office space to the Associated Recreation Council at a Department facility and such other services or consideration as necessary and appropriate for the Associated Recreation Council to advise the Superintendent in performing other functions for the Department as shall be agreed upon from time to time by contract; and

H. Call upon the community advisory councils and the Associated Recreation Council from time to time for assistance in other matters that further the programs and activities of the Department; all as the Superintendent shall deem appropriate and for the purpose of increasing educational and recreational opportunities for Seattle residents, providing greater public use and enjoyment of the City's park and recreation system and establishing a variety of activities, and, through a sound system of accounts and records, preserving public confidence in programs and activities offered at City facilities.

Subchapter I General Provisions

18.12.010 Citation.

This chapter shall constitute the Parks Code of the City and may be cited as such.
(Ord. 106615 § 1, 1977.)

18.12.020 Police power.

This chapter is declared to be an exercise of the police power of the City, and its provisions shall be liberally construed for the preservation and protection of the natural environment, public peace, health, safety and welfare.
(Ord. 106615 § 2, 1977.)

18.12.025 Purpose and findings.

The City of Seattle finds as follows, and declares that the ordinance codified in this section is passed in response to the following facts:

A. Unlawful and inappropriate behavior in the City’s parks diminishes these precious assets and deprives citizens of the full use and enjoyment of the natural beauty, recreational opportunities and peaceful repose that parks are intended to preserve in an urban setting.

B. In addition to more serious criminal acts that threaten personal injury and property damage, a wide range of illegal disorderly behavior can transform a park into an unwelcoming, unattractive and ultimately unsafe public space requiring increased expenditures for public safety and maintenance.

C. The laws intended to preserve and protect the parks for the benefit of all are effective only if those who use the parks obey the law. The current criminal and civil penalties for violating the law are frequently inadequate alone to deter illegal behavior, prevent its recurrence or provide for the removal of the offender from the park.

D. Compliance with the law, including the Parks Code and regulations, will be enhanced by the immediate administrative sanction of excluding

from a park those who violate the law. In addition, for repeat offenders and for more serious offenses, exclusion for extended periods of time will provide a necessary additional remedy to protect the parks.

E. Due to the geographic proximity of some parks, the similarity of some park functions and the potential displacement of illegal behavior from one park to another, it is necessary to provide for exclusion from groups of parks or all parks under certain circumstances.

(Ord. 118607 § 1, 1997.)

18.12.030 Definitions—Rules of construction.

10. "Park rule" for purposes of Section 18.12.278 means those particular rules or codes of conduct the Superintendent has adopted and has designated, by rule, as those for which a violation may lead to exclusion from a park under Section 18.12.278.

11. "Recreation program" means any program or activity conducted, sponsored, or assisted by the Department of Parks and Recreation, whether or not it occurs in a park.

12. "Superintendent" means the Superintendent of Parks and Recreation of the City and authorized agents of the Superintendent, who may include, without limitation, the Chief of Police of The City of Seattle and his or her subordinate officers, Seattle animal control officers, and staff of the Department of Parks and Recreation.

**18.12.040 Superintendent's authority—
Rulemaking—Enforcement.**

The Superintendent shall have the power to enforce the provisions of this chapter.

The Superintendent may, in accordance with the Administrative Code,¹ adopt, amend and rescind rules and regulations consistent with this Park Code in order to manage and control the park and recreation system of the City including rules that:

- A. Clarify, interpret or apply this Park Code;
- B. Regulate the use of parks;
- C. Regulate conduct in parks;
- D. Designate restricted areas in parks;
- E. Regulate recreation programs;
- F. Establish times for opening and closing of any particular park or park facility to public use and/or for entry or use by motor vehicles;

G. Restrict and/or prohibit the use of any skateboard, roller skate, coaster or other similar device in any park or part of a park. This prohibition shall not apply to a person with a disability, who uses wheeled equipment in order to be ambulatory. Before exercising this authority, the Superintendent shall hold a public hearing in conjunction with the Board of Park Commissioners and receive their advice and recommendations. It is City policy that restrictions or prohibitions on the use of such recreational equipment on a surface that is paved or improved for travel be imposed only to the extent appropriate to preserve the park from damage and/or avoid impairing the use and enjoyment of the park by others; and

H. Impose a speed limit on use of any or all park paths, trails and walks, improved and unimproved. Such speed limit may apply to pedestrians and/or those persons using roller skates, skateboards, coasters, bicycles, carts, or any similar device or conveyance.

1. Editor's Note: The Administrative Code is codified in Chapter 3.02 of this Code.

18.12.042 Permit system.

The Superintendent may establish a permit system and require a permit for:

A. Reserving any room or part of a community center, athletic field, picnic facility, stage, or other defined area of a park for a certain time or series of times; and granting the exclusive use thereof during the time reserved;

B. Posting any signs, posters or notices; placing or erecting any structure or obstruction of any kind within a park, whether temporary or permanent; engaging in any competitions involving a vehicle, boat, aircraft, or animal, or launching or landing aircraft or airborne conveyance; or cutting or removing any tree or plant material;

C. Making any improvement to or in a park or constructing a public work;

D. Conducting a commercial activity; using any outdoor electrical power outlet; or laying cables or extending wires in or over a park; or using any park or facility during the hours it is closed to the public;

E. Making any use of a park or recreational facility for an event that differs in kind from the use and enjoyment of the park or recreational facilities by the general public of the premises.

No permit is required of park employees acting in the scope and course of their duties. Exemptions may be made for abutting owners, who maintain park boulevards, with respect to the area maintained; for concessionaires as to the area under concession; and as to governmental officials acting under authority of law. Issuance of a permit shall be subject to payment of such fees or charges as required by ordinance or authorized by resolution of the City Council.

A permit for an event may authorize the placing of temporary signs, posters or notices reasonably related thereto.

All permits shall be wholly of a temporary nature, shall best no permanent right, and may be revoked upon thirty (30) days' notice or, if the permit so states, upon shorter notice.

(Ord. 113860 § 1(part), 1988.)

18.12.045 Terms and conditions.

The Superintendent may condition the permit or impose such terms and conditions as appropriate to protect the health, safety and welfare of the public and/or the park; to avoid or limit unnecessary interference with other uses or users of the park; to minimize disturbance of the surrounding neighborhood; and to require the user to leave the area under permit in a condition after the activity or event as it was beforehand. For this purpose, the Superintendent may require the user to furnish public liability and property damage insurance, naming the City as an additional insured, in such amounts as reasonably necessary to provide recompense for personal injury or death or property damage to a member of the public as a result of the event or activity; execute an indemnity and/or hold harmless agreement; and/or make a reasonable security deposit or provide a bond.

The terms and conditions of a permit (including providing insurance and/or security deposit) shall not infringe upon rights of petition, assembly, or free expression protected by the First Amendment of the United States Constitution and/or Article I, Sections 3, 4 and 5 of the Washington Constitution. If an applicant asserts that a term or condition proposed by the Superintendent infringes upon a constitutional right, the Superintendent shall have the burden of showing that the proposed term or condition is a reasonable restriction on the time, place and manner of exercising the right and is valid.

(Ord. 113860 § 1(part), 1988.)

18.12.047 Refund of deposits and fees.

The Superintendent is authorized to make refunds of fees upon timely cancellation of an event or activity and to return all or any portion of any security deposit when no longer needed or after costs that may be charged against the permit have been paid.

B. It is unlawful for any person except a duly authorized Department of Parks and Recreation or other City employee in the performance of his or her duties, or other person duly authorized pursuant to law, to remove, destroy, mutilate or deface any structure, lawn, monument, statue, vase, fountain, wall, fence, railing, vehicle, bench, shrub, tree, geological formation, plant, flower, lighting system, sprinkling system, gate, barricade or lock or other property lawfully in any park, or to remove sand, soil, or sod in any park.

A. The Superintendent may, by delivering an exclusion notice in person to the offender, exclude from a City park zone or zones, anyone who within a City park:

1. Violates any provision within this chapter; or
2. Violates any park rule as defined in Section 18.12.030; or
3. Violates any provision of the Seattle Municipal Code or Revised Code of Washington.

The offender need not be charged, tried, or convicted of any crime or infraction in order for an exclusion notice to be issued or effective. The exclusion may be based upon observation by the Superintendent or upon the sort of civilian reports that would ordinarily be relied upon by police officers in the determination of probable cause.

B. If the offender:

1. Has not been excluded from any City park zone by an exclusion notice issued within one (1) year prior to the violation and the current violation is not a felony violation or weapon violation, then the Superintendent may exclude the offender from the City park zone in which the current violation occurred for a period not exceeding seven (7) days from the date of the exclusion notice;

2. Has been the subject of only one (1) prior exclusion notice issued within one (1) year prior to the current violation and neither the current nor the past violation was a felony violation or weapon violation, then the Superintendent shall exclude the offender from the City park zone in which the current violation occurred for a period of ninety (90) days from the date of the exclusion notice;

3. Has been the subject of two (2) or more prior exclusion notices issued within one (1) year prior to the current violation, all from the same City park zone in which the current violation occurred, or if the current violation is a felony violation or weapon violation, then the Superintendent shall exclude the offender from the City park zone in which the current violation occurred for a period of one (1) year from the date of the exclusion notice;

4. Has been the subject of two (2) prior exclusion notices within one (1) year prior to the current violation and, in combination, the current violation and those prior violations took place in two (2) or more City park zones, then the Superintendent shall exclude the offender from all City park zones for a period of one (1) year from the date of the exclusion notice.

C. The exclusion notice shall be in writing and shall contain the date of issuance. The exclusion notice shall specify the length and places of exclusion. It shall be signed by the issuing individual. Warning of the consequences for failure to comply shall be prominently displayed on the notice.

D. Only the Superintendent's Hearing Officer after a hearing may rescind or shorten an exclusion notice.

E. An offender receiving an exclusion notice longer than seven (7) days may seek a hearing before the Superintendent's Hearing Officer to have the exclusion notice rescinded or the period of exclusion shortened. The request for a hearing shall be delivered to the Superintendent's Hearing Officer or postmarked no later than seven (7) days after the issuance date of the exclusion notice. The

request for hearing shall be in writing and shall be accompanied by a copy of the exclusion notice on which the hearing is sought. The hearing should occur within seven (7) days after the Superintendent's Hearing Officer receives the request for hearing. The Superintendent's Hearing Officer shall take reasonable steps to notify the offender of the date, time, and place of the hearing.

F. The Superintendent's Hearing Officer may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The Superintendent's Hearing Officer shall not issue a subpoena for the attendance of a witness at the request of the offender unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The offender shall be responsible for serving any subpoena issued at the offender's request.

G. At the hearing, the violation must be proved by a preponderance of the evidence in order to uphold the exclusion notice. If the exclusion notice was issued because of the alleged violation of any criminal law, the offender need not be charged, tried, or convicted for the exclusion notice to be upheld. The exclusion notice establishes a prima facie case that the offender committed the violation as described. The Superintendent's Hearing Officer shall consider a sworn report or a declaration under penalty of perjury as authorized by RCW 9A.72.085, written by the individual who issued the exclusion notice, without further evidentiary foundation. The certifications authorized in Rule 6.13 of the Criminal Rules for Courts of Limited Jurisdiction shall be considered without further evidentiary foundation. The Superintendent's Hearing Officer may consider information that would not be admissible under the evidence rules in a court of law but which the Superintendent's Hearing Officer considers relevant and trustworthy.

H. If the violation is proved, the exclusion notice shall be upheld; but upon good cause shown, the Superintendent's Hearing Officer may shorten the duration of the exclusion. If the violation is not provided by a preponderance of the evidence, the Superintendent's Hearing Officer shall rescind the exclusion. If the Superintendent's Hearing Officer rescinds an exclusion, the exclusion shall not be considered a prior exclusion for purposes of Seattle Municipal Code Section 18.12.278 B.

I. The decision of the Superintendent's Hearing Officer is final. An offender seeking judicial

review of the Superintendent's Hearing Officer's decision must file an application for a writ of review in the King County Superior Court within fourteen (14) days of the date of that decision.

J. The exclusion shall remain in effect during the pendency of any administrative or judicial proceeding.

K. No determination of facts made by a person conducting a hearing under this section shall have any collateral estoppel effect on a subsequent criminal prosecution or civil proceeding and shall not preclude litigation of those same facts in a subsequent criminal prosecution or civil proceeding.

L. This section shall enforced so as to emphasize voluntary compliance with laws and park rules, and so that inadvertent minor violations that would fall under subsection B1 of this section can be corrected without resort to an exclusion notice. (Ord. 118607 § 2, 1997.)

18.28.020 Special promotional and marketing activities.

A. The Superintendent of Parks and Recreation is authorized to undertake special promotional and marketing activities for the use of departmental facilities including but not limited to the Zoo, the Aquarium, swimming pools, golf facilities, community centers, ballfields and tennis center and to reduce or waive fees in connection therewith. A waiver or reduction from the established fees for special promotional or marketing purposes shall comply with the following five (5) criteria:

1. The waiver or reduction of the fee shall accord with sound management practices for municipal facilities of like character. It shall fulfill a declared objective furthering a departmental purpose such as acquainting the public with the facility or the service provided by the department thereby establishing or broadening public usage; reaching out to people who would not otherwise make use of the facility; or securing advertising, services or other benefits from a sponsor or those attending.
2. The promotion and the fee waiver or reduction shall appear appropriate to the City's facility. It should avoid the appearance of a City endorsement or approval of a private product, service, or activity; the use of public facilities for electoral purposes prohibited by RCW 42.17.130; or the granting of special privileges to a particular portion of the populace.
3. The promotion and attendance under the waiver or lower charge shall respect the use and enjoyment of the facility by people paying the established fee. In addition, those attending under the promotion should have an opportunity to use and enjoy the facility, without overcrowding.
4. Waivers or reduced fees shall be treated as special or extraordinary occurrences. Their frequency and extent, in aggregate, shall not

18.28.030 **Error! No text of specified style in document.**

have the effect of subverting the established fee schedule through a multiplicity of special rates or by inducing the public to anticipate and defer usage of a facility in order to take advantage of recurrent promotions.

5. The opportunity to sponsor an arrangement under conditions set forth in Exhibit B,1 shall be made available to individuals, associations, and businesses, similarly situated, on an equal basis, in accord with and subject to the Superintendent's rules.

B. The circumstances when waivers or reduced fees are available shall be defined by rules promulgated by the Superintendent of Parks and Recreation pursuant to the Administrative Code, Seattle Municipal Code Chapter 3.02.

(Ord. 118375 § 2, 1996; Ord. 112568 § 1(part), 1985.)

1. Editor's Note: Exhibit B is on file with Ordinance 112568 in the office of the City Clerk.

18.28.030 Waiver of fees for individuals or groups.

A. The Superintendent of Parks and Recreation may waive or reduce an entry or use fee contained in the established fee schedule for an organization, association, group of individuals, or an individual, and authorize the supervisor of a facility to do so, irrespective of any special promotion or event whenever:

1. Such a waiver vindicates a constitutional right guaranteed by the First Amendment to the United States Constitution through its Fourteenth Amendment or Article I, Section 3 of the Washington Constitution;

2. The user, including but not limited to departmental advisory councils or societies organized to assist the Woodland Park Zoo or the Aquarium, the conservatory in Volunteer Park, the Arboretum at Washington Park, or horticultural areas provides services or assistance to the Department in lieu of the fee that would otherwise apply, or provides in-kind services or leaves improvements to the facility that offset the reduced fee revenue;

3. The user is poor or infirm or is a charitable organization assisting the poor or infirm, and charging the fee would have the effect of depriving the individual of reasonable access to the facility or of opportunity to participate in a public event, and would cause hardship or directly reduce

the assistance such organization provides to the poor or infirm;

4. The user is an organization serving the public or the community, lacks its own facility as a result of a calamity or other temporary distress, and there is a perceived moral obligation toward the organization or its members at a moment of crisis;

5. Another government requests use of the facility for a public purpose; or the use is granted under a reciprocal use of facilities agreement with another municipal government;

6. Free admission to the facility furthers a departmental purpose, e.g., the person is a volunteer for a department-sponsored or co-sponsored event, participates in an athletic event for public spectators, or enters in connection with a work assignment or to assist a concessionaire or as a parent or guardian to assist the Department in the instruction or care of a minor or ward;

7. The entry is under authority of law (e.g., governmental inspectors, law enforcement officers, officials with subpoenas who act in the scope and course of their duties) or under a contract right or privilege; or

8. In the opinion of the Superintendent, the waiver or reduction is in the overall public interest due to extraordinary facts or circumstances.

B. In determining whether a fee should be waived or reduced, the Superintendent shall be guided by the benefit to the public and the Department when granting the request, the frequency and amount of usage requested, the effect on and fairness to other users, its consistency with policies underlying the fee schedule and this chapter, and the consequences of denying the request.

(Ord. 112568 § 1(part), 1985.)

18.28.040 Experimental rates.

A. With the concurrence of the Budget Director, the Superintendent of Parks and Recreation is authorized to adjust the fee or charge contained in the established fee schedule for any particular facility on a temporary basis of up to sixty (60) days in order to increase public attendance or usage and the resulting revenues. Temporary rates may take the form of special price during a special time, e.g., a half-price rate for entry to a park facility during the final hour before closing, a lower rate for children when half or more of the allotted time for family or children's usage has expired, or a two (2) for one (1) entry for a handicapped individual and a

person who accompanies and assists a handicapped individual.

B. The Superintendent shall report to the City Council in conjunction with the presentation of the Department's proposed budget, the Department's experience with any experimental rates during the preceding twelve (12) months. (Ord. 112568 § 1(part), 1985.)

18.30.030 Joint and several liability.

All responsible parties are jointly and severally liable for unauthorized use of, or dumping on, park property. The Department may pursue remedies against one or more responsible parties. The Department’s failure to pursue any legal remedy against a responsible party does not constitute a defense to liability under this chapter.
(Ord. 118339 § 1(part), 1996.)

18.30.040 Rebuttable presumption.

For the purposes of this chapter, there is a rebuttable presumption that soil, debris or other spillage on park property linked by tire trackage or other trails to a construction site results from transportation to or from the construction site.
(Ord. 118339 § 1(part), 1996.)

18.30.050 Department abatement of unauthorized uses—Failure to respond to thirty day notice.

If the responsible party or parties does not abate the unauthorized use within thirty (30) days after the Department has mailed a notice via first class mail to the responsible party or parties requesting abatement of the encroachment, the Superintendent may:

18.30.055 Department abatement of unauthorized uses—Unidentified responsible parties and emergency situations.

If the Department cannot identify a party responsible for the unauthorized use despite using all reasonable means, as defined in Section 18.30.070 A2 below, or if the Department determines that the unauthorized use creates substantial risk of injury to persons, to park property, to utilities serving the park property and/or to park improvements, the Superintendent may, without notice or on less than thirty (30) days' notice:

A. Impose a civil penalty of One Hundred Dollars (\$100.00).

1. For each day the unauthorized use continues beyond the abatement period specified in a notice from the Department, or

2. If no notice is given, for each day the unauthorized use continues from the date the Department documents in its records the unauthorized use;

B. Abate the unauthorized use and restore the affected park property;

C. Refer the matter to the City Attorney, who may bring an action for trespass, ejectment, declaratory or injunctive relief, and any other appropriate civil or criminal remedy; or

D. Use any combination of the above remedies. (Ord. 118339 § 1(part), 1996.)

18.30.060 Department abatement of dumping.

If a responsible party does not immediately abate all dumping on park property and restore the affected park property to its condition prior to any dumping, or if the Department cannot immediately locate or identify the party responsible for such dumping, the Superintendent may:

A. Impose a civil penalty of Two Hundred Dollars (\$200.00) for each day that the dumping remains unabated after the Superintendent orders the responsible party to abate it;

B. Abate the dumping and restore the affected park property;

C. Refer the matter to the City Attorney, who may bring an action for trespass, ejectment, declaratory or injunctive relief, or any other appropriate civil or criminal remedy; or

18.30.070 Responsibility for abatement costs.

A. All parties responsible for an unauthorized use or dumping on park property are jointly and severally liable to the City for the costs the City incurs in abating the unauthorized use or dumping and restoring the affected park property. However, where Section 18.30.030 applies, no person may be held responsible for abatement costs unless:

1. The Department sent that person thirty (30) days' notice to abate and that person failed to abate the unauthorized use within that time; or

2. The Department used all reasonable means to locate the responsible party before carrying out the abatement and restoration, but was unable to do so. The Department shall be held to have used all reasonable means to locate the responsible party once it has researched the official property records of the county and reviewed all other information brought to the Department's attention.

B. The Superintendent is authorized to promulgate rules specifying the recoverable costs of abatement. These may include, but are not limited to, staff time, cost of outside contractors, dump fees, rental cost of equipment, machine or vehicle used in the abatement, cost of providing notices, a fifteen percent (15%) surcharge for administrative expenses, and any reasonable attorneys' fees incurred for abatement and restoration and for collection of authorized penalties and other charges.

C. A written statement by the Superintendent of the costs and expenses incurred by the City in abating an unauthorized use or dumping and restoring the affected park property is a true and accurate record of the work done by the City and of the expenses incurred.

1. An ongoing unauthorized use of park property that creates a substantial risk of injury to persons, to park property, to utilities serving the park property and/or to park improvements; or
2. Ongoing dumping on park property.

B. The Superintendent shall post the Stop Order at the site and, if possible, serve a copy upon a person doing or responsible for the activity. Once the Superintendent posts the Stop Order, all unauthorized use and dumping in the park shall cease immediately.

C. The Stop Order shall state the activity being stopped and the basis of the Stop Order. The Stop Order may require the responsible party to correct the violation or hazard that prompted the Stop Order and restore the affected park property.

D. A person aggrieved by a Stop Order of the Superintendent has five (5) working days after the Stop Order is posted to request reconsideration from the Superintendent. The request for reconsideration must be in writing, and may include any objections and evidence. Within five (5) working days after receiving a request, the Superintendent shall make a decision as to whether the Stop Order shall remain in force. The decision of the Superintendent upon reconsidering the matter is final. No decision to impose or continue a Stop Order may give rise to a claim for damages. The Stop Order shall remain in effect pending reconsideration.

E. A responsible party who fails to comply with a Stop Order immediately after receiving notice of the Stop Order is subject to a penalty of Five Hundred Dollars (\$500.00) for every day the responsible party fails to comply after receiving notice. In addition, the responsible party is subject to any combination of the remedies listed in SMC Sections 18.30.050, 18.30.055, 18.30.060 and 18.30.070, except that the total penalty imposed cannot be greater than Five Hundred Dollars (\$500.00) per day, plus any abatement costs. (Ord. 118339 § 1(part), 1996.)

18.30.090 Enforceability.

The remedies in this chapter are in addition to all remedies available under common law, statute, ordinance or regulation. Notwithstanding any other provisions of the Seattle Municipal Code, actions to enforce this chapter may be brought in King

County Superior Court or King County District Court. (Ord. 118339 § 1(part), 1996.)

18.30.100 Severability.

All sections and subsections of this chapter are severable, and if any section or subsection is held invalid, such invalidity shall not affect the validity and effectiveness of any other section or subsection. (Ord. 118339 § 1(part), 1996.)
