk.

E. Commissioner Candidacy. Not earlier than the first Monday in October of each year in which a Commissioner will be elected, nor later than the succeeding Friday, any person who is to become a candidate for Commissioner shall file a declaration of candidacy for office with the City Clerk, on a form furnished by the City Clerk.

F. Voting. The candidate receiving the majority of votes cast shall win the election. If no candidate receives a majority of the votes cast, the two (2) candidates receiving the highest and next highest number of votes cast shall be candidates in a runoff election held at a date and time to be determined by the City Clerk. The runoff election be scheduled so that completion of balloting and certification shall occur before five p.m. (5:00 p.m.) on the last business day of December of the election year. Notice and voting shall be the same as for regular Commissioner's election.

G. Commissioner Vacancies. Vacancies occurring in the office of the employee's designate to the Commission shall be filled at a special election to be called for such purpose by resolution of the City Council.

H. No City employee who is elected Commissioner shall suffer a monetary loss or other penalty on account of his/her absence from his/her regular position while performing the duties of Commissioner.

I. Campaign Reporting. Candidates for Commissioner shall comply with the terms of The City of Seattle (Ordinance 106653)¹ including, but not limited to, filing of disclosure statements regarding campaign financing.

J. Recall of Employee Member. The employee designate to the Commission may be recalled by a vote of a majority of the number of votes cast in a recall election.

Recall proceedings are instituted by filing with the City Clerk a demand for recall, stating good cause therefor. Within sixty (60) days of filing, the statement must be supported by a petition filed therewith, bearing the signatures of eligible employees equal in number to twenty-five percent (25%) of the number that voted in the last Commissioner's election; provided, no more than fifty percent (50%) may be signatures of the employees of a single department. Upon verification of sufficient signatures, the City Clerk shall announce a recall election as soon as is practicable.

K. Removal of Appointed Commissioners. The Mayor or the City Council may remove its appointed Commissioner by making a public statement setting forth the reasons therefor, and may appoint a replacement for the remainder of such Commissioner's unexpired term.

1. To appoint, remove, and supervise Commission staff;

2. To make rules for the conduct of Commission business pursuant to the Administrative Code of the City (Ordinance 102228);²

3. To hear appeals involving the administration of the personnel system. The Commission may administer oaths, issue subpoenas, receive evidence, compel the production of documents for such purposes, and may question witnesses at its hearings;

4. To conduct investigations and issue findings regarding any complaints that the Mayor, a City Councilmember, or a member of their immediate staff has initiated a recommendation regarding a candidate for City employment, or that any person has used inappropriate pressure to effect the hiring of any candidate for City employment. The Commission may administer oaths, issue subpoenas, receive evidence, compel the production of documents for such purposes, and may question witnesses at its hearing;

5. To issue such remedial orders as it deems appropriate; provided, that no remedial order may supervene the exclusive authority of the City Council as it relates to the financial transactions of the City. The Commission shall have the power to reinstate employees. It may introduce legislation for lost wages and benefits, and may make recommendations to the Mayor and City Council;

6. To review and comment upon rules promulgated by the Personnel Director pursuant to the Administrative Code of the City (Ordinance 102228);²

7. Delegation of Powers. The Commission may delegate its powers, in whole or in part, to a hearing examiner who may be from the City Hearing Examiner's office. Decisions of a Hearing Examiner may be appealed to the Commission. The Commission may not delegate its powers to,

4.04.270 Transition.

This chapter effects major changes in the City's personnel system. In order that the business of the City may continue without major hiatus during implementation of this new personnel system, the following transitional provisions are authorized and made:

A. Upon the effective date of the ordinance codified in this chapter,¹ the appointment of each employee of the City is ratified and confirmed.

B. Upon the effective date of the ordinance codified in this chapter,¹ all regular employees of the City shall remain regular employees of the City, without loss of accrued vacation, sick leave, compensation time, or like benefit, if any, which is also recognized under the new personnel system.

C. Upon the effective date of the ordinance codified in this chapter,¹ probationary employees shall remain probationary employees without loss of accrued vacation, sick leave, compensation time, service time accrued toward regular employment, or like benefit, if any, which is also recognized under the new personnel system.

D. Upon the effective date of the ordinance codified in this chapter,¹ provisional employees shall become probationary employees of the City without loss of accrued vacation, sick leave, or

compensation time or like benefit, if any, which is also recognized under the new system.

E. The accrued vacation, sick leave, compensation time, or like benefit of every employee, if such benefit exists, is preserved upon the effective date of the ordinance codified in this chapter;¹ provided, that such benefit is a sort recognized under the new system.

F. Upon the effective date of the ordinance codified in this chapter,¹ the Civil Service Commission shall assume jurisdiction over appeals previously made by employees, who are not members of the public safety personnel system, to the previous Civil Service Commission. The Commission shall hear such cases under its choice of previous Civil Service Laws and Rules or newer rules of the Personnel Director, whichever set of rules is deemed fairer to the employee.

G. Upon the effective date of the ordinance codified in this chapter,¹ the existing job classifications in the City are ratified and confirmed, and shall remain in effect until changed.

H. The responsibilities for administration of all the records, books, and papers of the Retirement Board relating to employee benefits other than those relating to the Retirement Program, the Group Term Life Insurance program, and the disability program established for members of the Retirement System (Ordinance 78444), namely, those records, books, and papers relating to employee health care (Ordinance 8384), vacation (Ordinance 86799), sick leave (Ordinance 88522), dental care (Ordinance 100862)² and all other employee benefits, are transferred to the Personnel Department.

covered by the Public Safety Civil Service Commission are transferred to the Civil Service Commission established pursuant to Charter Article XVI as amended in 1977, and pursuant to the terms of this chapter.

J. K. The adoption of this chapter and rules adopted pursuant hereto shall not affect the provisions of any existing collective bargaining agreement between an employee organization and the City.

If the applicable fund is solvent at the time payment is ordered, the Finance Director may elect to make payment by check.

C. The appointing authority shall transact an agreement with an individual for whom travel and moving expenses are extended, which shall stipulate that, should such individual leave the City's employ within twelve (12) months of initial appointment to a position, he or she shall reimburse the employing unit for all such expenses.

(Ord. 119442 § 3, 1999; Ord. 117056 § 1, 1994; Ord. 109950 § 1(part), 1981; Ord. 108882 § 4.16.080, 1980.)

4.16.090 Complaints, investigations, hearings, and enforcement.

In addition to the powers of the Commission and its Executive Director under SMC Sections 3.70.100 and 3.70.160 to initiate an investigation, an investigation may also be initiated by filing a complaint.

A. Any person may file a complaint alleging a violation of this chapter. If such complaint is filed by a member of the Commission, he or she is then disqualified from participating in any proceedings that may arise from the complaint.

B. The complaint shall be in writing and shall be signed by the complainant. The written complaint shall state the nature of the alleged violation(s), the date(s), time and place of each occurrence, and name of the person(s) alleged to have violated this chapter. The complaint shall be filed with the Executive Director. The complainant shall provide the Executive Director with all

available documentation or other evidence to demonstrate a reason for believing that a violation has occurred.

C. Within thirty (30) days after receipt of a complaint, the Executive Director shall conduct a preliminary investigation to determine whether a complaint, on its face, alleges facts that, if true, would constitute a violation of Chapter 4.16. At the request of the Executive Director, the Commission may, for good cause shown, extend the time for completion of the preliminary investigation. If the Commission determines that the preliminary investigation must be completed in less than thirty (30) days in order to avoid prejudice or irreparable harm to the person alleged to have violated this chapter, the Commission shall order the Executive Director to complete the preliminary investigation in a shorter period of time, and the Executive Director shall comply.

D. If the Executive Director determines, after investigation, that there are no reasonable grounds to believe that a violation has occurred, or determines that the violation was inadvertent and minor, the Executive Director shall dismiss the complaint. If the Executive Director does so dismiss the complaint, he or she shall do so in writing, setting forth the facts and the provisions of law upon which the dismissal is based, and shall provide a copy of the written dismissal to the complainant, to the person named in the complaint as the alleged violator and to the Commission.

E. If, after investigation, the Executive Director has reason to believe that a material violation of Chapter 4.16 has occurred, the Executive Director shall initiate an enforcement proceeding by issuing to the alleged violator a charging document which includes the provisions of Chapter 4.16 allegedly violated and the conduct that constitutes the violation(s), and shall issue a copy of the charging document to the Commission and schedule a hearing before the Commission. No hearing shall be scheduled, however, while an Executive Director's recommendation for a settlement is awaiting action by the Commission.

F. The Commission shall commence a hearing within thirty (30) days from the date that the Executive Director schedules the hearing. The Commission shall issue a written determination stating whether the chapter has been violated and setting forth the facts and the provisions of law upon which this determination is based. A copy

of said determination shall be delivered to the complainant, if any, to the person charged with the violation and, where appropriate, to the person's superior.

G. All hearings hereunder shall be conducted as "contested case" hearings under the Administrative Code, Seattle Municipal Code Chapter 3.02 (Ordinance 102228) and the Commission's rules and regulations. All hearings under this section shall be open to the public unless closed upon the request of the City employee who is the subject of the charges being heard, except that all hearings on charges against (1) City officials elected by the public, (2) the Deputy Mayor, if any, (3) heads of departments and Executive Department offices, (4) members of boards and commissions, and (5) those City employees who are represented by a labor union that, on the date the charges were filed, had not reached written agreement with the City concerning closing hearings on request, shall be open to the public. Regardless of whether the hearing was closed, if the Commission determines this chapter was violated, the charges, all recordings or transcripts of hearings that were made by the Commission, and the Commission's written findings of fact and conclusions of law shall be made public.

H. If the Commission determines that a City officer or employee has violated the provisions of this chapter, the Commission may recommend that the officer or employee be subject to disciplinary action. In addition to any other penalty herein or otherwise provided by law, a violation shall be cause for suspension, discharge, or removal from office, or such other disciplinary action as may, by the appropriate City authority, be deemed necessary and proper, and consistent with personnel ordinances and rules. A written report of the disciplinary action taken as a result of the Commission recommendation shall be made by the appropriate City authority to the Commission within fourteen (14) calendar days after receipt of the Commission's recommendation; provided, that this section shall not derogate from employee rights under any collective bargaining agreement or City personnel ordinance, or rules promulgated thereunto. If the appropriate City authority determines that the written report of disciplinary action taken as a result of the Commission recommendation required in the section cannot be made to the Commission within fourteen (14) calendar days after receipt of the

Commission's recommendation, because of procedures prescribed under any collective bargaining agreement, personnel ordinance, or rule promulgated thereunto, the appropriate City authority shall so report to the Commission within fourteen (14) calendar days after receipt of the Commission's recommendation, stating the date on which the written report of disciplinary action taken will be submitted to the Commission. If the violation involves prohibited conduct of a former officer or employee, the Commission may recommend to the administering City authority that no contract be made or that the contract be terminated and that proceedings be begun anew in order to prevent injury to the City or to avoid an unfair advantage accruing to a competitor by reason of the violation. Upon receipt of the written report of the disciplinary action taken, or in the event no report is received, the Commission shall review such matter and make such further recommendation as may be appropriate.

4.16.100 Action on violation.

The Commission may take one (1) or more of the following actions for violation of any provision of Chapter 4.16:

- A. Recommend prosecution or other remedy to the appropriate authorities;
- B. Impose a monetary fine of up to five thousand dollars (\$5,000) per violation or three (3) times the economic value of any thing sought or received in violation of Chapter 4.16, whichever is greater;
- C. Require reimbursement for damages of up to ten thousand dollars (\$10,000) sustained by the City that were caused by the violation and were not recovered by the City;
- D. Require costs, including reasonable investigative costs, that do not exceed the amount of any monetary fine;
- E. Recommend to the Mayor and the appropriate agency that they request the City Attorney to bring an action to cancel or rescind the result of action taken by the violator, upon a Commission finding that:
 - 1. The violation has substantially influenced the City action, and
 - 2. Interests of the City require cancellation or rescission.

4.16.100 PERSONNEL

Each act that violates one or more provisions of Chapter 4.16 may constitute a separate violation. Violation may be proven by a preponderance of evidence, and need not be proven beyond a reasonable doubt.

(Ord. 120118 § 1, 2000; Ord. 118735 § 4, 1997; Ord. 109950 § 1(part), 1981; Ord. 108882 § 4.16.100, 1980.)

4.16.105 Employee appeal of fine.

A. Except as provided in subsection F of this section, if the Commission imposes a monetary fine for violation of any provision of this chapter, the City employee on whom the fine is imposed may appeal the fine, on the Commission's record, to the Seattle Municipal Court. The Seattle Municipal Court shall uphold the Commission's decision if it determines the Commission's decision was not for any arbitrary, capricious, or illegal reason, and the decision was supported by substantial evidence in the Commission's record. Otherwise, the Court shall modify, reverse, or remand the matter to the Commission, as the Court deems appropriate.

B. In order to appeal a monetary fine imposed under this chapter by the Seattle Ethics and Elections Commission, the City employee on whom the fine is imposed must file a notice of appeal with the Clerk of the Municipal Court, serve it upon The City of Seattle, and deliver a copy to the Executive Director of the Commission, all within twenty (20) days after the date of the Commission's decision. In order to file the notice of appeal, the City employee must pay to the Clerk of the Municipal Court a filing fee in the amount set by statute or court rule for a civil action filed in the District Courts. The filing fee and the costs of preparing the record of the proceedings of the Commission may be taxed as costs against the nonprevailing party, as the Municipal Court may direct, but each party shall bear its own attorney's fees. The notice of appeal shall be in writing and shall include the mailing address and, if different, the street address where papers may be served on the appellant. The notice of appeal shall contain, in separate numbered paragraphs, statements of the specific findings of fact, conclusions of law, or aspects of the fine on which the appellant seeks review, the basis for the appeal, and a brief statement of the relief requested. The appellant shall attach a copy of the

written decision of the Commission being appealed.

C. Within thirty (30) days after the notice of appeal has been properly filed, served, and a copy delivered to the Executive Director, the appellant shall provide the Executive Director with a record of proceedings, which the Executive Director shall, if it complies with this subsection, promptly file with the Municipal Court so as to present the issues raised for review. Upon payment of the costs of copying, the Executive Director shall provide the appellant a copy of the relevant papers and exhibits, which shall be included in the record. The record shall also include a transcript of those portions of the testimony that are designed by the appellant or by the Executive Director, who shall each designate what they believe necessary to resolve disputed issues. The appellant at his or her expense shall submit to the Executive Director for review and approval, if accurate, the transcript of the designated portions of the testimony, prepared by a certified court reporter. The typed transcript, when certified as accurate by the Executive Director, shall constitute the record for review of the portion so transcribed. If all or a designated part of a tape recording is not audible, the Executive Director may prepare and certify a summary of that portion of the testimony in the proceedings based on his or her notes and memory. Where the Executive Director and the appellant agree that the testimony or facts are not in dispute, they may jointly prepare a narrative report of some or all of the evidence or a summary of some or all of the testimony in order to reduce the amount of material transcribed and to make a more compact record.

D. Except where inconsistent with this section, the procedural rules of the Civil Rules for Courts of Limited Jurisdiction (CRLJs), as they may be amended from time to time, shall govern procedure related to the appeal in the Municipal Court, but no new evidence may be submitted to or taken by the Municipal Court.

E. The Municipal Court shall appoint a judge pro tempore to hear appeals by employees of the Municipal Court unless both the City employee and the Executive Director agree that a regular Municipal Court judge may hear the case.

F. This section shall not apply to (1) City officials elected by the public, (2) the Deputy Mayor, if any, (3) heads of departments and

Executive Department offices, (4) members of boards and commissions, and (5) those City employees who are represented by a labor union that, on the date the charges were filed had not reached written agreement with the City regarding the appeal to Municipal Court of monetary fines imposed by the Commission. Persons for whom an appeal to Seattle Municipal Court is not authorized by this section may seek review of a monetary fine imposed by the Commission in King County Superior Court as provided in state law.
