Wallingford is the district name - named for John Noble Wallingford, who came to Seattle in 1888 and built his farm home on an 80 acre tract on Green Lake, which he soon platted into subdivisions when Dr. Kilbourne built the electric car line from Seattle to the Lake. Born in Maine (1833), he later moved to Minnesota engaging in general merchandise; entered the Civil War as a private, emerging as a 2nd Lieutenant with distinguished service; returned to merchandising and farming; the year after arriving in Seattle was elected to 2 terms in town Council and police Commis., Son of American Revolution, member of IOOF. (Died 1930)
